THE CAREER

Merriam-Webster defines social science as a discipline that "deals with the institutions and functioning of human society and with the interpersonal relationships of individuals as members of society." Career options in this field are wide and varied. They include archeology, demography, anthropology, social psychology, economics, international trade, foreign service, sociology, political science, criminology and law. ECC students who complete their associate degree in social science are prepared to enter an undergraduate major leading to training in these areas.

EMPLOYMENT OPPORTUNITIES

More specifically, social science positions include:

- ✓ Actuary
- ✓ Archeologist
- ✓ Bank Examiner
- ✓ Campaign Manager
- ✓ Cultural Anthropologist
- ✓ Cultural or Natural Resources Manager
- ✓ Demographic Analyst
- ✓ Financial Consultant, Analyst or Planner
- ✓ Foreign Service Officer
- ✓ Geographer
- ✓ Human Resources Professional
- ✓ Industrial Consultant
- ✓ International Research Specialist
- ✓ Labor Relations Specialist
- ✓ Local, State or National Politician
- ✓ Political Journalist, Researcher or Analyst
- ✓ Social Psychologist or Social Worker
- ✓ Social Science Educator
- ✓ Sociologist
- ✓ Statistician

THE PROGRAM

Students at East Central College who express an interest in a social science profession have several course options and electives available. Assuming appropriate placement scores, it is a two-year transfer degree, with flexibility to customize the program to the student's chosen career.

Social science consists of the 42-credit hour general education core plus the necessary electives in psychology, sociology, cultural ethnics and anthropology. The academic program's strong humanities emphasis readies ECC graduates to complete a bachelor's degree in sociology, political science, geography, economics or other social science. In addition, the college provides various student activities, organizations and practicum experiences related to the discipline.

GENERAL EDUCATION REQUIREMENTS

East Central College requires each transfer student complete a 42 hour general education block. General education at ECC is organized around the institution's common learning objectives and coursework. A student is required to demonstrate skills in each of the following three areas:

- **Communicating (COM):** Improve written and oral communication skills; adapt and apply communication to academic and professional purposes, audiences and contexts; demonstrate the use of technology to analyze and communicate information; and use active listening and reading skills.
- **Creative/Critical Thinking (CTT):** Improve the application of relevant knowledge and theory to new ideas, positions or solutions; assess and analyze concepts and data; formulate meaningful questions; and interpret and evaluate evidence and arguments.
- **Ethics and Social Responsibility (ESR):** Develop cross cultural awareness and an understanding of global interconnectedness; apply multiple worldviews, analyze ethical choices and consequences; and understand the core values and accountability of citizenship in a democratic society.

PROFESSIONAL TRAITS

Those pursuing a career in this field should:

- ✓ Be objective, open-minded and sensitive to different cultures and social groups
- ✓ Demonstrate solid verbal, interpersonal and written communication skills
- ✓ Have intellectual creativity and curiosity
- ✓ Be efficient and thorough in their work
- ✓ Have strong analytical skills

ADMISSIONS REQUIREMENTS

Students must have completed:

- ✓ High school diploma or the equivalent (documentation must be sent to the registration office)
- ✓ Application for admission
- ✓ A placement test as specified by the college (some coursework requires minimum placement results)

TRANSFER OPTIONS

Many of the credits, particularly the general education electives earned with this degree, are accepted as transfer credits by four-year colleges and/or universities. Please note that transferring credit is decided by the bachelor degree-granting institution. Students seeking to transfer should communicate often with their faculty advisors and the East Central College transfer advisor. They should also make early contact with the four-year institution of their choice regarding the transferability of ECC credits and coursework.
