BOARD OF TRUSTEES MEETING**

Thursday, July 18, 2019

CALL TO ORDER: The regular meeting of the Board of Trustees was called to order at 5:28 p.m. by Board President Ann Hartley. Other Board members present for all or parts of the meeting were Joseph Stroetker, Prudence Johnson, Cookie Hays and Audrey Freitag. Also present were President of the College Jon Bauer; Administrators - Interim Vice President of Academic Affairs Robyn Walter, Vice President of External Relations Joel Doepker, and Vice President of Student Affairs Heath Martin; Other Staff – Executive Director of Institutional Effectiveness Michelle Smith, Human Resources Director Wendy Hartmann, Human Resources Specialist Diane Burnett, Campus Police Officer Tommie Lowe, NEA President Tom Fitts, Professional Staff President Jenny Kuchem, Director of Admissions JC Crane, and Executive Assistant to the President Bonnie Gardner.

RECOGNITION OF GUESTS: Vice President Doepker introduced Amanda Postma from the *Missourian*.

PUBLIC COMMENT: There were no public comments.

APPROVAL OF AGENDA: Each item on the consent agenda shall be deemed to have been duly approved with the same validity as if each action were separately moved, seconded and adopted.

Motion: To **approve** the agenda for the July 18, 2019 meeting of the Board of Trustees.

Motion by Joseph Stroetker; Seconded by Prudence Johnson; Carried Unanimously

***APPROVAL OF MINUTES:** The Board approved the minutes of the June 10, 2019 regular meeting of the Board of Trustees and the June 25, 2019 Board Workshop.

ACCEPTANCE OF BIDS: Dr. Bauer noted that having a periodic review of financial aid processes is good business practice and recommended approval of the consultant contract. He further stated that the greenhouse will be a nice complement to the Culinary Arts program and will be funded through state vocational enhancement monies and a rural development grant from the U.S.D.A.

Motion: To **approve** Evans Consulting to provide a review of Title IV programs and assist in preparation for a potential future review by the United States Department of Education at a cost of \$17,800.

Motion by Cookie Hays; seconded by Prudence Johnson; Carried Unanimously

Motion: To **approve** the construction of a greenhouse for the Culinary Arts program by Jasper Builders of Union, Missouri at a cost of \$124,950 to be funded with monies from the Department of Elementary and Secondary Education Vocational Enhancement Grant and the USDA Rural Development Grant program.

Motion by Prudence Johnson; seconded by Joseph Stroetker; Carried Unanimously

COLLECTIVE BARGAINING AGREEMENT: Dr. Bauer noted that the agreement is the result of several months of collaboration between the NEA team and the administrative team. It was ratified by the NEA faculty members with 95% support. The agreement does not call for a salary increase, but it was agreed that if fall census enrollment shows an increase, the group will reconvene to determine if a raise would be feasible. This would also apply to staff. The agreement is not drastically different from last year and includes the establishment of work groups to tackle a few issues that still need work. There is interest in moving to a multi-year agreement in the future when feasible.

Motion: To **approve** the negotiated Collective Bargaining Agreement with the ECC-NEA regarding salary, benefits and working conditions for the 2019-2020 fiscal year.

Motion by Prudence Johnson; Seconded by Cookie Hays; Carried Unanimously

BOARD POLICY REVISIONS: Dr. Bauer requested the Board waive the second reading for the policies presented. These changes will ensure the policies are in sync with financial aid policies and practices. In addition, they will provide for intervention with students on probation and suspension by providing more focused advising and counseling.

Motion: To **waive** the second reading and **approve** the attached revisions to Board Policy 3.11 Academic Standards of Progress, and Board Policy and Procedures 3.12 Academic Probation and Suspension as recommended by the Shared Governance Council.

Motion by Cookie Hays; Seconded by Joseph Stroetker; Carried Unanimously

RE: Early Alert with Predictive Analytics Software

It is my recommendation that the Board of Trustees accepts and approves the bid from **Aviso Retention** for early alert with predictive analytics software. The product includes a course completion and student persistence algorithm that considers hundreds of risk and success factors to most accurately define which students need intervention (or congratulatory recognition) to most efficiently guide advisor and staff member proactive engagements with the students that need it the most. Aviso allows for faculty and staff initiated alerts and students can receive notice of such alerts via email or text message. Technology fees will be used to fund the project.

1.29 Board Member Conflict of Interest Policy *(Adopted 11-12-2007; Reaffirmed 8-28-2017)*

All trustees of the College shall adhere to the laws regarding conflict of interest and take steps to avoid situations where their decisions or actions in their capacity as Board members conflict with the mission of the College.

As used in this policy, "businesses owned by Board members" includes sole proprietorships, partnerships, joint ventures or corporations where the Board member is the sole proprietor, a partner having more than a ten (10) percent partnership interest, or a co-participant or owner of more than ten (10) percent of the outstanding shares of any class of stock.

1.29.1 Sale, Rental, Lease or Provision of Personal Property

Board members or businesses they own shall not sell, rent, lease or provide personal property to the district.

1.29.2 Sale, Rental or Lease of Real Property (Real Estate)

Board members and businesses they own may sell, rent or lease real estate to the College. Public notice of the transaction must be given prior to execution if the payment to the Board member or business exceeds \$500 per transaction or \$5,000 per year.

1.29.3 Employment

The College shall not employ Board members for compensation even on a part-time basis. While a Board member remains on the Board of Trustees, the College will not accept an application of employment from a Board member, consider a Board member for employment or decide to employ a Board member. Board members may provide services on a volunteer basis.

1.29.4 Independent Contractor

Board members may provide services to the College as independent contractors through businesses they own. If payment for the service exceeds \$500 per transaction or \$5,000 per year, the College must give public notice and competitively bid the service, and the bid or offer of the Board member's business must be the lowest received. Businesses owned by Board members may provide services on a volunteer basis.

1.29.5 Businesses That Employ Board Members

Board members may participate in discussions and vote on motions for the College to do business with entities that employ the Board member as long as the business is not owned by the Board member and the Board member will not receive any financial benefit from the transaction. The Board member may need to submit a statement of interest as described below.

1.29.6 Statement of Interest

If a Board member has a substantial personal or private interest in a decision before the Board, before voting the Board member shall provide a written report of the nature of the interest to the Board secretary. The written statement will be recorded in the minutes. A Board member will have complied with this requirement if the Board member has disclosed the interest in a personal financial disclosure statement that was filed or amended prior to the vote.

A "substantial interest" exists when the Board member, his or her spouse or dependent children, either singularly or collectively, directly or indirectly:

1. Own(s) ten (10) percent or more of any business entity; or
2. Own(s) an interest having a value of \$10,000 or more in any business entity; or
3. Receive(s) a salary, gratuity or other compensation or remuneration of \$5,000 or more from any individual, partnership, organization or association within any calendar year.

1.29.7 Self-Dealing

A Board member shall not favorably act on any matter that is specifically designed to provide a special monetary benefit to the Board member, his or her spouse or dependent children.

A "special monetary benefit" means being materially affected in a substantially different manner or degree than the manner or degree in which the public in general will be affected or, if the matter affects only a special class of persons, then affected in a substantially different manner or degree than the manner or degree in which such class will be affected.

A Board member will not directly or indirectly influence or vote on a decision when the Board member knows the result of the decision may be the acceptance by the College of a service or the sale, rental or lease of property to the College and the Board member, his or her spouse, dependent children in his or her custody or any business with which he or she is associated will benefit financially.

"Business with which a person is associated" means:

1. A sole proprietorship owned by the Board member, his or her spouse or any dependent children in the person's custody.
2. A partnership or joint venture in which the Board member or spouse is a partner, other than as a limited partner of a limited partnership, and any corporation or limited partnership in which the Board member is an officer or director or of which the Board member, spouse or dependent children in the Board member's custody, whether singularly or collectively, own more

than ten (10) percent of the outstanding shares of any class of stock or partnership units.

3. Any trust in which the Board member is the settlor or trustee, or in which the Board member, spouse or dependent children, singularly or collectively, are beneficiaries or holders of a reversionary interest of ten (10) percent or more of the corpus of the trust.

1.29.8 Use of Confidential Information

A Board member shall not use confidential information obtained in the course of his or her official capacity in any manner with the intent to result in financial gain for himself or herself, any other person or any business.

1.29.9 Nepotism

A Board member shall not vote to employ or appoint any person who is related within the fourth degree to such Board member by consanguinity or affinity. In the event that an individual is recommended for employment or appointment and the individual is related within the fourth degree to a Board member, the related Board member shall abstain from voting and shall leave the room during consideration of the question and the vote.

"Fourth degree of consanguinity or affinity" means parents, grandparents, great-grandparents, great-great-grandparents, spouse, children, siblings, grandchildren, great-grandchildren, great-great-grandchildren, nieces or nephews, grand-nieces or grand-nephews, aunts or uncles, great-aunts or great-uncles, and first cousins by virtue of a blood relationship or marriage.

1.30 Personal Financial Disclosure Statements Policy *(Adopted 11-12-2007; Reaffirmed 8-28-17)*

The Board of Trustees hereby adopts a policy establishing and making public its own method of disclosing financial interests of Board members, candidates and specified administrators, in accordance with law. Personal financial disclosure statements as described below shall be filed with the Missouri Ethics Commission and the East Central College Board of Trustees, on or before May 1 for the preceding calendar year, unless the person filing is a Board candidate. Candidates who are required to file reports (i.e., those who have engaged in reportable transactions in the previous calendar year) must file their reports within 14 days after the last day to file for office. The reports will be made available for public inspection and copying during normal business hours.

This portion of the policy dealing with the financial interest statement will be adopted in an open meeting every other year by September 15. A certified copy of this policy/resolution shall be sent to the Missouri Ethics Commission within ten (10) days of adoption.

1.30.1 Board Member Disclosure

All trustees and candidates for trustee will disclose in writing the following transactions if they occurred during the calendar year:

1. Each transaction in excess of \$500 per year between the College and the individual, or any person related within the first degree by consanguinity or affinity to the individual. The statement does not need to include compensation received as an employee or payment of any tax, fee or penalty due the College. The statement shall include the dates and identities of the parties in the transaction.

"First degree of consanguinity or affinity" includes parents, spouse or children by virtue of a blood relationship or marriage.

2. Each transaction in excess of \$500 between the College and any business entity in which the individual has a substantial interest. The statement does not need to include any payment of tax, fee or penalty due the district or payment for providing utility service to the College. The statement shall include the dates and identities of the parties in the transactions.

"Substantial interest" is ownership by the individual, his or her spouse or dependent children, either singularly or collectively, directly or indirectly, of ten (10) percent or more of any business entity, or of an interest having a value of \$10,000 or more, or the receipt of a salary, gratuity or other compensation of \$5,000 or more from any individual, partnership, organization or association within any calendar year.

1.30.2 College President and Chief Purchasing Officer Disclosure
