

# UNDERSTANDING COCURRICULAR ASSESSMENT

East Central College's cocurricular activities are structured learning activities that complement and augment formal curriculum, and include non-credit and credit-bearing experiences. **We assess activities, not programs.** Cocurricular opportunities can be embedded within existing academic programs or be adjacent to academic and extra-curricular programs. Cocurriculum at East Central College aims to be experiential, transformative, and accessible, while being collaboratively interwoven with the college's academic, cultural, and extra-curricular opportunities.

At ECC, our cocurricular activities:

Fulfill ECC's institutional student learning outcomes.

are tied to ECC's strategic plan.
