

October Spotlight Award

Christy Garthoeffner
Mail Clerk/Duplicator

“Christy is always on time for work. She knows her job very well and is the first to volunteer for anything. Don’t be surprised if you are driving home and you see her pulled over on the side of the road giving food to a homeless person. Her heart is as big as they come. If you are having a bad day and you run in to Christy she will put a smile on your face and make you laugh a little. She has earned her Associates, Bachelors and Masters while being an employee at East Central. “
