Board meeting procedures and schedules shall be established by the Board.

1.15.1 Regular Meetings

The regular monthly meeting of the Board of Trustees is held on the first Monday of each calendar month at a time to be established unless such day occurs on a legal holiday or the Board selects an alternative date for the meeting.

All Board meetings shall be held at a place of sufficient size to accommodate the anticipated members of the public and at a time that is reasonably convenient. In addition, reasonable efforts shall be made to make the meeting accessible to individuals with disabilities. If any

of these statutory requirements are not met, the nature of the cause for noncompliance for the meeting will be stated in the Board minutes.

Recording open meetings by audiotape, videotape or other electronic means is allowed by law. However, the Board will establish guidelines regarding the manner in which such recordings are conducted to minimize disruption to the meeting. Recording a closed meeting is prohibited unless permission has been granted by the Board.

1.15.2 Meetings to be Public

All regular meetings of the Board shall be open to the public unless closed as authorized by law.

1.15.3 Representatives of the Employee Associations

The Board of Trustees will officially recognize a member of each employee association selected by these bodies as their representatives. These representatives will receive notices of the Board meetings and agendas and will be invited to attend the Board meetings.

1.15.4 Notification of Meetings

It is the policy of the district to inform the public of Board of Trustee meetings in accordance with law. The Recording Secretary has the responsibility to post notice of Board meetings.

A. All Meetings.

In addition to the criteria listed below, notice of all Board meetings (regular, special and closed) shall be given at least 24 hours in advance of the meeting, exclusive of weekends and holidays when the College is closed, unless for good cause such notice is impossible or impractical, in which case as much notice is reasonably possible shall be given. The nature of the good cause must be stated in the minutes.

The notice shall be posted on a bulletin board or other easily accessible public place clearly designated for that purpose in the Administration Building.

All interested news media organizations will be notified of all meetings of the Board of Trustees.

B. Open Meetings

Public notice of an open meeting will include the time, date, place and tentative agenda advising the public of the matters to be considered.

C. Closed Meetings

Public notice of a closed meeting will include the time, date, and place of the meeting and the specific statutory exemption under which the meeting is closed.

1.16 Telephone Meetings Policy (Adopted November 12, 2007)

The Board may hold a meeting with all or a majority of the trustees participating by telephone. Such telephone meetings shall be open to the public. Trustees may cast votes other than roll call votes at a telephone meeting. However, issues that require a roll call vote, including issues to be discussed and decided in closed session, may not be voted on at a telephone meeting. The College President will arrange for the meeting to take place in a location with the appropriate equipment so that Board members participating in the meeting by telephone may interact and the public may observe or hear the comments made. The College President will take measures to verify the identity of any remotely located participants.

1.17 Special Meetings Policy (Revised November 12, 2007)

Special meetings may be called (1) at any time by the Board President, and (2) also may be called by the Secretary upon written request of a majority of the members of the Board of Trustees. Written notice of the special meeting, including the starting time and place of the meeting and the business to be conducted, will be given to each member and to the public at least 24 hours (exclusive of weekends and holidays) prior to the commencement of the meeting. The only exception to this is when, for good cause, such advance notice is impossible or impractical, in which case as much notice as is reasonably possible shall be given. No business will be transacted at special meetings other than that stated in the notice.

1.18 Quorum Policy (Revised November 12, 2007)

At all meetings of the Board of Trustees a majority of the Board will constitute a quorum to do business, but no contract shall be let, teacher employed or dismissed, or bill approved unless a majority of the whole board (i.e., four trustees) votes therefor.

1.19 Closed Meetings Policy (Adopted November 7, 1988; Revised January, 2005)

The Board of Trustees will comply with RSMo sections 610.010 - 610.030 regarding open meetings, records, and votes. All meetings, records and votes shall be open to the public unless closed as authorized by law. The Board reserves the right, as provided by law, to conduct closed meetings, including any records or votes, to the extent allowed under the Missouri Sunshine Law.

1.19.1 Authorizing a Closed Meeting

Public notice of closed meetings shall be given in accordance with Board policy and law. A majority of a quorum of the Board shall vote to close a meeting, in accordance with law. The reason for holding the closed meeting, with reference to the specific statutory exemption relied upon for closure and the roll call vote of each member on the question of holding a closed meeting, shall be announced publicly at an open session and entered into the minutes. Only business directly related to the specific exemptions may be discussed or voted upon at a closed meeting.

1.19.2 Objection

In the event a motion is made to close a meeting, record or vote and a Board member believes that the motion would violate the Missouri Sunshine Law if passed, the Board member may state his or her objection to the motion before or at the time the vote is taken. The Recording Secretary will enter the objection in the minutes. Once the objection has been made, the Board member shall be allowed to fully participate in the meeting, record or vote even if it is closed over the member's objection. If the Board member voted against the motion to close the meeting, record or vote, the recorded objection and the vote is an absolute defense to any claim filed against the Board member pursuant to the Missouri Sunshine Law.

1.19.3 Meeting Location

The Board shall only close that portion of the meeting facility needed to house the Board in closed session. Members of the public must be allowed to remain in the meeting facility so that they may attend any open meeting that follows the closed meeting.

1.19.4 Confidentiality

The Board members and employees in attendance are honor bound not to disclose the details or discussions of the closed meetings, records or votes. District employees who fail to keep closed information or closed meetings confidential may be disciplined or terminated. The Board may

publicly admonish Board members who fail to keep closed meetings, records or votes confidential in violation of this policy.

1.19.5 Reasons for Holding Closed Meetings

Unless otherwise determined by the Board, any meeting, record or vote pertaining to the following topics shall be considered a closed meeting, closed record, or closed vote:

1. Legal actions, causes of action or litigation involving the district and any confidential or privileged communication between the district or its representatives and its attorneys. However, any minutes, vote or settlement agreement relating to legal actions, causes of action or litigation shall be made public upon final disposition of the matter voted upon or upon the signing by the parties of the settlement agreement, unless, prior to final disposition, the settlement agreement is ordered closed by a court, except that the amount of any monies paid by the College shall be disclosed.

No member of the Board shall directly or indirectly receive any compensation or remuneration nor derive any profit or gain from membership on the Board or from services rendered to the College. No Board member of East Central College will use any College equipment, supplies, or personnel for any purpose other than the College's business.

1.28 Board Member Conflict of Interest Policy (Adopted November 12, 2007; Reaffirmed August 31, 2009)

All trustees of the College shall adhere to the laws regarding conflict of interest and take steps to avoid situations where their decisions or actions in their capacity as Board members conflict with the mission of the College. As used in this policy, "businesses owned by Board members" includes sole proprietorships, partnerships, joint ventures or corporations where the Board member is the sole proprietor, a partner having more than a ten (10) percent partnership interest, or a co-participant or owner of more than ten (10) percent of the outstanding shares of any class of stock.

Board members or businesses they own shall not sell, rent, lease or provide personal property to the district.

1.28.2 Sale, Rental or Lease of Real Property (Real Estate)

Board members may provide services on a volunteer basis.

1.28.4 Independent Contractor

Board members may provide services to the College as independent contractors through businesses they own. If payment for the service exceeds \$500 per transaction or \$5,000 per year, the College must give public notice and competitively bid the service, and the bid or offer of the Board member's business must be the lowest received. Businesses owned by Board members may provide services on a volunteer basis.

1.28.5 Businesses That Employ Board Members

Board members may participate in discussions and vote on motions for the College to do business with entities that employ the Board member as long as the business is not owned by the Board member and the Board member will not receive any financial benefit from the transaction. The Board member may need to submit a statement of interest as described below.

1.28.6 Statement of Interest

If a Board member has a substantial personal or private interest in a decision before the Board, before voting the Board member shall provide a written report of the nature of the interest to the Board

secretary. The written statement will be recorded in the minutes. A Board member will have complied with this requirement if the Board member has disclosed the interest in a personal financial disclosure statement that was filed or amended prior to the vote.

A "substantial interest" exists when the Board member, his or her spouse or dependent children, either singularly or collectively, directly or indirectly:

1. Own(s) ten (10) percent or more of any business entity; or
2. Own(s) an interest having a value of \$10,000 or more in any business entity; or
3. Receive(s) a salary, gratuity or other compensation or remuneration of \$5,000 or more from any individual, partnership, organization or association within any calendar year.

1.28.7 Self-Dealing

A Board member shall not favorably act on any matter that is specifically designed to provide a special monetary benefit to the Board member, his or her spouse or dependent children.

A "special monetary benefit" means being materially affected in a substantially different manner or degree than the manner or degree in which the public in general will be affected or, if the matter affects only a special class of persons, then affected in a substantially different manner or degree than the manner or degree in which such class will be affected.

A Board member will not directly or indirectly influence or vote on a decision when the Board member knows the result of the decision may be the acceptance by the College of a service or the sale, rental or lease of property to the College and the Board member, his or her spouse, dependent children in his or her custody or any business with which he or she is associated will benefit financially.

"Business with which a person is associated" means:

1. A sole proprietorship owned by the Board member, his or her spouse or any dependent children in the person's custody.
2. A partnership or joint venture in which the Board member or spouse is a partner, other than as a limited partner of a limited partnership, and any corporation or limited partnership in which the Board

member is an officer or director or of which the Board member, spouse or dependent children in the Board member's custody, whether singularly or collectively, own more than ten (10) percent of the outstanding shares of any class of stock or partnership units.

3. Any trust in which the Board member is the settlor or trustee, or in which the Board member, spouse or dependent children, singularly or collectively, are beneficiaries or holders of a reversionary interest of ten (10) percent or more of the corpus of the trust.

1.28.8 Use of Confidential Information

A Board member shall not use confidential information obtained in the course of his or her official capacity in any manner with the intent to result in financial gain for himself or herself, any other person or any business.

1.28.9 Nepotism

A Board member shall not vote to employ or appoint any person who is related within the fourth degree to such Board member by consanguinity or affinity. In the event that an individual is recommended for employment or appointment and the individual is related within the fourth degree to a Board member, the related Board member shall abstain from voting and shall leave the room during consideration of the question and the vote.

"Fourth degree of consanguinity or affinity" means parents, grandparents, great-grandparents, great-great-grandparents, spouse, children, siblings, grandchildren, great-grandchildren, great-great-grandchildren, nieces or nephews, grand-nieces or grand-nephews, aunts or uncles, great-aunts or great-uncles, and first cousins by virtue of a blood relationship or marriage.

1.29 Personal Financial Disclosure Statements Policy (Adopted November 12, 2007)

The Board of Trustees hereby adopts a policy establishing and making public its own method of disclosing financial interests of Board members, candidates and specified administrators, in accordance with law. Personal financial disclosure statements as described below shall be filed with the Missouri Ethics Commission and the East Central College Board of Trustees, on or before May 1 for the preceding calendar year, unless the person filing is a Board candidate. Candidates who are required to file reports (i.e., those who have engaged in reportable transactions in the previous calendar year) must file their reports

within 14 days after the last day to file for office. The reports will be made available for public inspection and copying during normal business hours.

This portion of the policy dealing with the financial interest statement will be adopted in an open meeting every other year by September 15. A certified copy of this policy/resolution shall be sent to the Missouri Ethics Commission within ten (10) days of adoption.

1.29.1 Board Member Disclosure

All trustees and candidates for trustee will disclose in writing the following transactions if they occurred during the calendar year:

1. Each transaction in excess of \$500 per year between the College and the individual, or any person related within the first degree by consanguinity or affinity to the individual. The statement does not need to include compensation received as an employee or payment of any tax, fee or penalty due the College. The statement shall include the dates and identities of the parties in the transaction.

"First degree of consanguinity or affinity" includes parents, spouse or children by virtue of a blood relationship or marriage.

2. Each transaction in excess of \$500 between the College and any business entity in which the individual has a substantial interest. The statement does not need to include any payment of tax, fee or penalty due the district or payment for providing utility service to the College. The statement shall include the dates and identities of the parties in the transactions.

"Substantial interest" is ownership by the individual, his or her spouse or dependent children, either singularly or collectively, directly or indirectly, of ten (10) percent or more of any business entity, or of an interest having a value of \$10,000 or more, or the receipt of a salary, gratuity or other compensation of \$5,000 or more from any individual, partnership, organization or association within any calendar year.

1.29.2 College President and Chief Purchasing Officer Disclosure

The President of the district shall be the Chief Executive Officer through which the Board carries out its program and exercises its policies. The President may delegate to subordinate officers of the district such powers as he/she may deem desirable to be exercised under her/his supervision and direction.

Within the framework of policies adopted by the Board, the President shall exercise discretionary authority in carrying out responsibilities of the position.

In order to determine the effectiveness of the College, the President of the College shall implement a process of planning and assessment of the College operations and shall report findings to the Board of Trustees on a periodic basis.

1.32 Role and Relationship Between the Board of Trustees and the Chief Executive Officer Policy (Adopted June 6, 1988; Reaffirmed December 2, 1991; Revised February 4, 2002)

The Board of Trustees recognizes and maintains the distinction between those activities which are appropriate to the Board as the sole statutory legislative governing body of the district and those administrative functions and duties which are to be performed by the Chief Executive Officer and his/her staff. In that regard, the Board views the legislative authority vested within itself as a body of the whole rather than as individuals acting unilaterally.

- 1.32.1 Based upon the premise of mutual respect and trust, the Board encourages a shared governance relationship that is characterized by open, honest, two-way flow of continuous communications based upon accurate, reliable information resulting from thorough study and analysis. In that regard, the Board looks toward the Chief Executive Officer to provide recommendations, suggestions and options relating to both short- and long-term goals and objectives of the district in a routine and timely manner. This should allow the Board an adequate period of deliberation which would ultimately result in the adoption of policies that would enhance the well-being of the overall district.
- 1.32.2 The Board recognizes that if the Chief Executive Officer is to be strong and responsible for the prudent management of the district and its resources, likewise, the Board must also be strong, fully informed and recognize its responsibility to be fully supportive of the Chief Executive Officer by granting him/her full authority to carry out and implement the administration of the district in accordance with those policies adopted by the Board.
- 1.32.3 The Board will maintain an understanding and respect for the delineation of policy versus administration and will maintain a self-discipline that will avoid direct interference into the administrative functions of the district. 2.3 Definition of Credit Hour (Adopted July 12, 2010)

East Central College measures units of coursework by the semester credit hour. The semester credit hour is a recognized unit for college credit coursework and is used to determine degree requirements and course equivalency in transfer.

2.3.1 Traditional Coursework

For a traditional face-to-face lecture course, the Carnegie unit and state regulation have been used to determine a semester credit hour value (i.e. a minimum of 750 minutes of instruction or "seat time" per credit hour per semester period). For non-lecture courses (i.e. science laboratories, studio coursework, career technical courses, music activities) additional instructional time per credit hour is necessary to achieve the College's learning objectives determined for the course or instructional activity.

2.3.2 Distance/Web-Based/Hybrid Learning

For the College's distance learning courses (i.e. online and hybrid), the credit hour value is based on the learning objectives determined in the traditional model of the coursework. Students would, therefore, be required to spend comparable amounts of time to achieve the desired learning objectives. To earn the credit hour value assigned to the course, students must demonstrate achievement of the course-based learning objectives at a satisfactory level.

2.4 Course Credit Options (Adopted April 7, 2003; Revised May 12, 2008; Revised August 31, 2009)

East Central College provides students various options regarding college credit. Students may receive credit in any of the following ways:

3.6 Grade Policy (Adopted August 28, 2003; Revised August 27, 2007; Revised August 31, 2009)

The faculty at East Central College have sole responsibility for assignment of grades to students based upon student academic performance and other criteria as described in the official course syllabus provided to each student. These criteria have been developed by the faculty and are approved by the academic administration of the College.

Procedures:

3.6.1 Grade Descriptions and Records (*revised 3-1-12*)

Each faculty member's assignment of grades reflects the following standard college grading scale and corresponding grade points earned:

Grade	Explanation	Grade Quality Points Per Credit Hr.
A	Superior	4
B	Above Average	3
C	Average	2
D	Below Average, Passing	1
F	Failing	0
W	Withdrawal with Approval	0
WX	Administrative Withdrawal	0
I	Incomplete	0
H	Audit	0
P	Pass	0
NC	No Credit	0

At the end of each academic semester, faculty are required to submit final course grades to the Registrar and file a record of the grade plus the criteria used to arrive at the official grade with the appropriate instructional division. Grades are available to students via eCentral on the College website. All submitted grades become part of the student's official record (transcript) and are used in the computation of the semester grade point average and the student's cumulative grade point average.

3.6.2 Other Grade Options

A. Mid-Semester Progress Reports

In addition to final grades, faculty may report mid-semester student progress. At that time, in addition to the mid-semester grades of "D" and "F", the following may be reported:

U Unsatisfactory Progress

While not an official transcript grade, “U” is used at midsemester to identify unsatisfactory progress within a course.

B. Incomplete (I)

A grade of Incomplete (I) may be recorded for a student who has completed 80% of the required coursework with a passing grade but, because of reasons acceptable to the instructor, has failed to complete all coursework. Each grade of “I” must be accompanied by a written contract with specific terms for satisfactory course completion and the signatures of the instructor and student. All coursework must be completed during the following semester. If class attendance is required, coursework must be completed during the semester when the course is next offered. A final grade will be recorded as determined by the instructor. Students on financial aid should consult with the Financial Aid Office regarding the impact a grade of “I” may have on student financial aid status.

C. Audit (H)

A student may elect an audit grade option following the procedures outlined below. Audit (H) grades carry no credit hour value and will not count in credit hours attempted in certain financial aid programs.

1) A student is admitted to the College, meets all course admission requirements and registers for the course, paying the usual tuition and fees and enrolls as an audit student. Faculty may or may not require that the audit student take exam, but all attendance requirements are the same as other students in the class. A student completing the class and meeting the audit requirements as established by the faculty member will receive a grade of “H” for the class, but no credit hour completion will be associated with the grade. A student who fails to meet the attendance requirement may withdraw or be administratively withdrawn from the class and a grade of “W” will be recorded.

2) A student is admitted to the College, meets all course admission requirements, registers for the course paying the usual tuition and fees, and enrolls in a class. Within the College refund period (as defined in the course schedule and available in the Registrar’s Office), a student may change status to audit (H). All the procedures for an audit class will then apply.

D. Withdrawal (W or WX)

A student may initiate the withdrawal from a course with the approval of the instructor, advisor or other appropriate campus official and will receive a grade of “W.” The grade is not used in

calculating the grade point average and by itself does not represent the quality of the student's academic performance or conduct.

A student may be withdrawn from a class administratively by the instructor or campus official due to excessive absence or other reason and will receive a grade of "WX."

In either situation, a grade of "W" or "WX" carries no credit hour value and will count in credit hours attempted in certain financial aid programs.

E. Pass (P)

In some courses and under certain circumstances, a grade of "P" is used to indicate that a student has attained a sufficient level of knowledge within a course or program for the student to receive credit. Circumstances that warrant the use of "P" include, but are not limited to, articulated credit, advanced placement, and foreign language credit. Any specific course must receive approval from Academic Council to have a grade option of "P". In each of these circumstances, credit is awarded but no grade point average points are computed. Students may not request a Pass grade option.

F. No Credit (NC)

An option only for students enrolled in dual technical credit courses, the "NC" grade demonstrates that the student has not achieved the minimum standard to receive credit.

3.6.3 Grade Point Average

Grade point average is determined using the following steps:

- Exclude for purposes of computation all grades of W, P, I and H
- For all other grades, multiply the credit hour value of the course by the point value of the grade; this value is the student's **grade points**
- Total the number of semester hours attempted in all courses used to determine grade points; this value is the student's **hours attempted**
- Divide the grade points by the hours attempted; this number (a value of at least 0.00 and not to exceed 4.00) is the grade point average.

Cumulative grade point average computations will include all courses taken at East Central College plus any courses transferred and accepted by East Central College.

Students at East Central College have the right to appeal a final course grade. The right to appeal is limited to grades given for the semester most recently completed.

Procedures:

- 3.7.1.** Students must make appeal within eight (8) weeks of the official end date of the semester for which the grade is reported. Students must submit in writing to the Chief Academic Officer (CAO) a statement detailing the course, the faculty member, the grade received and the reason the appeal is sought.
- 3.7.2** The CAO will review the appeal and seek a resolution. Should no resolution be reached, the student will be notified and a formal hearing conducted.
- 3.7.3** A hearing committee will be appointed by the Chief Academic Officer, and a hearing conducted for the purpose of allowing all parties to state their positions. The committee will render a decision in writing to the student and faculty member within five (5) school days.
- 3.7.4** The student may appeal the decision of the committee to the President in writing within ten (10) days of the committee's decision. The President will conduct a review and render a decision within thirty (30) days. The decision of the President is final.

3.8 Grade Forgiveness Policy (Adopted August 28, 2003; Revised August 27, 2007)

Students at East Central College may petition for grade forgiveness; application is limited to grades of D or F earned in coursework in a single semester.

Procedures:

- 3.8.1** Certain conditions apply to be eligible. The original grade(s) remain on the transcript, and the forgiveness is noted. Transfer institutions may or may not, at their discretion, honor the grade forgiveness from East Central College. Students should consult with the transfer school regarding its policies.
- 3.8.2.** Students may obtain more information on Grade Forgiveness from their academic advisor. The grade forgiveness petition is available in the Registrar's office or on the College website.

3.9 Course Repeat Policy (Adopted January 1, 2013)

A student enrolled at East Central College may repeat a course one time, if either the student received a grade of D, F, W or WX or the course content and/or credit hour value changed significantly since the original enrollment. If a student needs to repeat a course an additional time and conditions warrant such exception, the student must receive written permission from the chief academic officer (CAO) or the chief student affairs officer (CSAO). All attempts at the course will be recorded on the official college transcript and the highest grade will be factored into the student's GPA. Financial aid rules may prohibit students from receiving funding for repeating a course under any circumstances.

Procedure:

- 3.9.1** Once a course has been repeated, the student grade point average will be computed based on the highest grade awarded in the course. Any course repeat is noted on the official college transcript. Transfer institutions may or may not honor a repeat course grade.
- 3.9.2** Students seeking written permission to repeat a course as detailed in the policy can find more information from the registrar's office, the CAO or CSAO, or from an academic advisor.

3.10 Graduation and Academic Honors Policy (Adopted May 6, 1974; Revised June 23, 2003)

The following minimum cumulative grade point averages will be required for graduation honors:

Highest Honors	3.85
Honors	3.50

President's List. A semester grade point average of 3.85 to 4.00 will be required for placement on the President's Honors List.

Vice President's List. A semester grade point average of 3.50 to 3.84 will be required for placement on the Vice President's Honors List.

3.11 Academic Standards of Progress Policy (Adopted December 3, 1968; Revised August 27, 2007)

Upon enrollment at East Central College, students are expected to make progress toward graduation. The College defines minimal academic progress based on the following grade point averages:

Completion of at least 12 semester credit hours of coursework:	1.80
Completion of at least 24 semester credit hours of coursework:	2.00

3.12 Academic Probation and Suspension Policy (Adopted December 3, 1968; Revised August 27, 2007)

Any student with a grade point average that falls below minimal academic standards of progress will be placed on academic probation.

Students in academic probation status are notified by the Chief Student Affairs Officer and are required to participate in academic counseling. Students have a full semester to remedy academic probation.

If at the end of the academic probation semester the probation status is not remedied, the student is automatically suspended. Students have the right to appeal any academic suspension.

Procedures:

3.12.1 A student appeal of an academic suspension requires a written petition to the Chief Student Affairs Officer for reinstatement as an active student. The petition should include two components: a statement of the circumstances which led to the current academic status and a statement detailing a remedy of the current academic circumstances.

3.12.2 Upon completion of the semester of suspension, a student must apply for readmission to the College. Students must submit a written petition to the Chief Student Affairs Officer at least two weeks prior to the start of the semester of readmission. Any petition submitted must contain the elements listed above.

3.12.3 Specific academic programs and eligibility criteria established for various financial aid and benefit programs may include additional academic requirements for enrollment, program continuation or graduation.

3.13 Graduation Requirements (Adopted December 3, 1968; revised June 1, 1998)

Specific graduation requirements will be set up by the College faculty in accordance with the requirements of the State of Missouri and appropriate accrediting agencies.

3.14 Return of Title IV Funds Policy (Adopted September 11, 2000)

East Central College complies with the Federal Return of Title IV Funds requirements as added to law by the Higher Education Amendments of 1998 (Public Law 105-244) and found in section 488B of the Higher Education Act of 1965, as amended.

Procedures:

3.14.1 Students are required to earn Title IV financial aid by attending classes beyond the 60% point of the semester for which aid was received. Students who withdraw from or stop attending classes prior to completing 60% of the semester are subject to a recalculation of their Title IV financial aid as directed by the Federal Return of Title IV Funds policy.

- A. Title IV Funds refers to Federal financial aid programs authorized under the Higher Education Act of 1965, as amended. Title IV Funds include Subsidized and Unsubsidized Stafford Loans, PLUS Loans, Federal Pell Grants, Federal SEOG Grants, and LEAP grant funds.
- B. A student's withdrawal date is determined by the Financial Aid Office in accordance with federal guidelines.
- C. Title IV financial aid is earned in a prorated manner by attending classes up to and including the 60% point in the semester. Title IV financial aid is considered 100% earned by attending classes beyond the 60% point in the semester.
- D. The Financial Aid Office will utilize a formula dictated by the Federal Return of Title IV Funds policy to assign responsibility to both East Central College and the student for returning unearned Title IV financial aid to the Title IV programs.
- E. Students are responsible for payment of any outstanding balance on their East Central College account resulting from their withdrawal and the return of Title IV funds.

3.15 Extracurricular Activities Policy (Revised May 12, 2003)

3.15.1 Athletics Policy

A program of intercollegiate athletics, which fosters student development and enriches student life, will be encouraged.

Procedures:

- A. The Board of Trustees will approve all intercollegiate sports.
- B. Coaches and athletes will abide by the rules and regulations of the National Junior College Athletic Association (NJCAA). A copy of the rules and regulations is available through the Chief Student Affairs Officer.
- C. Intercollegiate athletics will be funded from student activity fees.

3.15.2 Student Organizations Policy

The establishment of and participation in student organizations, which support the mission of the College, is encouraged.

Procedures:

To be established and maintained on the East Central College campus, a student organization must meet the following requirements:

- A. Have an employee sponsor.
- B. File a mission statement and application with the Chief Student Affairs Officer.
- C. Gain approval of the Student Senate as a beneficial and worthy college organization.

Student organizations are governed by the constitution of the Student Government Association. Failure to function in accordance with the aforementioned mission statement or constitution will bring about loss of approval.

3.15.3 Student Publications

The editor of the student newspaper will be chosen near the end of the school year by a committee consisting of: 1) the faculty sponsor; 2) the Chief Student Affairs Officer (non-voting member); 3) the present editor; and 4) the president of the Student Senate.

Guidelines for all student publications are available in the Student Publications Handbook available through the faculty sponsor or the Chief Student Affairs Officer.

3.16 Student Health and Safety Policy (Revised May 12, 2008)

East Central College will endeavor to provide its students with a safe and healthful environment in which learning can occur. At the direction of the Board, the President of the College will enforce rules and procedures that will produce such an environment.

Procedures:

3.16.1 Student Behavior

Both individual students and student organizations are required to observe the policies of the district and the laws of the city, state, and federal government, and to conduct their affairs in a manner described in the Student Code of Conduct.

Possession or use of firearms or other weapons, explosives, dangerous chemicals or other weapons on campus or at college-sponsored activities is explicitly prohibited.

This procedure is intended to prevent the transmission of communicable diseases from a student to other members of the College community. A student with a communicable disease presents a reasonably foreseeable risk of harm to others. Therefore, the College will take action in accordance with this policy to minimize the risk of transmission and to maintain a safe campus and educational environment.

A. Definitions

The term “communicable disease” shall mean an infectious disease caused by pathogenic microbial agents, such as viruses, bacteria, fungi, protozoa, parasites, and prions, that is readily capable of transmission to other individuals through close contact, exposure to routine secretions, and/or physical proximity on a College campus. A communicable disease may be acute (short-term) or chronic (long-term). For purposes of this policy, the term is not intended to include diseases for which transmission is virtually eliminated as a result of the application of standard universal precautions (e.g., HIV/AIDS).

The term “Assessment Team” shall mean a multi-disciplinary team convened to review and assess the student’s communicable disease and its effect on the College community.

The terms “others” or “others in the College community” shall mean employees, students, and visitors to the College or any of its satellite facilities or properties.

B. Disclosure

A student who becomes aware that he/she has a communicable disease shall self-report to the Chief Student Affairs Officer. A College employee who has personal knowledge that a College student has a communicable disease must also report this fact to the Chief Student Affairs Officer.

C. Assessment

Upon receipt of a report that a student has a communicable disease, the Chief Student Affairs Officer is authorized to exclude the student from College property until a multi-disciplinary team (“Assessment Team”) is convened to review and assess the student’s condition.

The Chief Student Affairs Officer must convene the Team within a reasonably prompt period of time after receiving a report that a student has a communicable disease. The Team should be convened within five (5) business days, if not sooner. The Assessment Team will be comprised of the following persons: (1) the student; (2) the Chief Student Affairs Officer or designee; (3) a College-selected physician or other consultant with knowledge of the particular disease; (4) the student’s health care provider; and (5) other advisers for the parties, upon request, at their respective expense. All individuals are responsible for arranging their schedules to meet at the time and place designated by the Chief Student Affairs Officer. Because of the importance of addressing the communicable disease in a prompt manner, this meeting will not be rescheduled because of the unavailability of one or more members. However, Team Members may participate by telephone upon giving advance notice to the Chief Student Affairs Officer.

The Team will assess, review, and consider the following: (1) the student’s condition; (2) the present and future risk of transmission to others; (3) the existence and practicality of implementing precautions, methods and strategies to eliminate or reduce the risk of transmission to others; (4) the restrictions, if any, that will be required to prevent the student from creating the risk of transmission to others; (5) whether the student should be excluded from College property, and, if so, whether alternative arrangements can be made; and (6) if warranted, the date upon which the Team will reconvene to reassess the matter.

The Team will make its determination within three (3) working days after it has convened. The Team’s determination will be communicated in writing to the Chief Student Affairs Officer, who shall provide written notice of the determination to the student and President of the College.

If the condition is chronic or persists for more than a short, definable period, the Team shall reassess its determination as often as the Team deems appropriate.

This assessment process is not intended to limit or otherwise inhibit the right of the College to contact the local health authority or other public health official for guidance in handling a communicable disease situation or for direction. Directives or orders from public health officials shall supersede the assessment process in this policy.

D. Consent

To aid in its assessment, the Team may request that the student provide a HIPPA-compliant authorization that permits the Team to communicate with the student's health care provider(s) regarding the status and effect of the student's communicable disease. In addition, the Team may require, at College expense and in accordance with law, the student to undergo a physical examination and/or medical tests that are narrowly tailored to assist the team in determining whether the student still has a communicable disease. A student who refuses to provide consent to enable the Team to communicate with the student's health care provider(s) or to undergo the required examination/tests may be subject to exclusion from College property, as permitted by law, until such time as consent is provided or the Team determines that the student may return in accordance with this policy.

E. Return to the College

The Team is authorized to decide that the student may return to the College if it determines that one or more of the following is true:

1. The student no longer has the communicable disease; or
2. The communicable disease is not in the infectious or contagious stage; or
3. The communicable disease poses little to no risk of transmission in the College environment upon the application of universal precautions.

F. Appeal

The student may appeal the Team's determination to the President of the College by written notice within three (3) business days of the receipt of the Team's decision. The student shall set forth in writing all reasons as to why the Team's decision should be modified or reversed. As part of the appeal process, the President is entitled to review all documentation produced and considered by the Team. Upon conclusion of this review, the President will issue a written decision to the Team and the student. The President's decision shall be final. However, if the student believes that the actions under this policy were taken in violation of Section 504 of the Rehabilitation Act of 1974 ("Section 504") or the Americans with Disabilities Act ("ADA"), the student is permitted to submit an appeal by proceeding to the final level of the District's grievance policy on Section 504/ADA complaints. A copy of that policy may be obtained from the College's Compliance Coordinator for these laws, whose contact information is as follows:

Chief Student Affairs Officer
East Central College
1964 Prairie Dell Road
Union, MO 63084
Phone: 636-583-5195

G. Confidentiality

Students with communicable diseases have a right to privacy and a need for confidentiality of their medical information. Therefore, to preserve this right, the following rules will apply:

- 1 The student's medical condition and related information may be disclosed to those individuals who have a "need to know" the information in order to implement this policy, to assure that proper care is provided, and/or to detect/monitor situations in which the potential for transmission of the communicable disease may increase, as well as to those individuals who are otherwise authorized to receive, or who must receive, this information under law.
- 2 The student's medical information shall be retained in a file separate from the student's other records. This separate file shall be maintained by the Chief Student Affairs Officer.
- 3 Willful, negligent, or unauthorized disclosure of information about a student's medical condition will be cause for remedial or disciplinary action, up to and including dismissal.

3.16.2 Medical Examination

Physical examinations are required of all varsity athletes.

3.16.3 Transportation

East Central College, its agents, employees and servants disclaim any liability for any and all claims of personal injury and/or property damage which shall arise from or be incident to the carriage, transportation, and/or transference of any student to and/or from any field trip site, athletic contest or clinical site or internship location.

- A. Field trips and athletics. Student bus transportation will be provided for all off-campus field trips and athletic contests. Students will be required to use such transportation unless waivers are allowed as referred to in the Field Trip Policy (see policy 2.12).
- B. Nursing Programs. Each nursing student is expected to provide personal transportation to and from each clinical site, including any facility selected for practice or observation.
- C. Internships, observations, practicums and cooperative placements. Students enrolled in such classes will be responsible for personal transportation to such sites.

3.17 Student Conduct Policy (Revised May 7, 1973; Reaffirmed December 2, 1991; Revised August 28, 2003)

Admission to East Central College carries an obligation to conduct one's self as a responsible member of the College community. Both individual students and student organizations are required to observe the policies of the College district and the laws of the city, state, and federal government, and to conduct their affairs in a manner compatible with the educational objectives of the College. Prohibited conduct will lead to student discipline.

Procedures (Revised May 12, 2008; Revised August 2012):

3.18 Student Discipline Policy (Revised May 1, 1989; Reaffirmed December 2, 1991; Revised August 28, 2003)

All students are expected to meet the expectations of college administrators and faculty and the norms of a civil society and to avoid prohibited conduct (see Student Conduct Policy 3.17). If the need for student discipline arises, students can expect due process as defined by the following procedures.

Procedures:

In most cases, disciplinary actions are meant to be remedial rather than punitive. Ideally, disciplinary proceedings will be conducted informally between the student(s) and the Chief Student Affairs Officer. However, when this means of resolution is not possible, a student has the right to formal processes of discipline and appeal.

A. Definitions:

1. Chief Student Affairs Officer (CSAO): the administrator responsible for student services such as counseling and advising.
2. Chief Academic Officer (CAO): the administrator responsible for the oversight and direction of academic programs and faculty.
3. Hearing Committee: A five-member committee called upon for hearings whose membership includes 2 faculty, 2 administrative/ professional staff, and 1 support staff member. The CSAO and the CAO are not voting members of the hearing committee, but they are nevertheless involved in the hearing. The CSAO will preside over, and the CAO will present the charges, at all hearings where the misconduct does not involve an academic issue. If the misconduct involves an academic issue, their roles shall be reversed.
4. Sanctions: Any action taken during the institutional discipline process, not including those actions an instructor may take within the classroom in cases of academic dishonesty such as assigning a lowered or failing grade for the assignment or class.

B. Possible Sanctions (*Revised August 2012*):

1. Warning: A verbal admonition by a college official regarding a violation of the Student Conduct Code.
2. Fines, community service or other restitution: A monetary fee, assigned task or other means of reparation.
3. Disciplinary Probation: A status resulting from a finding of misconduct. The student remains enrolled but under stated conditions.
4. Summary Suspension: An involuntary and immediate separation of the student from the institution when, in the judgment of the CAO, CSAO and/or President, the student presents potential for behavior dangerous or destructive to him/herself, others or college property. Such suspension will be for a limited time until further disciplinary determination is made.
5. Disciplinary Suspension: An involuntary separation of the student from the institution for a specified period of time due to misconduct. Student may be re-admitted following a specified period of time.
6. Expulsion: Permanent loss of student status due to misconduct. Other stated conditions may be applied.

C. Formal Student Disciplinary Process

Students subject to sanctions shall be accorded the opportunity for a hearing before a hearing committee. For a hearing to be held, the student is required to submit a written request for a hearing. The following guidelines will be applicable:

1. Students will be informed in writing of the time, date, and location of the hearing, either by personal delivery or certified mail, at least ten calendar days in advance of the hearing.
2. The entire case file, including the names of prospective witnesses, will be available for inspection by the student in the Chief Student Affairs Officer's office during normal business hours. The file, which should be available at least two (2) business days before the hearing, need not include the personal and confidential notes of any college official or participant in the evaluation process.
3. The hearing shall be conversational and non-adversarial. For that reason, legal counsel will not be allowed to participate in the hearing on behalf of either the student or the administrator presenting the case against the student. Formal rules of evidence will not apply. The Chief Student Affairs Officer or designee shall exercise active control over the proceedings to avoid needless consumption of time and to achieve the orderly completion of the hearing. Any person who disrupts the hearing may be excluded.
4. The student may choose to be assisted by a member of the faculty or staff of the institution. Furthermore, the student may be accompanied by legal counsel or other representative, although the role of legal counsel will be limited to providing legal advice to the student.
5. Those assisting the student, except for legal counsel, will be given reasonable time to ask relevant questions of any individual appearing at the hearing, as well as to present relevant evidence.
6. Whenever possible, the student will be expected to respond to questions asked by the Chief Student Affairs Officer or designee.
7. If the student requests a hearing and fails to appear after proper notice, the hearing committee may either proceed with the hearing in the student's absence or may make a decision without holding a hearing.
8. The hearing shall be tape recorded. The tape(s) shall be kept with the pertinent case file for a minimum of six months.

9. A written decision shall be rendered by the hearing committee within five business days after the completion of the hearing. The written decision, which should be mailed or personally delivered to the student, should contain a brief statement of reasons for any determination leading to sanctions. The student should also be advised as to when a petition for reinstatement would be considered, along with any conditions for reinstatement. The decision of the hearing committee shall be final unless a timely appeal is made to the College President.
10. A student who wishes to appeal a disciplinary decision must do so within 30 days of the original action by filing a written appeal with the College President. The College President will meet with the student and render a decision within 7 days. The decision of the President shall be final unless a timely appeal is made to the Board of Trustees.
11. The student may appeal to the Board of Trustees within 14 days of the President's decision. The Board of Trustees will review the matter and render a decision within 14 days. The decision of the Board of Trustees is final.
12. In all non-grade appeals, the student may withdraw from College or the class of his/her own volition at any time during the disciplinary process.

SECTION 4: FINANCE AND ADMINISTRATION POLICIES AND PROCEDURES

4.1 Accounting System Policy (Adopted June 1, 1987; Revised August 25, 2008)

East Central College will maintain a financial reporting system which is in conformance with the laws of the State of Missouri and the Uniform Financial Reporting Manual of the Missouri Department of Higher Education and generally accepted accounting principles.

Procedures (Revised August 25, 2008):

- 4.1.1 East Central College will use a fund accounting system which is consistent with the Uniform Financial Reporting Manual of the Missouri Department of Higher Education.
- 4.1.2 The following fund types are established in order to provide a uniform financial reporting process, and these fund types are defined as follows:

General Fund. The general fund will be used to account for revenues and expenditures for the academic and service programs of the College. The source of the funds will be local taxes, state aid and student tuition/fees and other general miscellaneous revenue. Expenditures in the fund will include the costs associated with supporting the educational program of the College or maintaining the physical structure and operation of the College.

Bond and Interest Fund. The bond and interest fund is established to account for the payment of principle, interest, and related charges on any outstanding bond issue. Revenue for the fund is received by tax levy which has been authorized by the voters. Expenditures for the fund are restricted to the payment of the items noted above. Debt service for each bond issue must be accounted for separately, using a group of self-balancing accounts within the fund. Expenditures in the fund are restricted.

Auxiliary Enterprises Fund. The auxiliary enterprises fund is established for the purpose of accounting for college services where fees are charged to students, staff or the general public, be it either a sale fee for a good purchased or a user fee for a service rendered. Each enterprise service should be accounted for separately using a self-balancing account within the fund.

Restricted Purpose Fund. The restricted purpose fund is established to account for state or federal monies that have restrictions regarding their use. Each specific account in the restricted purpose fund must be accounted for separately using a self-balancing account. Accounts must be established to insure that the accounting and reporting requirements of the grantor are met. If the grantor provides a special accounting manual for audit purposes, it should be followed exactly.

Each account in the restricted purpose fund is self-balancing, and the account should balance to \$0 at the termination of the activity. If it does not, the amount that the account is overspent is a liability against the general fund. If the account is under spent, the balance must be returned to the grantor.

Trust and Agency Fund. The trust and agency fund is established and used to receive and hold funds when the College serves as a custodian or fiscal agent for another body. The College has an agency rather than a beneficial interest in these monies; the College does not necessarily have control or direction over the use and expenditures of the monies, with the exception that the College uses its financial capability and accounting procedures to insure the integrity of the accounts. Each agency's money should be accounted for by a self-balancing account. These accounts will balance to \$0 at the termination of the activity. Monies generated by college clubs that are continuously inactive for three semesters or college athletic activities that are suspended by the Board of Trustees will be returned to the student government fund for use and/or disbursement.

Faculty Development Fund. The faculty development fund is established to provide funding to each full-time faculty member for purposes of professional development expenses. The specific annual allocation to each account is established as part of the annual budget. Balances in each account may not exceed the equivalent of two years of funding at the current annual allocation.

College Restricted Fund. The college restricted fund is established to account for college funds that have restrictions imposed by the institution regarding their use. Each specific account in the college restricted fund must be accounted for separately using a self-balancing account, and the account should balance to \$0 at the termination of the activity. If it does not, the amount that the account is overspent is a liability against the general fund. If the account is under spent, the balance is returned to the general fund.

Building Construction Fund. This fund will be used to account for revenues and expenditures which are associated with building construction or the purchase of unmovable equipment. The source of monies for this fund will be the proceeds of bond sales, gifts, grants, or other funds restricted to such purposes by their origin or by statute. The expenditures in this fund will be for construction or purchase of unmovable equipment. The accounts in this fund will be self-balancing, and the expenditures will be restricted.

4.2 Tax Rate (Approved August 25, 2008)

The Board will set the tax rate of the College in an amount deemed necessary within state statutes to satisfy the budgetary needs of the College. The tax rate will be set by the Board before September 1 of each year, unless otherwise provided by the laws of the state of Missouri.

4.3 Budget Policy (Reaffirmed December 2, 1991; Revised August 25, 2008)

East Central College will operate on an annual budget from July 1 to June 30. The budget will be prepared by administrative officials and submitted annually to the Board of Trustees for approval by June 15.

Procedures (Revised August 25, 2008):

- 4.3.1 Budgeting procedures will be carried out in accordance with the laws of the state and instructions from the Missouri Department of Higher Education.
- 4.3.2 The Board of Trustees will review the status of the budget at each regular meeting. The Board will be presented a treasurer's report, a balance sheet, a schedule of investments, a summary of budgeted expenditures versus actual expenditures and a summary of budgeted revenues versus actual revenues.
- 4.3.3 Amendments to the budget will require approval by the Board of Trustees.
- 4.3.4 The following guidelines will govern budget development, expenditure control and cash flow:
 - a. Budgeted expenditures will not exceed budgeted revenues.

- b. A restricted reserve shall be maintained in order to provide for timely payment of the College's financial obligations. The total of funds to be held in the reserve shall be established by the Board of Trustees and shall be consistent with prudent fiscal policy regarding cash flow requirements and the timing of revenue receipts. Transfers to or from the restricted reserve fund will require approval by the Board of Trustees.

4.4 Financial Reports Policy (Revised June 23, 2003)

The Chief Financial Officer, in cooperation with other appropriate employees, shall prepare and present financial reports to the Board of Trustees at all monthly meetings and at any time upon request, summarizing the status of the various funds contained in the annual budget and providing other appropriate information. Other financial reports to regulatory agencies and associations shall be filed as required and in the best interests of the College.

4.5 Auditing Policy (Adopted December 3, 1968; Revised June 23, 2003)

The College financial records will be audited annually by a certified public accountant licensed to practice public accounting in the State of Missouri and with documented experience in federal and state funds auditing. A copy of this audit will be sent to the Department of Higher Education, the Department of Elementary and Secondary Education, the U.S. Department of Education, and other regulatory agencies as required. A copy of the audited Revenues and Expense Statement will be published in local newspapers.

4.6 Purchasing Policy (Reaffirmed December 2, 1991; Revised August 25, 2008)

The Board of Trustees authorizes the College President to administer the College purchasing policy in accordance with state and federal laws. This policy covers purchases of supplies, equipment, library books and materials, insurance and contracted services.

Procedures (Revised August 25, 2008):

- 4.6.1 All purchases shall be made with the objective of securing services, materials, supplies and equipment at the lowest possible cost consistent with satisfactory standards for quality and service.

4.6.2 Purchasing to make purchases necessary for the operation procedures shall be based upon the level of expenditure:

- a. **Expenditures up to \$1,000.** Without competitive bidding, the Chief Financial Officer and designees are empowered to make purchases necessary for the operation of the district as long as the amount does not exceed \$1,000.
- b. **Expenditures of more than \$1,000 up to \$5,000.** Without competitive bidding, the Chief Financial Officer and designees are empowered of the district as long as the expenditure is more than \$1,000 up to \$5,000 and as long as the purchase is not made until at least three (3) verbal price quotations are considered if obtainable.
- c. **Expenditures of more than \$5,000 up to \$15,000.** Without competitive bidding, the Chief Financial Officer and designees shall obtain at least three (3) written price quotations, if obtainable, when purchases are necessary for the operation of the district of more than \$5,000 up to \$15,000. Further, when deemed necessary by the Chief Financial Officer, advertisement in a newspaper or newspapers of general circulation in the district for quotations shall be made.
- d. **Expenditures exceeding \$15,000.** In the event a proposed expenditure exceeds \$15,000, the expenditure shall not be made until competitive bidding has been engaged. Bid specifications shall be prepared by the Chief Financial Officer in consultation with other appropriate staff as necessary. Bids shall then be advertised in a newspaper or newspapers of general circulation within the district. Bids shall be opened and publicly read aloud at a designated time and place. The College reserves the right to waive minor technical defects in a bid, or reject any or all bids or any part of any bid. Purchases exceeding \$15,000 must be approved by the Board of Trustees of the College.

4.6.3 **Exceptions.** Any cooperative contracts established by (1) the state of Missouri, (2) other public agency or entity governed by the laws of the state of Missouri, or (3) any higher education or public entity compact or consortium may be used by the college in lieu of competitive bidding for the purchase of item equipment, supplies, sundries, non-realty leases, maintenance and periodic service agreements. Purchases which are not adapted to competitive bidding, such as (1) sole source purchases, or (2) the procurement of professional services or skill wherein the professional credentials or ability are of primary importance are considered exceptions to the requirement for

competitive bidding. The Chief Financial Officer may waive competitive bidding when the purchase will result in direct and immediate savings to the College. Sole source purchases will have supporting documentation from originator.

- 4.6.4 **Insurance.** All insurance will be purchased utilizing the normal bid procedures unless it is a part of a cooperative agreement. Insurance coverages will be reviewed annually.
- 4.6.5. **Preference to Missouri Products and Firms.** In making purchases, preference shall be given to all commodities manufactured, mined, produced, or grown within the state of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations, or individuals, when quality is equal or better and delivered price is the same or less.
- 4.6.6 **Preference to Local Products and Firms.** In making purchases, preference may be given to all commodities manufactured, mined, produced, or grown within the district and to all firms, corporations or individuals doing business within the district, when quality is equal or better and delivered price is the same or less.
- 4.6.7 The purchase of all merchandise, products and services for College purposes must be done through the Chief Financial Officer. The Chief Financial Officer will coordinate purchasing within the framework of the statutes of Missouri, policies and procedures of the Board of Trustees and regulations promulgated by the Chief Financial Officer.
- 4.6.8 All purchases must be authorized in advance by a requisition and/or purchase order signed by an appropriate college official.
- 4.6.9 These purchasing procedures cover the procurement of equipment and supplies and commitments of funds for rentals and service agreements. Such commitments must be covered by purchase orders.

4.7 Selection of Architectural/Engineering and/or Land Surveying Services (Adopted August 25, 2008)

The Board of Trustees may select qualified firm(s) and negotiate contract(s) for architectural, engineering and land surveying services for the various building projects undertaken by the College.

Procedures:

In selecting such firm(s), the following criteria will be considered:

1. Training, specialized experience and technical competence, including that of partners and associates, demonstrated either with the College or elsewhere with respect to the type of services desired.
2. Planning ability, efficiency and promptness of the firm(s), including the capacity and capability of the firm(s) to perform the tasks requested, as well as any specialized services, within the time limitations established for the completion of the project.
3. Proposed price for the services requested (i.e., a fee schedule).
4. Past record of performance of the firm(s) with respect to control of costs, quality of work, design, appearance, utility and the ability to meet time schedules.
5. Proximity to and familiarity with the geographical area in which the project shall be located.

When considering the need for architectural, engineering and/or land surveying services, the Board or designee shall prepare a written description of the services desired by the College. Interested firms may be requested to submit information in accord with the above criteria.

College officials shall review the materials submitted and shall attempt to negotiate acceptable terms with any or all of the firms submitting materials. The Board of Trustees shall select the firm(s) considered best qualified for the project(s).

4.8 Construction Contracts Bidding and Awards (Adopted August 25, 2008)

All facilities construction projects that exceed an expenditure of \$15,000 shall be advertised and competitive bids solicited, according to state law. In order to protect the College, each bidder may be required to submit with his or her bid a bidder's bond in an amount determined by the estimated cost of the project.

Procedures:

The construction contract shall be awarded to the lowest responsible bidder whose bid is in accordance with the approved plans and specifications and who has provided the required security. However, the Board reserves the right to waive minor technical defects in a bid, or reject any or all bids, or any part of any bid. No bid for the construction, alteration or repair of any building shall be accepted if it does not conform to the plans and specifications for the project.

If the project is considered a public works project estimated to exceed \$25,000, the contractor will be required to furnish a performance bond in accordance with law. No contractor shall be required to submit a bond from a particular insurance or surety company. Lien waivers shall be provided by the contractor and his or her subcontractors and suppliers.

All pay requests by the contractor shall be approved by the architect prior to payment.

Bid specifications and/or contracts for all public works shall include the required provisions concerning prevailing wages pursuant to the rules of the Division of Labor Standards of the Missouri Department of Labor and Industrial Relations and will comply with state law.

4.9 Construction Manager Option (Adopted August 25, 2008)

In the event that the College chooses to use the services of a construction manager instead of a general contractor, the College shall select a construction manager and negotiate with that construction manager to obtain a contract that is fair and reasonable.

Procedures:

To select a construction manager, the College shall advertise and solicit proposals from qualified construction managers in the following manner:

1. If the total cost for the project exceeds five hundred thousand dollars (\$500,000), the solicitation shall be advertised for a period of ten (10) days in one (1) newspaper of general circulation in the county.
2. If the total cost of the project exceeds one million five hundred thousand dollars (\$1,500,000), the solicitation shall be advertised for ten (10) days in two (2) daily newspapers in Missouri which have not less than fifty thousand (50,000) daily circulation in addition to the advertisement required by number 1 above.
3. If the total cost of the project is five hundred thousand dollars (\$500,000) or less, the solicitation need not be advertised.
4. Solicitations shall require the bidders to submit the following information:
 - a. Fees for overhead and profit.
 - b. Reimbursable costs for reimbursable items.

- c. Qualifications.
5. Demonstration of ability to perform projects comparable in design, scope and complexity.
- a. Demonstration of good faith efforts to achieve compliance with federal, state and local affirmative action requirements.
 - b. References from owners for whom construction management services have been performed.
 - c. Financial strength.
 - d. Qualifications of in-house personnel who will manage the project.
 - e. Demonstration of successful management systems which have been employed for the purposes of estimating, scheduling, and cost controls.

If the College selects a construction manager on the basis of the above factors, then contractual negotiations may be conducted with that construction manager and a contract may be executed between the Board of Trustees and that construction manager. If the College cannot reach an agreement upon the terms of a construction management services contract through negotiations with the selected construction manager, then the College will attempt to select another construction manager and negotiate a contract with that construction manager. The College will continue to follow the procedures outlined in this policy until a contract has been executed between the Board of Trustees and a construction manager.

Furthermore, the Board of Trustees shall not award a contract to any construction manager (or a firm that controls, is controlled by or shares common ownership or control with the construction manager), if such construction manager:

- a. Guarantees, warrants or otherwise assumes financial responsibility for the work of others on the project.
- b. Provides the District with a guaranteed maximum price for the work of others on the project.
- c. Furnishes or guarantees a performance or payment bond for other contractors on the project.

Under this policy, the term "project" shall mean the erection or construction of a building or structure or the improvement, alteration or repair of a building or structure. The term "construction manager" includes consulting, advising,

assisting and making recommendations on any and all aspects of preconstruction planning, design, bidding, and contract award and providing general observation, coordination and direction of the work and processing of payment requests and change orders during construction.

This policy shall not apply should the College choose to contract with an individual or firm solely for the purpose of serving as a liaison with a general contractor.

4.10 Change Orders During Construction (Adopted August 25, 2008)

A change order is a written order to the contractor signed by the owner and the architect, issued after execution of the contract, authorizing a change in the work or an adjustment in the contract sum or the contract time. Although the general philosophy of the College is to discourage contract adjustments during a project, change orders may result from the following:

- Changes in the quality or scope of the project
- Changes resulting from unforeseen condition, and
- Changes due to errors or omissions by the architect or contractor.

Additional costs incurred for time or materials, when unit costs or rates for time or materials are included in the terms of the contract, are not considered change orders for purposes of this policy.

Procedures:

Change orders may be signed by the President of the College only under the following circumstances:

1. The College President, after discussions with representatives of the project monitoring team, may sign any change order authorizing a change in the work, provided that the contract sum is not increased by more than \$15,000 and that contingency funds are available for said change.
2. A proposed change order shall be submitted to the Board of Trustees for approval when the proposed increase in the contract sum exceeds \$15,000, or when the contingency funds are insufficient to cover the proposed increase. If approved, the College President or designee is authorized to immediately sign the change order.
3. In an emergency, such as where there is a threat to life or property, the College President is authorized to immediately sign any change order. In such case, the College President should advise the Board of the circumstances necessitating the change order as soon as practicable.

In processing change order requests, the College President shall attempt to identify situations where a proposed change order may have been caused by an error or omission of the architect or contractor. In appropriate cases, the College shall endeavor to recover the cost of the change from the responsible party.

4.11 Use of College Employees in Lieu of Contractors (Approved August 25, 2008)

The College may use its employees to alter, maintain and repair buildings, equipment or grounds without the letting of contracts.

4.12 College Liability Insurance (Adopted August 25, 2008)

The College will maintain coverage against liability of the College and its employees as allowed by law. Such coverage may be maintained through insurance or participation in the state public entity risk management fund. 4.13 Financial Exigency Policy (Adopted June 4, 1979; Implemented February 9, 1981; Revised August 28, 2003)

The President will regularly review the financial status of the College to determine if conditions exist that are sufficient to warrant a declaration of financial exigency.

4.13.1 Procedures:

Financial exigency exists when an imminent financial crisis threatens the survival of the institution as a whole and cannot be alleviated by less than drastic means, such as the realignment of college

expenditures, immediate reduction in hourly and contract employees, and/or emergency use of restricted reserves from the fund balance of the College.

Any sudden, severe, and unexpected change in financial conditions will be reported within five days of the discovery of such conditions by the President to the Board of Trustees, faculty, and staff.

- c. Following the determination by the Board of Trustees that a financial exigency does exist, the President of the College, as Chief Executive Officer, will develop a retrenchment plan for approval and enactment by the Board of Trustees.
- d. The plan for retrenchment will be developed in accordance with the following guidelines:
 - (1) The total college operation, including all departments and offices, will be considered in making recommendations for retrenchment.
 - (2) In all cases of termination of faculty on continuous contracts because of financial exigency, the positions of the faculty concerned will not be filled within a two-year period by replacement nor will temporary positions be created so as to effect replacement of those faculty positions unless the released faculty have been offered reinstatement and a reasonable time in which to accept or decline the offer.

4.39 Cellular Phone or Other Mobile Communication Devices Policy (Adopted April 7, 2003; Revised August 25, 2008)

Cellular phones or other mobile communication devices may be provided to College employees when the device is deemed essential to the performance of the employee's duties. Provision of these devices must be approved by the President or designee. Use of such devices will be solely for College business.

Procedures:

4.39.1 Cellular Phone or Other Mobile Communication Devices Acquisition and Use

- A. Establishing New Service.** The President or designee will evaluate those employees nominated by their supervisors as eligible to be issued a College cell/mobile phone and will approve all phone issuance. Upon receiving notification of approval, the Chief Financial Officer will issue a budget code for the phone on a requisition to the Purchasing Agent.
- B. Business Use.** A College cell/mobile telephone shall be used for appropriate business purposes. Such use is defined as appropriate when an employee must make a call related to furthering College operations, does not have access to a regular College telephone, and the call cannot or should not wait until returning to the office.
- C. Reimbursement to the College for Personal Use.** A college cell/mobile telephone may be used in circumstances in which an employee must make a personal telephone call and does not have access to any other telephone. Reimbursements for personal use will be made on a per minute basis, at a rate based upon the College rate as established annually by the Chief Financial Officer. Such personal use must be indicated by the user on the monthly detail call listing issued by the cell/mobile service company.
- D. Reimbursement of Calls Made on Personal Cell/Mobile Phones.** A College business call made on an employee's personal cell/mobile phone will be reimbursed if College business necessitated the call, and no other College phone was available. Reimbursements for personal cellular service will require submission of the actual detail call listing provided by the cell/mobile service company and will include a notation as to the need for the call. The reimbursement will be made on a per minute basis, at a rate based upon the College rate as established annually by the Chief Financial Officer. No personal reimbursements will be allowed for any other charges on the cellular service bill. This includes taxes, fees, special service charges and features. Roaming charges and long distance charges are eligible for reimbursement if documentation is submitted showing that regular phone service was not available and immediate calling was necessary.

- E. **Responsibility of Users.** Each user of a cell/mobile phone or communication device shall be responsible for reviewing the monthly billing statement to verify all charges for the cell/mobile phone that has been issued to them. If personal calls have been made or received, it is the employee's responsibility to annotate them and to reimburse the College at a per minute cost. Reimbursement for such calls shall be made by the end of the calendar month in which the bill is received. If the employee has no personal calls, this must be noted on the bill. Acceptance of a college cell/mobile phone constitutes an agreement on behalf of the user to abide by all federal and state laws and regulations and college policies.

4.39.2 **Cell/Mobile Phone Service Selection.**

This detail will show the date and time of the call, an identification of the call (either the number dialed or incoming call designation), call length, and the cost of the call.
- C. **Annual Review.** The Purchasing Agent will complete an annual review for the Chief Financial Officer of all cell/mobile phones or communication devices and services to evaluate that phones are being used appropriately and frequently enough to justify continued use and that the rate plan(s) assigned are appropriate for the type of use required.

4.39.3 **Cell/Mobile Phone Control.**

- A. **Termination of Service.** All equipment purchased by the College remains property of the College. Upon receipt of a cell/mobile phone, an employee will be asked to sign an authorization form to deduct any outstanding bills for personal calls from the employee's final paycheck prior to separation from the College. When employment is terminated for any reason or an employee is separating from the College, all equipment must be returned to the College. If it is determined that a current employee no longer needs a cellular phone, the supervisor should

notify the Purchasing Agent so that this service may be discontinued. The President or the designee, the Chief Financial Officer, shall retain the right to suspend or discontinue the use of any or all cellular or wireless telephones or communication devices if this is determined to be in the best interest of the College.

- B. **Misuse and Consequences.** Any intentional, deliberate misuse of a college cell/mobile telephone may result in but is not limited to one or more of the following actions: the requirement of a telephone log to be maintained detailing all calls, the blockage of all incoming calls, the loss of cell/mobile telephone, a written reprimand, or termination of employment in cases of egregious and/or repeated misuse.

In most instances, work-related problems should be resolved at the employee-supervisor level. If an employee's conduct or performance necessitates corrective action, several actions fall within the purview of the supervisor. These may include informal counseling, and/or performance review and recommendation for further discipline.

Should formal discipline be necessary, the Director of Human Resources shall provide leadership for the process in order to assure that discipline is imposed in accordance with personnel policies.

In the interests of both the employee and the College, any investigation of potential disciplinary situations should be concluded expeditiously.

Disciplinary action may include but is not limited to the following, depending on the severity of the infraction: oral warning, written reprimand, suspension with or without pay, and discharge.

- (a) **Oral Warning.** A reasonable number of oral warnings may be given, at the discretion of the supervisor. Such warnings shall be noted in writing and placed in the individual's personnel file.
- (b) **Written Reprimand.** A supervisor may issue a written reprimand, a copy of which will be sent to the employee along with a copy to the Director of Human Resources for the employee's personnel file.

- (c) **Suspension With or Without Pay.** Suspension with or without pay may be invoked for a time period deemed consistent with the seriousness of the offense and the circumstances and in accordance with the College's Due Process procedures. 5.4.4 **Due Process Procedures for Disciplinary Action** (Revised December 2, 2002)

- (a) Due process procedures for disciplinary action apply to full-time, contractual faculty, administrators, and professional staff, and do not apply to at-will employees such as support staff and part-time instructors.
- (b) The following procedural steps are to be followed when the Director of Human Resources deems further discipline is necessary. While legal requirements should be met, the intent of these is to establish simple steps that ensure fair treatment for all parties involved.

Step 1: **Investigation and Review Committee.** Should the discipline of a faculty, administrator, or professional staff member be deemed necessary, it is the responsibility of the Director of Human Resources to appoint a committee of three employees, one drawn from each employee association, to study the issue and make written report of their findings to the Director of Human Resources, the supervisor and President of the College. In certain areas where specialized information or background is necessary, an outside consultant may be used.

- a. If the individual in question is the Director of Human Resources, the President of the College shall appoint a representative committee of three to study the issue and make a written report of their findings to the President of the College.

- b. If the individual in question is the administrator of the division, the President of the College shall appoint a representative committee of three to study the issue and make a written report of their findings to the President of the College.
- c. If the individual in question is the President of the College, the President of the Board of Trustees shall appoint a representative committee of three to study the issue and make a written report of their findings to the President of the Board of Trustees.
- d. Certain circumstances may justify initiation of action beginning at Step 4 without the utilization of the procedures set out in steps 1, 2, and 3.

Step 2: **Recommendations.** Following the findings of the committee, the President of the College, or the President of the Board, whichever is applicable, shall submit written recommendations for discipline to the employee in question and to the President of the College or the Board of Trustees for appropriate action.

Step 3: **Disposition.** If no disciplinary disposition can be made on mutually agreeable terms and there remains a dispute, formal proceedings may be initiated by the President of the College. The employee in question shall remain in his/her position during the formal proceedings unless suspended by the President of the College. Such suspension shall be with pay unless the Board of Trustees decides otherwise.

Step 4: **Formal Proceedings/Board of Trustees.** Formal proceedings shall be brought before the Board of Trustees. Such proceedings shall be initiated by the President of the College giving the employee notice of a hearing and of the details of the conduct which warrants disciplinary action.

- a. The notice shall provide that a hearing shall be held before the Board of Trustees on a particular day and at a certain time and place; that the individual in question may be present with or without an advisor; and that he/she may present witnesses and other evidence on his/her behalf and may question witnesses presented by the College. The notice and details of the conduct must be received by the employee at least 10 days prior to the hearing. The College official presenting the institution's position may also have an advisor present.
- b. The notice must be handed to the individual in question personally or it may be sent to him/her by registered mail to either his/her most recent address as listed in employee records or to another known location. If delivered personally, an affidavit of service must be presented to the Board of Trustees by the person who performed the service. If service is by mail, a return receipt properly signed by the individual in question or his/her agent shall be presented to the Board of Trustees. The affidavit or return receipt must reveal that the individual in question received the hearing notice at least 10 days before the hearing.
- c. Should the individual in question not appear for the hearing, the disciplinary action proposed shall be instituted.
- d. Should the individual in question or his/her advisor request additional time in which to prepare, the Board of Trustees, at their discretion, may grant such additional time and continue or postpone the hearing to another day and time.
- e. The President of the Board of Trustees shall conduct the hearing at the time and place called for in the notice or at the postponed time, if additional time is granted. Such hearing shall not be public and either party may ask that witnesses be present only during the time of their testimony.

- e. An electronic recording shall be made of the hearing proceedings and a copy shall be made available to the employee whose discipline is in question.
- f. Formal legal rules of evidence need not be followed, and the Board President and his/her advisor shall determine what evidence may or may not be presented. The proper college official(s) or advisor shall present the institution's position. The employee in question or his/her advisor shall have the right to question any witness called by the institution, just as the institution's representative may question any witness called by the employee.
- g. At any time during the proceedings, any member of the Board of Trustees may question any witness or call for a point of order to be clarified.
- h. After testimony has been presented and each side has concluded its presentation, the Board of Trustees shall retire to review all information submitted and render a determination. The final determination shall be delivered no more than 30 working days from the date of the Board hearing.
- i. The decision of the Board of Trustees shall be final.

4. Marked change in personal behavior that is otherwise unexplainable.
5. Deteriorating work performance that is not attributable to other factors.
6. An accident where there is reasonable suspicion that drugs or alcohol may be a factor.
7. Any circumstances which causes a reasonable suspicion that an employee is under the influence of illegal drugs and/or alcohol.

B. Post-incident Testing

Testing for drugs and alcohol should occur after an on-the-job incident which results in:

1. Significant damage to property as determined by local management.

2. A work-related injury which requires treatment by a physician. Those subject to testing will include anyone who may have been responsible for causing the incident.
3. Operational error that results in the release of a hazardous or toxic substance.

The test will determine the presence of drugs, narcotics, or alcohol, unless such tests are prohibited by law. Employees that agree to take the test must sign a consent form authorizing the test and the College's use of the test results for purposes of administering its discipline policy. It is a violation of this policy to refuse consent for these purposes or to test positive for alcohol or illegal drugs. Policy violations will result in discipline and may result in termination. Tests that are paid for by the College are the property of the College, and the examination records will be treated as confidential and held in separate medical files.

5.6.4 **Employer and Employee Responsibilities**

- A. Supervisors should report immediately to the Human Resources Office any action by an employee that might pose a danger to himself/herself or others. The Director of Human Resources will determine whether the employee should be examined by a physician or clinic and/or tested for drugs and alcohol. Employees believed to be under the influence of drugs, narcotics, or alcohol will be required to leave the premises.
- B. Employees who are experiencing work-related or personal problems resulting from drug, narcotic, or alcohol abuse or dependency may request, or be required to seek help. Authorization to return to work will be required. Employees who participate in a treatment program will be expected to meet existing job performance standards and established work rules.
- C. Nothing in this statement is to be interpreted as constituting a waiver of management's responsibility to maintain discipline or the right to take disciplinary measures in the case of poor performance or misconduct.
- D. It must be understood that this policy has no bearing whatsoever on what employees do on their own time unless it reflects on their job performance.

5.6.5 Alcohol and Drug-Free Awareness Program

The College will establish an alcohol and drug-free awareness program to inform employees about:

- A. The dangers of alcohol and drug abuse in the workplace.
- B. The College's policy and procedures for maintaining an alcohol and drug-free workplace.
- C. Any available drug counseling, rehabilitation and employee assistance programs.
- D. The penalties that may be imposed upon employees for alcohol and drug abuse violations occurring in the workplace.

5.6.6 Treatment

Persons who suspect that they may have an alcohol or drug dependency problem are encouraged to seek diagnosis and follow through with the treatment that is prescribed by qualified professionals in order to arrest the problem. Persons having these problems will receive treatment that is extended under our health benefit plans.

5.7 Communicable Diseases Policy (Approved March 7, 1988; Revised November 3, 2003)

Any employee or employee of a contracted service provider who is infected with a communicable disease or is known to be liable to transmit any communicable disease will be held responsible for their own protection and that of other individuals at East Central College. The College will comply with current recommendations from the Centers for Disease Control and the U.S. Public Health Service.

Procedures:

5.7.1 Disclosure

When an individual makes it known that he/she has a communicable disease, the individual shall be referred to the Director of Human Resources. Each individual with a communicable disease shall provide documentation, if available, or shall submit to a physical examination at the College's request and expense.

5.7.2 **Assessment of Situation**

The Director of Human Resources will convene a multi-disciplinary team to review and assess the individual's condition. The multi-disciplinary team shall be comprised of: the individual; the individual's personal physician(s); a physician, or other consultant selected by the Director of Human Resources or a public health physician designated by or approved by the Department of Health; the College's legal counsel; the employee's legal counsel if requested; and other persons mutually agreed as is necessary and appropriate.

The multi-disciplinary team will assess the individual's condition and the risk to him or herself; the risk or transmission to others; reasonable accommodations which can be made without undue hardship to reduce the health risk to the individual and others; what restrictions, if any, shall be required of the individual in order that the individual may continue employment; whether or not the individual shall be prohibited from employment on campus and/or provided alternative employment. The multi-disciplinary team will establish dates or conditions under which the employee's status will be reviewed.

The multi-disciplinary team's determination will be made within five working days once it has convened. The multi-disciplinary team's assessment and recommendations shall be communicated in writing to the individual and to the President of the College. The determination of the multi-disciplinary team shall be final unless it is appealed and modified.

If the condition persists over several months, the multi-disciplinary team shall reassess and review its decision on a regular basis as scheduled in its determination. The multi-disciplinary team may require additional physical examinations and/or tests at its discretion. In the event of a regular change in the employee's medical condition or other material matter, the multi-disciplinary team shall determine what, if any, modifications in the determination shall be appropriate.

5.7.3 **Appeal Process**

The individual or the Director of Human Resources may appeal the determination of the multi-disciplinary team to the Board of Trustees by written notice within five days of receipt of the multi-disciplinary team's written determination. Within ten days of receipt of the appeal in the President's office, the Board of Trustees will confer with the multi-disciplinary team, review the record, and receive additional information deemed necessary and appropriate. Within five days of the conference, the Board of Trustees shall make a final decision on the appeal.

5.7.4 Confidentiality

Individuals with a communicable disease and their families have a right to privacy and a need for confidentiality. The individual's medical condition shall be disclosed only to the extent necessary to minimize the health risk to the individual and to others. College employees deemed to have a direct need to know will be provided with appropriate information to assure proper care and to detect situations in which the potential for transmission of the disease may increase. All such persons shall not disclose such information. The multi-disciplinary team will determine who has "a direct need to know." Willful or negligent disclosure of confidential information concerning an employee's communicable disease by college staff will be cause for disciplinary action as prescribed in the procedures.

All college employees involved in the Allied Health Programs and Biology, Human Anatomy and Chemistry classes shall follow the Centers for Disease Control Guidelines. All college employees shall take routine precautions when there is a possibility of exposure to blood or other bodily fluids.

Direct skin contact with bodily fluids should be avoided whenever possible. Employees who may come into contact with potential sources of communicable disease on a regular basis will undergo specific training.

5.8 Employee Grievance Policy (Approved June 4, 1990; Revised May 8, 2006)

East Central College employees may file a grievance. **Grievance** shall refer to a violation or inequitable application of college district policies, regulations, procedures, federal/state statutes, including the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, or other disability related statutory rights, or other existing laws. Procedures:

5.8.1 Grievance Process

- (a) Informal. If grievance is related to ADA accommodations, employee should contact immediate supervisor regarding accommodations or adjustments within 10 working days of an alleged incident or action.

Grievances should only be filed after a good faith effort has been made to resolve the problem. This process will involve the employee, the supervisor, and the Director of Human Resources.

- (b) Formal. The College provides a process to resolve grievances for employees. The purpose of the grievance process is to secure, at the lowest possible administrative level, a prompt and equitable solution to individual grievances.

All college personnel who supervise employees are responsible for making certain that employees under their supervision have knowledge of the grievance process and understand that they may use the process without fear of retaliation.

Any false statement(s) or breach of confidentiality made in the course of or following the grievance proceeding shall be grounds for disciplinary action for any employee participating in the grievance process.

5.8.2 **Definitions**

- (a) Grievance – A grievance is a claim in writing utilizing the Grievance Form and shall refer to a violation or inequitable application of college policies, regulations, procedures, federal/state statutes, including the Americans with Disabilities Act of 1990 (ADA), Section 504, of the Rehabilitation Act of 1973, or other disability related statutory rights, or other existing laws.

5.8.3 Steps in Grievance Process

- (a) Written and Formal. Any grievance shall be presented through the following procedure. In any formal meeting of an investigative nature between the grievant and Supervisor the grievant shall have the right to be accompanied by his/her advisor. The Director of Human Resources or designee is responsible for coordination of the grievance process.

Step 1: Appeal to the Director of Human Resources. Within 60 working days after the event or occurrence giving rise to the alleged grievance, the grievant shall present the grievance in writing to the Director of Human Resources. The formal grievance will include the completed “Grievance Form” which shall include:

- (1) The name(s) of the grievant(s)
- (2) Date of submission
- (3) A statement of the incident/complaint of the grievant
- (4) Relevant Board policy(ies) or relevant administrative procedure(s) alleged to be violated
- (5) The date on which the event or occurrence first transpired
- (6) Such other information which the grievant deems relevant
- (7) The resolution or relief requested

The Director of Human Resources shall collect all relevant evidence, hold any necessary hearings with all parties and their advisors (if requested), and render a decision and the reason(s) for that decision to the grievant in writing within 10 working days after receipt of the grievance.

New grievance issues that were not raised at Step 1 may not be raised by either party in subsequent steps.

- (b) Step 2: Appeal to the Grievance Review Committee. In the event the grievant is not satisfied with the decision at Step 1, he/she may appeal to the Grievance Review Committee through the Director of Human Resources within 10 working

days of receipt of the Step 1 findings. The Grievance Review Committee will meet, elect a chairperson and secretary, and receive their charge from the Director of Human Resources.

In the event that an elected committee member wishes to disqualify himself/herself, the alternate committee member shall serve on the committee. The grievant may also challenge a committee member, who should then recuse himself/herself, and the alternate committee member shall serve. Disqualification must occur within 10 working days of the committee's receipt of the grievance. An alternate member must be selected by the 12th working day. No member may abstain from voting.

The committee will review all information submitted at Step 1 and render a decision of the majority of the committee as a whole and reason(s) for that decision no more than 10 working days from the hearing of the grievance. The decision will be a written finding of the committee sent to the grievant and the Director of Human Resources. Any committee member may include a written dissent.

- (c) Step 3: Appeal to the College President. In the event that the grievant is not satisfied with the decision at Step 2, he/she may within 10 working days of receiving the decision, present an appeal in writing to the College President. The appeal should include a copy of the original grievance and all applicable documentation along with the replies from Step 1 and Step 2.

The College President shall make such inquiries and review documents pertaining to the grievance and may convene a conference of the parties. The College President shall render a decision and the reasons for that decision, in writing, within 10 working days after the conference.

- (d) Step 4: Appeal to the Board of Trustees. In the event the grievant is not satisfied with the decision at Step 3, he/she may within 10 working days of receiving the decision, present an appeal in writing to the President of the Board of Trustees through the College President. The appeal should include a copy of the original grievance and all applicable documentation and be submitted no later than the Board's next regularly scheduled meeting along with the replies from Steps 1, 2, and 3. A hearing shall be held in an Executive Session of the Board, as permitted by Missouri State Statutes, Sections 610.021 and 610.022, within 30 working days of the date of the submission.

Upon receipt of the documentation, the President of the Board of Trustees shall review the documentation and shall give notice to the grievant within 10 working days that a hearing to consider the grievance shall be held before the Board on the particular day and at a certain time and place; that the grievant may be present with or without an advisor; and that he/she may produce witnesses or other evidence on his/her behalf at the hearing.

The notice must be handed to the grievant personally or it may be sent to him/her by registered mail at his/her most recent known address. If delivered personally, an affidavit of service must be presented to the President of the Board of Trustees by the person who performed the service. If service is by mail, a return receipt properly signed by the grievant or his/her agent shall be presented to the President of the Board of Trustees. The affidavit or return receipt must reveal that the grievant received the hearing notice at least 10 working days before the hearing is conducted before the Board of Trustees. Should the grievant or his/her advisor request additional time in which to prepare, the President of the Board of Trustees may or may not grant such additional time and continue or postpone the hearing to another day and time. This request shall be submitted through the College President.

The President of the Board of Trustees shall conduct the hearing at the time and place called for in the notice or at the postponed time, if additional time is requested. Should the grievant not appear for the hearing, the grievance shall be dismissed. Such hearing shall not be public and either party may ask that all witnesses not be present while any other person is testifying. In addition, a transcription or electronic recording shall be made of the hearing proceedings.

The grievant may produce witnesses in his/her behalf who may be questioned. He/she may also produce any other evidence which he/she may deem favorable to his/her position.

The proper college administrative official(s) or attorney shall represent and present the institution's position as applicable, and such grievant or his/her advisor may have the right to question any witness called by the institution.

At any time during the proceedings any member of the Board of Trustees may question any witness or call for a point of order of procedure to be clarified.

The Board shall review all information submitted and render a written determination of their findings and conclusions to the grievant no more than 40 working days from the hearing. The Board of Trustees may determine that the grievance is not properly founded and if so declare. If the Board decides that the grievance has merit, the Board shall take whatever corrective action is appropriate. The findings and conclusions of the Board of Trustees shall be in writing. The decision of the Board of Trustees shall be final.

5.8.4 Administrative Guidelines

- (1) Multiple grievances filed simultaneously over a common occurrence or event may be processed in a joint action at the discretion of the Director of Human Resources.
- (2) In the interest of the prompt resolution of employee complaints, the action at each step of the grievance procedure should be taken as rapidly as possible. In the event of extenuating circumstances, an additional 10 working days may be allowed.
- (3) If the grievant skips a step or files with an outside compliance agency before completion of the College's grievance process, all college grievance processes shall be terminated.
- (4) All discussion in the grievance process shall be conducted in a civil manner.

5.9 Hiring Policy (Approved November 4, 2002)

In accordance with Section 178.860 RSMo the Board of Trustees appoint the employees of the College, define and assign their duties and fix their compensation.

Issuance of all contracts shall be approved by a majority vote of the Board of Trustees.

Hiring Procedures for Full-time Positions (Revised August 14, 2006):

5.9.1 Recruitment

Upon receipt of an approved Personnel Requisition form Human Resources will prepare a position announcement. Position

announcements must agree with the job description on file in the Office of Human Resources. If not in agreement, revision of the job description will be made before the search commences. All new positions require a written job description to be finalized by the Office of Human Resources and approved by the College President before the search begins.

Advertisements for all positions will be placed by the Office of Human Resources. Job openings will be posted for a minimum of 10 calendar days. Notice of new or vacant positions shall be made at the earliest possible opportunity to provide sufficient time to secure qualified applicants. Lists of new or replacement positions shall be communicated to all college faculty and staff as soon as the Board approves the staffing plan. (See Responsibilities of the President Policy, 1.18.)

Applicants will be responsible for submitting a complete application and related materials as specified. All application materials will be maintained and reviewed in the Office of Human Resources. No application materials will be allowed to leave the Office of Human Resources without permission of the director.

5.9.2 **Search and Screening**

a. Search Committee

A search committee will be established for full-time faculty, administrative, and professional positions. For full-time support staff positions, the department supervisor serves as the hiring supervisor. He/she may select a search committee if desired.

Responsibility for the integrity of the search process will belong with the chair of the search committee, the appropriate administrator, and the Director of Human Resources. The supervisor of the position and the appropriate administrator will be responsible to select committee members and direct them to follow procedures, document decisions, and seek technical assistance when needed. The search committee should include both genders, and when possible, one member from an underrepresented group. The supervisor will usually serve as the search committee chairperson. The committee should be composed of members who will work closely with the new hire. A member of the Human Resources staff will serve to monitor EEO/AA compliance (see the Equal Employment Opportunity and Affirmative Action Policy). The Director of Human Resources will review the list of search committee members to ensure appropriate representation. The employee being replaced, including a retiring

employee, may not serve on the search committee but may serve in an ex-officio capacity. Employees may not participate in the selection and/or hiring of an individual who is related to the employee within the fourth degree of consanguinity or affinity.

The initial screening of applicants will be done by the Office of Human Resources. Applicants not meeting the minimum requirements will not be considered for the position.

Before reviewing individual candidate's files, the appropriate supervisor, administrator, or chairperson and the search committee must determine the method of applicant evaluation. The evaluation criteria are established prior to identification of any candidates and are based on information contained in the job description, position announcement, and the assessment of criteria derived from the committee's discussion.

b. Confidentiality

In no instance should the hiring supervisor or any search committee member give information about applicants to any applicant or to any individual other than a member of the search committee. A breach of confidentiality will disqualify the member from further service on any future search committee and may result in disciplinary action.

5.9.3 Interview

A list of questions must be submitted to the Director of Human Resources before the interviews take place to ensure no inappropriate questions will be asked although follow-up questions can be appropriate. During the interview, the candidate is informed of the general duties of the position for which he/she is being interviewed.

Interviews will be scheduled by the Office of Human Resources.

The College President may also interview candidates and contact candidates' previous employers.

Applicants should be referred to the Human Resources staff for information regarding salary and benefits and the procedure for offers of employment.

After each interview, the hiring supervisor and the search committee members will complete an Applicant Appraisal form on each candidate.

5.9.4 **Recommendation and Approval**

After the search committee and hiring supervisor has interviewed all candidates, a recommendation is made to the Director of Human Resources/EEO/AA Coordinator.

The Director of Human Resources contacts references and if references are positive, the candidate will be asked to complete a pre-employment drug test. All job applicants at East Central College must successfully complete a pre-employment drug test as a condition of employment. Any applicant who refuses or who has a verified positive test will be denied employment (see the Drugs and Alcohol Policy, 5.6).

Upon satisfactory completion of the background verification, the Director will forward the recommendation to the College President. The offer of employment is contingent upon the President's and Board's approval.

In cases where the search fails to attract a sufficient pool of qualified applicants, the College administration has the authority to 1) close the search without hiring, or 2) reopen the search, or 3) place employee's compensation higher or lower than specified on scale.

If the search is closed, the Office of Human Resources will send letters to applicants informing them that the search has been closed. Applicants who were not selected to fill the position, will be notified by the Office of Human Resources. Applicant files will be retained for one year by the Office of Human Resources.

If a candidate is recommended for hire at a higher salary than specified on the salary scale, the College administration will justify the need for the salary at the time the employment recommendation is presented to the Board of Trustees.

As provided by Board Policy [1.18 (c)], the College President will make the final decision as to whether a job offer will be extended.

Hiring Procedures for Part-time, Adjunct and Temporary Positions:

5.9.5 **Staff Positions**

The hiring of part-time and/or temporary positions does not require a search committee. Department supervisors are responsible for conducting the interviews for the positions open in their area. In some instances, the Director of Human Resources will conduct the interviews, when necessary.

5.9.6 Adjunct Faculty

The division chairperson or designee is responsible for recommending the employment of adjunct faculty to the Chief Academic Officer. An Adjunct Instructor Approval Form must be completed on all new adjunct faculty and on file in the Office of Human Resources along with the appropriate application materials including application, resume, and official transcripts. The approval form must be signed by the division chairperson and approved by the Chief Academic Officer before the adjunct can be listed as the instructor of record. Adjunct faculty must meet the same qualifications as full-time faculty.

5.9.7 Employment of Relatives

An employee of the College shall not initiate, participate in or influence College decisions involving a direct benefit to family relatives including, but not limited to, matters of initial employment, promotion, compensation, leave of absence, performance evaluation, discipline and termination.

An employee of the College shall not supervise, be supervised by, coordinate the work of or have work coordinated by a relative who is also employed by the College.

Relative is defined as any individual related by blood, marriage, or legal custody and shall include, but not be limited to, spouse, child, foster child, step-child, parent, foster parent, current parent in-law, grandparent, current grandparent-in-law, grandchild, daughter-in-law, son-in-law, step-parent, brother, sister, brother-in-law, sister-in-law, niece, nephew, aunt, uncle, cousin and similar relatives of the employee's spouse and any individual living in an employee's household.

If such a request is not granted, the employee will be permitted to place a written statement of disagreement in the file and can pursue the matter further using the Grievance Process.

- (b) Employees are prohibited from reviewing any personnel files except their own, unless authorized by the Director of Human Resources. Examples of individuals who may have a legitimate need to review personnel records include the President, the Director of Human Resources or a designated assistant, and a supervisor. Any access to a personnel file will be verified and recorded in the Human Resources Office.

5.10.4 **Information Request**

Employees are to refer any personnel-related inquiry regarding applicants, employees, and past employees to the Office of Human Resources.

5.11 Employment Contracts Policy (Adopted June 1, 1992; Revised May 6, 2002)

Written employment contracts shall be executed with some college employees, such as faculty and administrative/professional employees. Those who do not have written employment contracts are considered at-will employees, including adjunct faculty.

Procedures: (Revised August 14, 2006)

5.11.1 **Written Employment Contract**

Written employment contract terms are normally used to spell out the important terms and conditions of an individual's employment. Terms and conditions will generally include:

- A. The length of time that the contract will last; and
- B. The job title and/or description of job duties; and
- C. The salary to be paid, and
- D. Any special conditions, assignment or terms associated with the position.

5.11.2 **Terms of Employment**

The employment contracts covered by this policy will generally be for the following duration(s):

- A. Contracts for full-time administrative/professional employees will be on an annual basis from July 1 through June 30.

- B. Contracts for full-time faculty generally run from August through May although in some cases the contractual period may be for a different specified period.

5.11.3 **Grant Funded Contracts**

If employment is contingent upon continued receipt of grant funds, the employment contract will state this contingency. In the event the grant should terminate at any time for whatever reason, then this contract shall terminate and each party's rights and obligations shall be excused and discharged.

5.11.4 **Full-time Faculty Contract Classifications**

Full-time faculty contracts shall be divided into three classifications. Contract classifications allow the College to fully evaluate instructional effectiveness and program sustainability.

- A. **Limited Term Contract.** A limited term contract shall be made for a specified period of time. This classification is to be used for newly hired faculty, temporary situations such as grant funded positions, for a temporary replacement for a full-time faculty member, when a trial period of time is required to determine if a new program can be continued on a permanent basis or when a program is being discontinued. The contract shall clearly state the length of the employment. A limited term contract may be renewed at the end of the term. Faculty on such contracts may accept no more than 18 overload hours per academic year.
- B. **Annual Contract.** An annual contract may be given for each of the subsequent years following a Limited Term Contract until the person is awarded a continuous contract. Each annual contract shall show a date when employment ends; reappointment is dependent upon satisfactory evaluations and appropriate recommendations. Faculty on such contracts may accept no more than 18 overload hours per academic year.
- C. **Continuous Contract.** A continuous contract shall be recommended only after the employee has been employed full-time in the same discipline(s) for a period of 5 years and shall be given upon satisfactory completion of the fifth year. All previous time worked as continual full-time faculty in one assignment, including Limited Term and Annual contracts, will be applied to the five-year period. Faculty on such contracts may accept no more than 18 overload hours per academic year.

5.11.5 Full-time Faculty Reappointment

Full-time faculty reappointment will be made on recommendation of the Chief Academic Officer and the President of the College for Board action no later than June 1.

- A. **Limited Term Contract.** If the faculty member is to be re-appointed, either a limited term or an annual contract may be used upon satisfactory evaluation and recommendation of the Chief Academic Officer and agreement of the President and Board.
- B. **Annual Contract.** Reappointment to an annual contract shall be made upon the recommendation of the Chief Academic Officer and agreement of the President and Board. The decision to reappoint shall be based upon satisfactory evaluation of the faculty member, program continuation and staffing recommendation.
- C. **Continuous Contract.** At or upon the fifth year of employment, an overall evaluation of the faculty member's instructional effectiveness will be made by the Chief Academic Officer. If the evaluation is satisfactory and the program stable; e.g. enrollment, vocational outlook, revenue projections and mission enhancement, the faculty member will be recommended for a continuous contract by the Chief Academic Officer upon agreement of the President and Board.

5.11.6 Full-time Faculty Non-Reappointment

Full-time faculty non-reappointment will be made upon the recommendation of the Chief Academic Officer and the President of the College and Board for action no later than April 15 in accordance with RSMo 168.221. Any such Board action will be communicated to the faculty member immediately thereafter.

- A. **Limited Term Contract.** Unless otherwise stated, the contract terminates at its end date.
- B. **Annual Contract.**
 - (1) If deficiencies in performance exist, the faculty member shall be notified as soon as they are evident. Corrections of the deficiencies shall be made immediately in accordance with a plan developed by the instructor, supervisor, and the Chief Academic Officer. If deficiencies continue within one semester after notification, action shall be taken for non-reappointment.

- (2) Non-reappointment for an annual contract shall be made upon the recommendation of the supervisor, the Chief Academic Officer, the President of the College and the Board of Trustees.
- (3) Affected faculty, including the division chairpersons, may submit a written appeal to the Board of Trustees. The decision of the Board will be final.

C. Continuous Contract.

A continuous contract shall be known as an indefinite contract and shall continue in effect for an indefinite period, subject only to:

- (1) Retirement;
- (2) Modification by a succeeding indefinite contract (compensation or date modifications);
- (3) Death;
- (4) Resignation;
- (5) Termination by the Board of Trustees in accordance with RSMo 168.114;
- (6) Revocation of vocational certification;
- (7) Program suspension or change in program status;

a.) Non-reappointment for a continuous contract based on changes in program status shall be made upon the recommendation of the supervisor, the Chief Academic Officer, the President of the College and the Board of Trustees.

b.) If a reduction in force is necessary involving faculty on continuous contracts, determination of faculty contract classification and duration of assignment will be as follows:

i. In an area with multiple faculty assignments, termination will be based on: 1) instructional effectiveness, 2) credentials, 3) seniority, as evidenced by the faculty evaluation process.

ii. If within the institution an opening in a related program exists in which a terminated instructor has an appropriate degree, as determined by NCA, CBHE, DESE and the Chief Academic Officer, he or she will be given first opportunity for that

position. If the instructor can achieve an appropriate degree prior to the conclusion of his/her limited term contract, the College will assist (following the College's guidelines on faculty development and tuition assistance for ongoing coursework) the faculty member in acquiring the appropriate education.

iii. If no position exists for the terminated instructor(s), the President and the Chief Academic Officer will use their contacts and influence to assist him/her in finding positions elsewhere.

c.) If program recommendations, or other conditions exist that indicate the faculty member shall not be retained, said faculty member shall be notified by April 15 and shall be given a limited term contract of one year.

(8) Deficiencies in performance;

If deficiencies in performance exist, the faculty member shall be notified as soon as they are evident. Corrections of the deficiencies shall be made immediately in accordance with a plan developed by the instructor, supervisor, and the Chief Academic Officer. If deficiencies continue within one semester after notification, action shall be taken for non-reappointment and the faculty member offered a limited term contract of one year.

(9) Financial exigency;

If contract discontinuance is the result of financial exigency the faculty positions discontinued due to financial exigency will not be filled within a two-year period by replacement(s) nor will temporary full time positions be created.

Affected faculty, including the division chairpersons, may submit a written appeal to the Board of Trustees. The decision of the Board will be final.

consider the following factors in selecting associations in which to sponsor representation and in designating employees to be sponsored for membership.

1. The nature and purpose of the association;
2. The benefit to be derived by the College's support and from employee participation;
3. The cost to the College;
4. The extent to which the College is already represented in the association;
5. The employee's job responsibilities, length of service, and overall qualifications for membership

5.28.4 Planning, Budgeting, and Expense Approval

Administrators are responsible for planning, budgeting, and approving the expenses of their employees' participation in association activities. The College will pay for or reimburse the approved and reasonable expenses of employees sponsored for membership in professional associations.

5.29 Performance Review Policy (Adopted June 1, 1992, Revised February 2, 2004)

Performance reviews will be conducted on each regular employee according to job responsibilities, employment obligations and goals. Performance reviews will be conducted on a scheduled basis by the supervisor using a fair and objective evaluation process. The purpose of this review process is to evaluate performance for consideration of job retention and performance improvement.

Procedures: (Revised August 14, 2006)

5.29.1 Performance Review Schedule

Classification	Performance Review Date	Recommendation to Board
President	December	January
Administrators	January	February
Professional Staff	February	March
Faculty	November - March	April
Support Staff	April	Not applicable

5.29.2 Procedures by Classification

A. Faculty

Full-time faculty will be evaluated by the Chief Academic Officer on 1) teaching and instructional management, including content expertise, instructional design, instructional delivery, and record-keeping and classroom management, 2) College and community service, and 3) professional growth and development.

The performance review process will include submission of a development portfolio by the faculty member to demonstrate compliance with the three areas listed above.

A detailed “Professional Evaluation and Development Portfolio” booklet is provided to each full-time faculty member outlining the evaluation process and including sample forms.

Full-time faculty will be provided an evaluation schedule annually. Full-time faculty on annual contracts will be evaluated annually. Full-time faculty on continuous contracts will be evaluated on a three-year rotation.

Adjunct faculty will be evaluated by the division chairperson during their first semester of employment and periodically thereafter.

B. Administrators and Professional Staff

The President of the College will be evaluated annually by the Board of Trustees.

Administrators and Professional Staff will be evaluated annually by the immediate supervisor on performance of position responsibilities.

If the employee receives an overall performance evaluation that indicates performance needs improvement, the employee will receive a performance improvement plan, and the employee will be re-evaluated as specified in the improvement plan. If only selected categories of the performance evaluation need improvement, the supervisor may focus the performance improvement plan on those areas.

A Performance Improvement Plan will address each specific performance issue that needs improvement, the action that must be taken to correct deficiencies and the date of the next evaluation. This plan will be attached to the evaluation form.

Non-compliance with the Performance Improvement Plan will result in further action, up to and including termination.

After the supervisor has provided the evaluation to the employee, the employee has ten calendar days to review and respond. Completed evaluations are then forwarded to the Director of Human Resources for review prior to inclusion in personnel files.

C. Support Staff

Support Staff will be evaluated annually by the immediate supervisor. Employees will be evaluated on performance of position responsibilities.

If the employee receives an overall performance evaluation that indicates performance needs improvement, the employee will receive a performance improvement plan, and the employee will be re-evaluated as specified in the improvement plan. If only selected categories of the performance evaluation need improvement, the supervisor may focus the performance improvement plan on those areas.

A Performance Improvement Plan will address each specific performance issue that needs improvement, the action that must be taken to correct deficiencies and the date of the next evaluation. This plan will be attached to the evaluation form. Non-compliance with the Performance Improvement Plan will result in further action, up to and including termination.

After the supervisor has provided the evaluation to the employee, the employee has ten calendar days to review and respond. Completed evaluations are then forwarded to the Director of Human Resources for review prior to inclusion in personnel files.

New employees will be evaluated after three months of employment. A six-month evaluation may be required at the discretion of the supervisor.

5.29.3 Evaluation Process Management

The Chief Academic Officer will be responsible for developing and monitoring the faculty evaluation process including documentation. The Director of Human Resources will be responsible for developing and monitoring the evaluation process including documentation for administrators, professional and support staff.

5.30 Hours of Work Policy (Adopted June 1, 1992, Revised June 23, 2003)

The time and duration of working hours for exempt and non-exempt employees will be established as required by workload and the efficient management of personnel resources.

Procedures:

5.30.1 Employee Work Hours

Each department's hours of operation will be determined by the supervisor and administrator. The schedule of work hours for employees will be determined by the department supervisor. Employees will be informed of their scheduled hours and of any changes to the schedule as far in advance as possible.

The normal workday for full-time exempt and non-exempt employees will consist of 8 consecutive hours of work with an unpaid meal period.

5.30.2 Attendance at Lectures, Meetings, and Training Programs

Attendance at lectures, meetings, and training programs will be considered time worked if pre-approved by the appropriate administrator.

Attendance is not considered time worked if:

- (1) The employee's attendance is voluntary, i.e. not required by the College; or
- (2) The course, lecture or meeting is not a requirement of the employee's job

5.30.3 Overtime

Non-exempt employees may be required to work overtime whenever it is deemed necessary by their administrator. Employees are not permitted to work overtime without the prior approval of their supervisor, their appropriate administrator, and the Chief Financial Officer. Overtime regulations comply with all applicable state and federal laws.

5.31 Attendance and Punctuality Policy (Adopted June 1, 1992; Revised June 23, 2003)

Employees are to report to work punctually and are to work all scheduled hours. Unauthorized or excessive absences or tardiness may result in disciplinary actions.

Procedures:

5.31.1 Punctuality

Employees are expected to report for work when scheduled, to be at their work station when appropriate and to perform their duties during all scheduled work time. Failure to properly report use of Leave is grounds for disciplinary action.

5.31.2 Notification of Absences or Tardiness

Employees should notify their supervisor as far in advance as possible if they are unable to report for work as scheduled. Such notification should include a reason for the absence or tardiness and an indication of when the employee can be expected to report for work. If the supervisor or administrator is unavailable, employees should contact the Office of Human Resources. Failure to notify the College of any absence or tardiness will normally result in loss of compensation during the absence or tardiness and may be grounds for disciplinary action.

5.31.3 Compensation During Authorized Absences

Employees may be compensated during authorized absences in accordance with the policy and procedures regarding Paid Leave.

5.31.4 Reporting Absences or Tardiness

Employees must report to their supervisor after being late or absent, and give an explanation of the circumstances surrounding their tardiness or absence. If the employee is excessively tardy or absent, the supervisor will document the occurrences and forward a copy to the Office of Human Resources.

An absence is considered to be unauthorized if the employee has not followed proper notification procedures or the absence has not been properly approved.

Generally, unauthorized absences or tardiness in excess of three times in a three-month period are grounds for disciplinary action, including termination.

5.31.5 **Voluntary Termination**

Employees who are absent from work for three consecutive days without giving proper notice to the College will be considered as having voluntarily terminated their employment with the College.

5.32 Rest and Meal Breaks Policy (Adopted June 1, 1992; Revised June 23, 2003)

Rest and meal breaks during the course of each workday will be provided for non-exempt personnel.

Procedures:

5.32.1 **Rest Breaks**

Whenever practical, employees are to receive a rest break of fifteen minutes at approximately the middle of every four hours of work not broken by a meal period.

- (a) The time for employee rest breaks will be scheduled by each supervisor with appropriate regard for the work load. Time spent on rest breaks will be compensated as working time, and employees are not required to sign out and in on their time sheets. However, employees are expected to return to their work promptly at the end of each break and will be subject to disciplinary action for tardiness.
- (b) If employees choose to remain at work during rest breaks, that rest break is forfeited. Employees may not leave before the scheduled ending time and will not receive extra pay for the time worked.

5.32.2 **Meal Breaks**

- (a) Full-time employees are allowed a meal break near the middle of the workday. The meal break will be thirty minutes.
- (b) Part-time employees scheduled to work more than five consecutive hours during any workday will receive an unpaid meal break of the same duration as full-time employees in their department.
- (c) Employees required to work more than ten hours in any workday will be allowed a second meal break no later than six hours after returning from their first meal break.

- (d) Employees will not be compensated for their meal breaks unless they are required to remain at their work stations while eating or are otherwise required to work during their breaks. Non-exempt employees must record meal breaks on time sheets.
- (e) Employees must have prior approval to extend meal breaks beyond their assigned period.
- (f) Supervisors are responsible for balancing workloads and scheduling meal breaks. Whenever necessary, the duration and time of meal periods may be changed.

5.33 Holiday Policy (Approved December 18, 1989; Revised August 7, 2000)

The College will establish a holiday schedule that combines fixed and floating holidays allowing for normal calendar variations and the academic calendar.

Procedures (Revised April 6, 2006):

5.33.1 Holiday Schedule

The holiday schedule will be developed, in light of the academic calendar, and must be approved by the College President.

The following fixed holidays will be observed by the College:

New Year's Day
Martin Luther King, Jr. Day
Spring holiday (assigned to Good Friday)
Memorial Day
Independence Day
Labor Day
Day before Thanksgiving
Thanksgiving Day
Day after Thanksgiving
Christmas Eve
Christmas Day

The weekdays which fall between Christmas Day and New Year's Day.

One floating holiday each fiscal year will also be designated by the College President.

5.33.2 **Employee's Eligibility for Holiday Pay**

Temporary employees, part-time employees, and employees on unpaid leaves of absence are not eligible to accrue paid holidays. Full-time limited employees are eligible for holiday pay if the holiday occurs during the assigned work period.

5.33.3 **Holidays Not Observed by College**

The College recognizes that some employees may wish to observe periods of worship or to commemorate certain days that are not included in the College's holiday schedule. Accordingly, employees who would like to take a day off for such reasons may be permitted to do so if the employee's absence from work will not result in an undue hardship on the conduct of the College's business and if prior approval has been obtained from the employee's supervisor. Employees may use accumulated leave on such occasions.

5.33.4 **Holiday Scheduled Work**

The College reserves the right to schedule work on a fixed or designated holiday. However, employees will be given "floating" holiday hours to be taken with the prior approval of their supervisor at another time during the fiscal year.

5.33.5 **Holiday Falling on Weekend**

The College may designate Friday or Monday as the day off.

5.34 Paid Leave Policy (Adopted June 1, 1992; Revised June 4, 2001)

Full-time employees may receive paid leave under certain circumstances.

Procedures (Revised April 6, 2006):

5.34.1 **Sick Leave**

All full-time Administrative/Professional Staff and Support Staff employees will accumulate Sick Leave monthly, at the rate of 16 days per year, or 10.67 hours per month. Faculty will accumulate Sick Leave monthly during the nine-month contract, at the rate of 16 days per year, or 14.22 hours per month, September through May.

Accumulated leave will be called Earned Sick Leave.

Earned Sick Leave may be used for reasons of personal illness or injury. In addition to using Earned Sick Leave in the event of illness, it may also be used to visit doctors, dentists, or other recognized health care practitioners. Earned Sick Leave may also be used to take care of members in the immediate family or household who are ill and need care and attention. For purposes of this policy, immediate family, as defined by the U.S. Department of Labor, includes spouse, children, step-children, foster children, parents, step-parents and foster parents. A statement from a physician verifying the necessity for absence(s) may be required.

Employees should notify their supervisor as soon as the need for Sick Leave is known.

Sick Leave may be reported in one-half hour increments.

In the event of an injury or illness that is covered by workers' compensation insurance, this Sick Leave Procedure will not apply but will defer to state statutes.

Earned Sick Leave accrues monthly on the last working day of each month, and may accumulate up to 60 working days (480 hours). Pay stubs do not necessarily reflect Leave used within the current pay period. At the time of termination of employment, any unused sick leave will be forfeited.

5.34.2 **Personal Leave**

All full-time Faculty, Administrative/Professional Staff and Support Staff employees will receive 5 days, or 40 hours, of Personal Leave per year on July 1 of each fiscal year.

Full-time Faculty, Administrative/Professional Staff and Support Staff employees hired after July 1 of each fiscal year will receive prorated Personal Leave effective the first of the month following the date of hire as follows:

July through September:	100% or 5 days/40 hours
October – December:	75% or 3.75 days/30 hours
January – March:	50% or 2.5 days/20 hours
April – June:	25% or 1.25 days/10 hours

Personal Leave is to be used at the discretion of the employee, subject to supervisory approval.

Personal Leave that is unused as of June 30th of each fiscal year will be transferred to the employees Earned Sick Leave account if the employee has not already met the maximum sick leave accrual.

Pay stubs do not necessarily reflect leave used within the current pay period. At the time of termination of employment, any unused personal leave will be forfeited.

5.34.3 **Vacation Leave**

Vacation Leave is established according to the following employee classifications.

A. **President.** The President will have vacation leave as negotiated.

B. **Administrative, Professional, and Support Staff Employees.** Full-time administrative, professional, and support staff employees on twelve-month assignments will have three weeks (15 days or 120 hours, at the rate of 10 hours per month) paid vacation annually. After five years of full-time employment with the College, the annual vacation time will be four weeks (20 days or 160 hours, at the rate of 13.33 hours per month). Maximum vacation accrual is nine weeks (45 days or 360 hours).

Accumulated Leave will be called Earned Vacation Leave. Vacation Leave cannot interfere with department's operation. Vacation Leave schedules should be approved by the supervisor two weeks in advance. The supervisor must approve specific vacation dates. Only Earned Vacation Leave may be taken. Advance Vacation Leave will not be granted. Vacation leave may be reported in one-half hour increments.

5.34.3 **Voting Leave**

East Central College employees may take up to two hours leave from work to vote in local, state, and national elections. Employees will be expected to notify the supervisor at least one week in advance.

5.34.4 **Jury Duty Leave**

Leaves of absences for jury duty or for court appearances as a witness pursuant to subpoena shall be granted with pay.

5.34.5 **Bereavement Leave**

Up to three working days of leave with pay will be granted to regular, full-time employees upon the death of a family member. Family members are: spouse, child(ren), parents or parents-in-law, grandparents or grandparents-in-law, grandchildren, brother or brother-in-law, sister or sister-in-law, step-parent or step-child, or any member of the household of the employee.

5.34.6 **Inclement Weather**

The President of the College may declare any workday an excused day, when, in the President's estimation, inclement weather and hazardous road conditions are severe enough to justify this action. Such declaration may be made before or during the workday.

Absences for all or part of an excused day will not be charged to the employee's accumulated leave.

When, in the estimation of the President of the College or designee, inclement weather and hazardous road conditions are not severe enough to declare an excused day, an absence due to weather and road conditions will be charged to the employee's personal or vacation leave.

Employees who work all or part of an excused day shall be given compensatory time.

5.35 Shared Sick Leave Program (Approved April 2, 2007)

The College will maintain a shared sick leave program for employees who become disabled due to serious illness or injury and who have exhausted all of their paid leave.

Procedures:

5.35.1 The College will maintain a shared sick leave program for employees who become disabled due to serious illness or injury and who have exhausted all of their paid leave, including sick, vacation, and personal leave days, and need limited additional leave until they are eligible for Long Term Disability benefits. Through this program, employees may voluntarily donate sick leave hours to a shared pool which may only be accessed by eligible employees.

5.35.2 Requests will be reviewed and considered by the Chief Human Resources Officer and the Chief Financial Officer. All requests will be

considered confidential. For requests to be considered, the employee must:

- a. Be eligible to accrue sick leave.
- b. Provide certification from a licensed physician that the employee is disabled due to serious illness or injury of 15 continuous days or more, or
- c. Provide certification from a licensed physician that the employee is disabled due to serious illness or injury, requiring at least one night of hospitalization and an absence of 8 continuous days or more.
- d. Have exhausted all leave (or provide credible medical evidence that he or she will have exhausted all sick, vacation, and personal leave before the medical condition is resolved).

Forms for making a request under this program can be obtained in the Office of Human Resources. Requests will be approved or disapproved within five (5) working days from receipt of the completed form and physician certification. Requests that are disapproved may be appealed, in writing, to the President of the College within five (5) working days from date of disapproval notification. The President will make a final determination within five (5) working days of receipt of the written appeal.

5.35.3 Employees may be granted extended leave under this program up to a maximum of 60 days for each occurrence, or the amount in the shared sick leave bank, whichever is less. Utilization from the shared sick leave bank ceases at the time the employee receives Long Term Disability benefits. To be considered as separate occurrences, the employee must return to full time active duty for 30 calendar days or more before another absence is eligible for consideration under this plan. While using hours from the shared sick leave bank, the employee will not be eligible to continue to accrue sick leave, vacation or personal days. However, the College will continue paid medical, dental, life, and disability insurance for the duration of the paid extension. Employees who use sick leave days from the shared sick leave bank are not required to pay them back.

5.35.4 Employees may donate from their accrued sick leave up to five (5) days in a fiscal year to the shared sick bank as long as their accrued sick leave does not fall below 240 hours. Once a donation has been made to the sick leave bank, it cannot be restored to the individual. Donations may be made during the months of September and May of each year. A shared sick leave donation form may be obtained in the Office of Human Resources. The shared sick leave bank cannot exceed a maximum of 2,000 days, and donations will be accepted only when the days

accumulated in the bank drop below 2,000 days. Days in the sick leave bank will be distributed until exhausted.

5.36 Unpaid Leave Policy (Adopted June 1, 1992; Revised June 4, 2001)

Employees are eligible for extended leaves of absence from the College under certain circumstances.

Procedures:

5.36.1 Family and Medical Leave Act (FMLA).

The College will comply with the provisions of the federal Family and Medical Leave Act (FMLA). A copy of the FMLA requirements may be obtained from Human Resources. The Office of Human Resources must be notified immediately upon request of Family Medical Leave to assure legal compliance.

Employees are eligible for Family Medical Leave if they have worked at least 1,250 hours during the prior 12 months and have been employed with the College at least one year. Employees are entitled to take up to 12 weeks of leave during a 12-month period in the event of a medical condition that prevents the employee from working, or to care for a spouse, child, or parent who suffers a serious illness. The employee is required to first use accumulated sick, personal, and/or vacation days; the balance of the leave will be unpaid up to the 12-week maximum. If the employee is using Family Medical Leave for his/her own medical needs, the College will continue to provide paid insurance benefits during the leave. Certification from a physician may be necessary. The duration of each leave of absence and the compensation received by the employee, if any, during the leave of absence shall be determined by the College in conjunction with applicable federal and state law.

5.36.2 Military Leave.

Full-time employees who are members of the U.S. Armed Forces and its reserve components will be eligible for re-employment in the same or similar position after completing military service, provided that the employee shows his/her orders to his/her supervisor as soon as s/he receives them; satisfactorily completes active duty service; enters the military service directly from employment with East Central College; and applies for and is available for re-employment within 90 days after discharge from active duty. If the employee is returning 31-180 days of active duty for training, he/she must apply within 14 days after

discharge. If active duty lasts 30 days or less, the employee must report to work at their next scheduled work shift.

Employees with one year or more of service will be protected against loss of income as a result of participation in annual encampment or training duty in the U.S. Military Reserves or the National Guard. In these circumstances, the College will pay the difference between what an employee earns from the government for military service and what the employee would have earned as normal straight-time earnings on the job. This difference will be paid for up to two weeks in a calendar year. An employee qualifying for such pay and on military leave on one of the College's paid holidays, will receive full holiday pay from the College irrespective of any military pay earned that day.

5.36.3 Public Service Leave of Absence.

Employees who desire to accept temporary employment in federal, state, or local government or with an organization devoted to higher education betterment may be granted a public service unpaid leave of absence with no paid benefits up to one year.

5.36.4 Requests for Unpaid Leave

When possible, requests for a leave of absence or any extension of a leave should be submitted to the employee's supervisor(s) sixty days prior to commencement of the leave period, or as soon as in practicable. The approval or denial process is Supervisor, Administrator, Director of Human Resources, President, and Board of Trustees.

5.36.5 Employee Failure to Return to Work.

If an employee fails to return to work for his/her next scheduled work shift after the conclusion of an approved leave of absence, the employee will be terminated from employment.

5.36.6 Reduced Work Schedule for Full-time Employees (Adopted July 30, 2001)

Full-time employees may request a reduced work schedule on a temporary basis. Reduced work schedule will be defined as completion of less than 40 hours per week. The full-time employees who request reduced leave must work a minimum of 20 hours per week.

A. Eligibility

To be eligible to request the reduced schedule, employees must be 12-month, full-time employees for a consecutive period of at least two years, based upon their date of hire. The employee must demonstrate satisfactory work performance, as reported by the supervisor, for the most recent two-year period.

Upon return from Reduced Work Schedule employees must complete a minimum of two years of continued 12-month, full-time employment with satisfactory performance, before they are eligible to request Reduced Leave again. An employee may request a Reduced Work Schedule no more than twice.

B. Approval Process

In all cases, the supervisor, vice president(s), and President of the College must approve the reduced schedule. The approval process will include an assessment of the hardship to the department and to the College. The expected workload effect and departmental conditions will also be considered, and may influence the parameters of the Reduced Work Schedule. Every request will be evaluated on a case-by-case basis. The supervisor, vice president(s), and President of the College will decide if temporary employees will be hired to assist with the workload.

C. Duration

The duration of the Reduced Work Schedule is subject to the approval of the supervisor, vice president(s), and the President of the College, but will not exceed one fiscal year.

D. Continuation of Salary and Benefits

During the period of Reduced Work Schedule, the employee will be paid only for time worked. Non-exempt employees will be paid for hours worked; exempt employees will be paid a percentage of their annual salary, based upon the percentage of schedule worked. Insurance and retirement benefits will be continued on a pro-rated basis. These benefits will include health, dental, vision, life and disability insurances. Educational Assistance may be used by qualified dependents, but may not be used by the employee who is on the Reduced Work Schedule. During the period of Reduced Work Schedule, the employee may utilize accrued leave, but additional leave will not accrue while the reduced work schedule is in effect.

5.37 Sabbatical Leave (Approved October 6, 1989; Revised August 7, 2000)
