Adaptive Technology Lab: provides specialized software and hardware for ACCESS students.

Census Date: The designated day in an academic term, after most drops/adds have been completed, when the institution takes official enrollment counts. This is usually the end of the 4th week of classes in the fall and spring and the end of the 2nd week of classes in the summer.

Colleague: A database used to maintain and retrieve information on students, financial aid, human resources and finances.

DHE: Missouri Department of Higher Education

Glossary of Terms (continued)

Dual Credit: A secondary student enrolled in dual credit (high school and college credit earned for the same course) coursework at their high school campus. The dual credit program is open to high school juniors and seniors with appropriate test scores and/or coursework. Courses are taught by high school faculty who meet the standard educational requirements for college faculty. Standard tuition and fees are charged at the time of enrollment, and students are entitled to all College privileges and services but are not eligible for financial aid.

Dual Enrollment: A secondary student who has not completed a high school diploma, a GED certificate or a home school certificate who is enrolled in credit classes, not including dual credit. Such students are not eligible for financial aid.

Graduation rate: Based on the fall cohort of full-time, first-time degree/certificate seeking students who complete their program within 150% of normal time to completion (example: full-time, first-time degree/certificate seeking students in the fall of 2001 who have completed their program by August 31, 2004 are included in the 2004 graduation rate).

IPEDS (Integrated Postsecondary Education Data System): the core postsecondary education data collection program for the National Center for Education Statistics (NCES). The system is comprised of survey components designed to collect data from all primary providers of postsecondary education.
