Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

Your employer group or plan sponsor has chosen a UnitedHealthcare® Group Medicare Advantage plan. The word “Group” means this is a plan designed just for an employer group or plan sponsor, like yours. Only eligible retirees of your employer group or plan sponsor can enroll in this plan.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

There are multiple coverage options

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with your local Social Security office. To find an office where you live, visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, between 7 a.m. – 7 p.m. local time, Monday – Friday.
- You must continue paying your Medicare Part B premium to keep your coverage under this group-sponsored plan. If you stop your payments, you may be disenrolled from this plan.

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

One plan at a time

- You may be enrolled in only one Medicare Advantage plan and one Medicare Part D prescription drug plan at a time. The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.
- If you enroll in another Medicare Advantage plan or a stand-alone Medicare Part D prescription drug plan after your enrollment in this group-sponsored plan, you will be disenrolled from these/this plan(s).
- Any eligible family members may also be disenrolled from their group-sponsored coverage. This means that you and your family may not have hospital/medical or drug coverage through your plan sponsor or employer group.

Remember: If you drop or are disenrolled from your group-sponsored retiree health coverage, you may not be able to re-enroll. Limitations and restrictions vary by employer group or plan sponsor.

How your medical coverage works

Your plan is a Preferred Provider Organization (PPO) plan. This type of plan generally provides more flexibility to let you choose your doctors and hospitals. You are typically not required to have a referral to see a specialist, and you can see doctors outside the network without having to pay the entire cost yourself.

	In-Network	Out-Of-Network
Can I continue to see my doctor/specialist?	Yes	Yes, as long as they participate in Medicare and accept the plan. ¹
What is my copay or coinsurance?	Copays and coinsurance vary by service. ²	You may pay a larger share of the cost for services. ²
Do I need to choose a primary care provider (PCP)?	No, but recommended.	No
Do I need a referral to see a specialist?	No	No
Can I go to any hospital?	Yes	Yes, as long as they participate in Medicare and accept the plan. ¹
Are emergency and urgently needed services covered?	Yes	Yes
Do I have to pay the full cost for all doctor or hospital services?	You will pay your standard copay or coinsurance for the services you get. ²	You will pay your standard copay or coinsurance for the services you get (though the amount may be higher). ²
Is there a limit on how much I spend on medical services each year?	Yes	Yes
Are there any situations when a doctor will balance bill me?	Under this plan you are protected from any balance billing when seeing physicians or health care providers who have not opted out of Medicare.	

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

Here are answers to common questions

What pharmacies can I use?

You can choose from over 68,000 pharmacies across the United States, including national chain, regional and independent local retail pharmacies.

What is a drug cost tier?

Drugs are divided into different cost tiers. In general, the higher the tier, the higher the cost of the drug.

What will I pay for my prescription drugs?

What you pay will depend on the coverage your employer group or plan sponsor has arranged and on what drug cost tier your prescription belongs to. Your cost may also change during the year based on the total cost of the prescriptions you have filled.¹

Can I have more than one prescription drug plan?

No. You can only have one Medicare plan that includes drug coverage at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this plan.

Prescription drug coverage plan basics

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The late enrollment penalty is an amount added to your monthly Medicare premium and billed to you separately by UnitedHealthcare.

When you become a member, your employer group or plan sponsor will be asked to confirm that you have had continuous Medicare Part D coverage. If your employer group or plan sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty. Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Welcome Packet will include details on how to access your EOC.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Getting the health care coverage you may need

Your care begins with your doctor

With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network. However, you may pay a larger share of the cost when you see a non-network health care provider. With your UnitedHealthcare® Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life.

Finding a doctor is easy

If you need help finding a doctor or a specialist, just give us a call. We can even help schedule that first appointment.

Why use a UnitedHealthcare network doctor?

If you need to find a new doctor or specialist, consider a doctor in our network. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions.

Filling your prescriptions is convenient

UnitedHealthcare has over 68,000 national, regional, local chains and independent neighborhood pharmacies in its network.¹

Ways to save on your prescription drugs

You may save on the medications you take regularly

If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications through OptumRx® Home Delivery. You'll get automatic refill reminders and access to licensed pharmacists if you have a question.

Get a 3-month¹ supply at retail pharmacies

In addition to OptumRx® Home Delivery, most retail pharmacies offer 3-month supplies for some prescription drugs.

Check your UnitedHealthcare Pharmacy directory to see if a retail pharmacy offers 3-month supplies noted with a  symbol. An online pharmacy directory is available at:

www.UHCRetiree.com

To request a printed directory, call Customer Service toll-free at:

1-877-714-0178, TTY 711, 8 a.m. - 8 p.m. local time, 7 days a week

Ask your doctor about trial supplies

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.

Explore lower cost options

Each covered drug in your drug list is assigned to a tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.

Have an annual medication review

Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

¹Your employer group or plan sponsor may provide coverage beyond 3 months. Please refer to the Benefit Highlights or Summary of Benefits for more information.

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

Summary of Benefits

January 1, 2019 - December 31, 2019

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.UHCRetiree.com or you can call Customer Service for help. When you enroll in the plan you will get information that tells you where you can go online to view your Evidence of Coverage.

About this plan.

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed inside the cover, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Use network providers and pharmacies.

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network. When looking at the following charts you'll see the cost differences for in-network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at an in-network pharmacy.

You can go to www.UHCRetiree.com to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

Prescription Drugs

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. Once you are enrolled in this plan, you will receive a separate document called the “Certificate of Coverage” with more information about this supplemental drug coverage.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

Drug List

Drug List

This is a partial alphabetical list of prescription drugs covered by the plan as of September 1, 2018. This list can change throughout the year. Call us or go online for the most complete, up-to-date information. Our phone number and website are listed on the back cover of this book.

- Brand name** drugs are in **bold** type. Generic drugs are in plain type
- Covered drugs are placed in tiers. Each tier has a different cost
 - Tier 1: Preferred generic
 - Tier 2: Generic
 - Tier 3: Preferred brand
 - Tier 4: Non-preferred drug
 - Tier 5: Specialty tier
- Each tier has a copay or coinsurance amount
- See the Summary of Benefits in this book to find out what you'll pay for these drugs
- Some drugs have coverage requirements, such as Prior Authorization or Step Therapy

PA Prior authorization	The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.
QL Quantity limits	The plan only covers a certain amount of this drug for 1 copay. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.
ST Step therapy	You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.
B/D Medicare Part B or Part D	Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.
HRM High-risk medication	This drug is known as a high-risk medication (HRM) for Medicare members 65 and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.

T1 = Tier 1 T2 = Tier 2 T3 = Tier 3 T4 = Tier 4 T5 = Tier 5
 Y0066_180627_035701

LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.
MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-Day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by having the pharmacy contact the plan.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1 month supply per prescription.

Statements of Understanding

By enrolling in this plan, I agree to the following:

This is a Medicare Advantage plan and has a contract with the federal government. This is not a Medicare Supplement plan.

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party.

This plan covers a specific service area. If I plan to move out of the area, I will call my plan sponsor or this plan to disenroll and get help finding a new plan in my area.

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

I can only have one Medicare Advantage or Prescription Drug plan at a time.

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan. If I disenroll from this plan, I will be automatically transferred to Original Medicare. If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I have prescription drug coverage or if I get prescription drug coverage from somewhere other than this plan, I will inform UnitedHealthcare.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

If I do not have prescription drug coverage, I may have to pay a late enrollment penalty.

This would apply if I did not sign up for and maintain creditable prescription drug coverage when I first became eligible for Medicare. If I get a late enrollment penalty, I will get a letter making me aware of the penalty and what the next steps are.

I will get a Plan Details book that includes information on how to get an Evidence of Coverage (EOC).

- The EOC will have more information about services covered by this plan. If a service is not listed, it will not be paid for by Medicare or this plan without authorization.
- I have the right to appeal plan decisions about payment or services if I do not agree.

My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

For members of the UnitedHealthcare® Group Medicare Advantage (HMO) plan only.

Starting on the date my coverage begins, I must get all of my health care from UnitedHealthcare Group Medicare Advantage (HMO). The only exceptions are emergency or urgently needed services, or out-of-area dialysis services.
