

## **Cindy Brinker**

Exec. Admin. Asst. External Relations

Nomination comment:

**Cindy Brinker**-Cindy is a professional, hard-working and conscientious employee who handles several important projects every day for the College. Not only does she coordinate the federal Perkins funding grant and the state of MO Vocational Enhancement grants, she also provides and uploads content for the ECC Facebook page and coordinates and directs the annual Senior Health Fair. She handles all her duties with multiple departments with a positive attitude. Also concerned with her fellow employee health and contributes her time by service on the wellness committee. ECC is fortunate to have an employee like Cindy. \*Cindy has been a tremendous support as she ensured we had all the resources necessary to conduct our work. She displays an enthusiastic and committed attitude.

Joel Doepker

I have nothing but nice words to say about Cindy. Lucky enough to have her working with me. I don't know if everyone knows what Cindy takes care of and what she oversees. Vocational Enhancement grants, she takes care of the ECC social media facebook page. She helps me with my calendar, financials and more. She is a multi-tasked type of person. The college is fortunate to have her. This is a well deserved award.

Richard Hudanick

Division Chair, Business and Industry

I appreciate all the hard work she does with the divisions its not an easy job to do. Thank you.

Cindy Brinker

Thank you. I did not expect to receive any award. I just do what I do because I like what I do. I like helping people. I appreciate it.
