Dear Student,

Congratulations on your choice to pursue further education leading to a career in the medical field. We, at the Auxiliary, strive to lend a helping hand to our future medical professionals. To do that, we offer this scholarship to students who are pursuing their dreams through medical endeavors.

This is just to remind you that the scholarship application is not complete and cannot be considered unless the following is done in good form:

Application is complete with the following:

- ☐ *Application form*
- ☐ *2 Letters of recommendation*
- ☐ *Transcript of grades*
- ☐ *Written Essay*
- ☐ *Response to Questions*

Use this list to determine if you have provided everything we request. We will be unable to proceed with your application if any of the important requested information is missing. All of the above must be submitted for your application to be considered in good form and reviewed.

After review of these documents, an interview is usually a required part of the selection process for the committee's top choices.
