## PROGRAM

The Practical Nursing program is offered at the ECC Rolla Main campus located at the Rolla Technical Center and in Washington at Four Rivers Career Center. The 11-month certificate program prepares students to practice as licensed practical nurses under the direction of the Professional Registered Nurse and/or a Licensed Physician. Practical nursing is designed to assist students to acquire the attitudes, skills, and knowledge essential to the role for the competent practical nurse. Upon successful completion of this program, graduates receive a certificate of achievement and are qualified to apply to sit for the national licensure examination (NCLEX – PN). The program combines theory and clinical education to prepare students to work in a variety of healthcare arenas.

## EMPLOYMENT & SALARY OPPORTUNITIES

The licensed practical and licensed vocational nurses (LPNs and LVNs) profession is experiencing faster than average job growth. Employment for LPN's is projected to grow 9 percent from 2019 to 2029, according to the Bureau of Labor Statistics. The median salary for an LPN is \$62,340 per year.

LPN's find opportunities in several areas:

- Hospitals
- Long-term care settings
- Out-patient surgery centers
- Rehabilitation centers
- Community health, industrial or school nursing
- Clinics and physician offices

## CAREER

The Licensed Practical Nurse is a vital member of the healthcare team. LPN's practice under the direction of the Professional Registered Nurse and/or a Licensed Physician. They have a unique scope of practice yet work collaboratively with all members of the healthcare team to promote health, prevent disease, and help patients and families cope with illness. The LPN operates medical equipment, administers a variety of treatments and medications, and assists with patient follow-up/rehabilitation. In addition, these healthcare professionals educate people on a variety of health issues, follow developed plans of care, and serve as advocates for patients, families, and communities.

## ADMISSION REQUIREMENTS

To enter the program, students must have completed:

- **High school diploma or the equivalent**  
(documentation must be sent to the registration office)
- **Application for admission to ECC**
- **A placement test as specified by the college**  
(some coursework requires minimum placement results)
