

Congratulations to Denise Walker, specialist in ECC's Learning Center, who was honored April 16 as the Classified Staff Association Spotlight Employee for April.

Erin Anglin, director of the Learning Center, noted that Denise is a kind and compassionate staff member in The Learning Center and the greater East Central College family. "Her concern for the student's under her care knows no measure. As a Learning Center Specialist with a focus on Access Services, she must stay up-to-date on trends and changes in technology geared toward those students whom she serves. As an employee and coworker, she is well-known as a gentle soul with ample patience and courtesy. We are happy to have Denise Walker as an employee."

Shown seated is Denise Walker. Left to right, standing, are CSA Spotlight Committee members Patsy Webb, Becki Heimann, Nadine Mueller and Mary Varni.
