Student Success & Engagement | formerly Aviso Retention

Watermark is the early alert software East Central College uses to connect students with the resources they need and to give students their best chance at success. Scan the QR code to see tutorials on how to use the basic functions of Watermark Student Success & Engagement.

Logging In

Watch a quick video on how to access Watermark and your class rosters within it

Creating an Alert

This video highlights the alert process and the reasons to make one.

Notes and Messages

Watch to see where to look for saved notes and messages, and how to save them yourself.
