

Emergency Medical Technician

Guided Pathway to Success

Certificate of Specialization

East Central College offers a Certificate of Specialization in Emergency Medical Technician (EMT). Students in the program receive instruction in the recognition, treatment, and transport of patients with medical emergencies and trauma. Courses combine classroom and laboratory activities with clinical experiences in acute care and pre-hospital settings. This provides the student with the opportunity to learn skills and techniques to be applied in the actual work setting.

This coursework leads to licensure as an Emergency Medical Technician-Basic in the state of Missouri.

Prerequisites/General Education: Students must have a "C" or better in prerequisite/co-requisite coursework and a cumulative college GPA of 2.0.

Extra-Curricular/Cocurricular Opportunities at ECC: ECC offers a wide variety of clubs and cocurricular activities for all students.
