East Central College is an NJCAA member with athletic funding coming through student fees. These fees are used for athletic scholarships, game day expenses, coaching and athletic department staff salaries. In practice to stay compliant with Title IX, the athletic department has maintained an equitable balance in funding and participation opportunities of the underrepresented sex. Our college board investigated the cost of adding additional sports such as men's baseball, which would constitute adding another women's team in the future to remain compliant with Title IX. The board voted 4-2 to stay with the current sport offerings in March 2016 and not add more sports to the athletic department.
