1.9 Trustee Qualifications Policy *(Adopted 11-12-2007)*

Members of the Board of Trustees shall be citizens of the United States and at least twenty-one years of age. They shall also have been voters of their respective sub-district for at least one whole year preceding their election or appointment.

1.10 Trustee Elections Policy *(Adopted 11-12-2007)*

The qualified voters of the Junior College District of East Central shall elect two (2) trustees for terms of six (6) years each on municipal election day in April of each even-numbered year. Unexpired vacant terms will be filled in accordance with law.

1.10.1 Candidate Filing

Before the sixteenth Tuesday preceding the election, the Board shall publish in at least one (1) newspaper of general circulation in the district the opening filing date, the offices to be filled, the place for filing, the closing date for filing and a statement that candidates filing on the first day of filing will be listed on the ballot in random order.

Qualified applicants for the Board may file a declaration of candidacy during business hours in the President's office commencing at 8:00 a.m. on the sixteenth Tuesday prior to the election and ending at 5:00 p.m. on the eleventh Tuesday prior to the election. The candidate shall declare his or her intent to become a candidate in person and in writing to the Recording Secretary of the Board of Trustees or designee.

The names of qualified candidates shall be placed on the ballot in order of filing, except that for candidates who file a declaration of candidacy prior to 4:30 p.m. on the first day of filing, the College shall determine by random drawing the order in which such candidates' names shall appear on the ballot. Each candidate filing on the first day shall draw a number at random at the time of filing. The College shall record the number drawn with the

candidate's declaration of candidacy. The names of candidates filing on the first day of filing shall be listed in ascending order of the numbers so drawn and ahead of the names of candidates filing on a later date.

The notice of election and certification of candidates must be submitted to the various election authorities by the tenth Tuesday prior to the election in the manner provided by law. After the tenth Tuesday prior to the election, the candidate list may only be modified pursuant to court order, in accordance with law.

Prior to the College's certification of candidates to the election authorities, a candidate may withdraw from the election by presenting to the College a notarized written statement of his or her intention to withdraw. After the deadline for certification of candidates to the election authority, a candidate may only withdraw pursuant to court order, in accordance with law.

The College will provide each candidate a copy of the Notice of Candidate's Obligation to File Financial Interest Statement and a plain language summary of the applicable laws provided by the Missouri Ethics Commission as required by law. Candidates must comply with laws concerning eligibility, campaign financing and campaign disclosures.

1.10.2 No Election Held

No election will be held if, after the last date of candidate filing, the number of candidates who have filed is equal to the number of positions to be filled by the election. However, if the number of candidates filing exceeds the number of positions, the election will be held even if a sufficient number of candidates withdraw so that the remaining candidates are equal to the number of positions to be filled.

1.10.3 Certification of Results Policy

Within seven business days after receipt of the official election returns from the election authorities, at least a majority of the then-qualified members of the Board of Trustees will tabulate the results so received and declare and certify the candidate or candidates receiving the greatest number of votes and the result of balloting upon any question. Said certification will be duly noted in the official minutes of the Board meeting.

A. All Meetings

In addition to the criteria listed below, notice of all Board meetings (regular, special and closed) shall be given at least 24 hours in advance of the meeting, exclusive of weekends and holidays when the College is closed, unless for good cause such notice is impossible or impractical, in which case as much notice is reasonably possible shall be given. The nature of the good cause must be stated in the minutes.

The notice shall be posted on a bulletin board or other easily accessible public place clearly designated for that purpose in the Administration Building.

All interested news media organizations will be notified of all meetings of the Board of Trustees.

B. Open Meetings

The Board may hold a meeting with all or a majority of the trustees participating by telephone. Such telephone meetings shall be open to the public. Trustees may cast votes other than roll call votes at a telephone meeting. However, issues that require a roll call vote, including issues to be discussed and decided in closed session, may not be voted on at a telephone meeting. The College President will arrange for the meeting to take place in a location with the appropriate equipment so that Board members participating in the meeting by telephone may interact and the public may observe or hear the comments made. The College President will take measures to verify the identity of any remotely located participants.

1.17 Special Meetings Policy *(Revised 11-12-2007)*

Special meetings may be called (1) at any time by the Board President, and (2) also may be called by the Secretary upon written request of a majority of the members of the Board of Trustees. Written notice of the special meeting, including the starting time and place of the meeting and the business to be conducted, will be given to each member and to the public at least 24 hours (exclusive of weekends and holidays) prior to the commencement of the meeting. The only exception to this is when, for good cause, such advance notice is impossible or impractical, in which case as much notice as is reasonably possible shall be given. No business will be transacted at special meetings other than that stated in the notice.

1.18 Quorum Policy *(Revised 11-12-2007)*

The reason for holding the closed meeting, with reference to the specific statutory exemption relied upon for closure and the roll call vote of each member on the question of holding a closed meeting, shall be announced publicly at an open session and entered into the minutes. Only business directly related to the specific exemptions may be discussed or voted upon at a closed meeting.

1.19.2 Objection

In the event a motion is made to close a meeting, record or vote and a Board member believes that the motion would violate the Missouri Sunshine Law if passed, the Board member may state his or her objection to the motion before or at the time the vote is taken. The Recording Secretary will enter the objection in the minutes. Once the objection has been made, the Board member shall be allowed to fully participate in the meeting, record or vote even if it is closed over the member's objection. If the Board member voted against the motion to close the meeting, record or vote, the recorded objection and the vote is an absolute defense to any claim filed against the Board member pursuant to the Missouri Sunshine Law.

1.19.3 Meeting Location

The Board shall only close that portion of the meeting facility needed to house the Board in closed session. Members of the public must be allowed to remain in the meeting facility so that they may attend any open meeting that follows the closed meeting.

1.19.4 Confidentiality

The Board members and employees in attendance are honor bound not to disclose the details or discussions of the closed meetings, records or votes. District employees who fail to keep closed information or closed meetings

confidential may be disciplined or terminated. The Board may publicly admonish Board members who fail to keep closed meetings, records or votes confidential in violation of this policy.

1.19.5 Reasons for Holding Closed Meetings

Unless otherwise determined by the Board, any meeting, record or vote pertaining to the following topics shall be considered a closed meeting, closed record, or closed vote:

No member of the Board shall directly or indirectly receive any compensation or remuneration nor derive any profit or gain from membership on the Board or from services rendered to the College. No Board member of East Central College will use any College equipment, supplies, or personnel for any purpose other than the College's business.

1.29 Board Member Conflict of Interest Policy *(Adopted 11-12-2007; Reaffirmed 8-26-2013)*

All trustees of the College shall adhere to the laws regarding conflict of interest and take steps to avoid situations where their decisions or actions in their capacity as Board members conflict with the mission of the College.

As used in this policy, "businesses owned by Board members" includes sole proprietorships, partnerships, joint ventures or corporations where the Board member is the sole proprietor, a partner having more than a ten (10) percent partnership interest, or a co-participant or owner of more than ten (10) percent of the outstanding shares of any class of stock.

1.29.1 Sale, Rental, Lease or Provision of Personal Property

Board members or businesses they own shall not sell, rent, lease or provide personal property to the district.

1.29.2 Sale, Rental or Lease of Real Property (Real Estate)

Board members and businesses they own may sell, rent or lease real estate to the College. Public notice of the transaction must be given prior to execution if the payment to the Board member or business exceeds \$500 per transaction or \$5,000 per year.

1.29.3 Employment

The College shall not employ Board members for compensation even on a part-time basis. While a Board member remains on the Board of Trustees, the College will not accept an application of employment from a Board member, consider a Board member for employment or decide to employ a Board member. Board members may provide services on a volunteer basis.

1.29.4 Independent Contractor

Board members may provide services to the College as independent contractors through businesses they own. If payment for the service exceeds \$500 per transaction or \$5,000 per year, the College must give public notice and competitively bid the service, and the bid or offer of the Board member's business must be the lowest received. Businesses owned by Board members may provide services on a volunteer basis.

1.29.5 Businesses That Employ Board Members

Board members may participate in discussions and vote on motions for the College to do business with entities that employ the Board member as long as the business is not owned by the Board member and the Board member will not receive any financial benefit from the transaction. The Board member may need to submit a statement of interest as described below.

1.29.6 Statement of Interest

If a Board member has a substantial personal or private interest in a decision before the Board, before voting the Board member shall provide a written report of the nature of the interest to the Board secretary. The written statement will be recorded in the minutes. A Board member will have complied with this requirement if the Board member has disclosed the interest in a personal financial disclosure statement that was filed or amended prior to the vote.

A "substantial interest" exists when the Board member, his or her spouse or dependent children, either singularly or collectively, directly or indirectly:

1. Own(s) ten (10) percent or more of any business entity; or
2. Own(s) an interest having a value of \$10,000 or more in any business entity; or
3. Receive(s) a salary, gratuity or other compensation or remuneration of \$5,000 or more from any individual, partnership, organization or association within any calendar year.

1.29.7 Self-Dealing

A Board member shall not favorably act on any matter that is specifically designed to provide a special monetary benefit to the Board member, his or her spouse or dependent children.

A "special monetary benefit" means being materially affected in a substantially different manner or degree than the manner or degree in which the public in general will be affected or, if the matter affects only a special class of persons, then affected in a substantially different manner or degree than the manner or degree in which such class will be affected.

A Board member will not directly or indirectly influence or vote on a decision when the Board member knows the result of the decision may be the acceptance by the College of a service or the sale, rental or lease of property to the College and the Board member, his or her spouse, dependent children in his or her custody or any business with which he or she is associated will benefit financially.

"Business with which a person is associated" means:

1.33 Role and Relationship Between the Board of Trustees and the Chief Executive Officer Policy *(Adopted 6-6-1988; Reaffirmed 12-2-1991; Revised 2-4-2002)*

The Board of Trustees recognizes and maintains the distinction between those activities which are appropriate to the Board as the sole statutory legislative governing body of the district and those administrative functions and duties which are to be performed by the Chief Executive Officer and his/her staff. In that regard, the Board views the legislative authority vested within itself as a body of the whole rather than as individuals acting unilaterally.

- 1.33.1** Based upon the premise of mutual respect and trust, the Board encourages a shared governance relationship that is characterized by open, honest, two-way flow of continuous communications based upon accurate, reliable information resulting from thorough study and analysis. In that regard, the Board looks toward the Chief Executive Officer to provide recommendations, suggestions and options relating to both short- and long-term goals and objectives of the district in a routine and timely

manner. This should allow the Board an adequate period of deliberation which would ultimately result in the adoption of policies that would enhance the well-being of the overall district.

- 1.33.2** The Board recognizes that if the Chief Executive Officer is to be strong and responsible for the prudent management of the district and its resources, likewise, the Board must also be strong, fully informed and recognize its responsibility to be fully supportive of the Chief Executive Officer by granting him/her full authority to carry out and implement the administration of the district in accordance with those policies adopted by the Board.
- 1.33.3** The Board will maintain an understanding and respect for the delineation of policy versus administration and will maintain a self-discipline that will avoid direct interference into the administrative functions of the district. The Board will encourage and be supportive of an atmosphere that will allow the Chief Executive Officer the flexibility and creativity to successfully exercise his/her administrative style necessary for successfully carrying out the administrative functions of the district.

1.34 Citizens Advisory Committees Policy *(Adopted 12-3-1968; Reaffirmed 12-2-1991; Revised 2-4-2002)*

2.3.1 Traditional Coursework

For a traditional face-to-face lecture course, the Carnegie unit and state regulation have been used to determine a semester credit hour value (i.e. a minimum of 750 minutes of instruction or “seat time” per credit hour per semester period). For non-lecture courses (i.e. science laboratories, studio coursework, career technical courses, music activities) additional instructional time per credit hour is necessary to achieve the College’s learning objectives determined for the course or instructional activity.

2.3.2 Distance/Web-Based/Hybrid Learning

For the College’s distance learning courses (i.e. online and hybrid), the credit hour value is based on the learning objectives determined in the traditional model of the coursework. Students would, therefore, be required to spend comparable amounts of time to achieve the desired learning objectives. To earn the credit hour value assigned to the course, students must demonstrate achievement of the course-based learning objectives at a satisfactory level.

Procedures: (*Revised 5-12-2008*)

- 2.14.1** As a general rule, students must travel to all off-campus trips by bus provided by the College and be accompanied by a faculty sponsor.
- 2.14.2** Faculty members will have discretion to waive this requirement if the student's convenience or needs are better served by being permitted to use personal transportation to meet the group at the site of the field trip. In such cases, the student is to be notified that he/she is assuming all risks and liability for such travel.

2.15 Children on Campus Policy (*Adopted 5-9-2005; Revised 5-12-2008*)

Children, aged 16 and under, unaccompanied by an adult are not permitted on campus. No children will be allowed at any time in laboratories, study areas, computer labs, the Fitness Center or nearby locations, unless a child is an integral part of an instructional activity. Exceptions may be approved in advance by an agent of the College.

2.16 Animals on Campus (*Adopted March 7, 2016*)

East Central College welcomes the presence of trained Service Animals assisting individuals with disabilities on its campus in areas open to the public consistent with the provisions of this policy and applicable law. An individual with a disability may be accompanied by his/her Service Animal in all areas of the College's facilities where members of the public are permitted. This policy, however, applies only to facilities owned by the College or under its control. There may be restrictions imposed on the use of Service Animals in non-College facilities, such as hospitals, science laboratories or other clinical or internship experience locations. Such restrictions are established by the individual facilities, and the College has no control over such restrictions. In addition, the College reserves the right to impose restrictions on the use of Service Animals on its property in order to maintain safety or to avoid disruption of College operations. For purposes of this policy, a "Service Animal" is defined as a dog, or in certain circumstances, a miniature horse, that has been individually trained to do work or perform tasks for the benefit of individuals with disabilities. Animals that are not Service Animals will not be permitted inside College buildings unless specifically approved by the College President.

Procedures: *(Adopted 3-7-2016)*

2.16.1 Service Animals

The Access Services Department at East Central College strives to provide equal opportunities for individuals with disabilities, which may include the use of Service Animals. Service Animals are working animals, not pets. The work or tasks performed by a Service Animal must be directly related to its handler's disability.

Examples of work or tasks performed by Service Animals may include, but are not limited to:

- assisting individuals who are blind or have low vision with navigation and other tasks;
- alerting individuals who are deaf or hard of hearing to the presence of people or sounds;
- providing non-violent protection or rescue work;
- pulling a wheelchair;
- assisting an individual during a seizure;
- alerting individuals to the presence of allergens;
- retrieving items such as medicine or the telephone;
- providing physical support and assistance with balance and stability to individuals with mobility disabilities; and
- helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors.

Services that do not qualify as work or tasks performed by a Service Animal include:

- deterring crime; and
- providing emotional support, comfort, or companionship, often referred to as "therapy" or "companion" animals.

An animal does not have to be licensed or certified as a Service Animal in order to serve in that capacity. Individuals with Service Animals will not be required to provide documentation proving that the animal has had particular training as or is a "certified" Service Animal. However, consistent with state law, all Service Animals on campus should still:

- be licensed in compliance with state and/or local laws applicable to non-service animals;
- be properly immunized and vaccinated; and
- wear a current license and rabies vaccination tag.

In situations where it is not obvious that the dog or miniature horse is a Service Animal, the College may ask the following questions: (1) Is the dog or miniature horse a Service Animal required because of a disability? and (2) What work or task has the dog or miniature horse been trained to perform?

A Service Animal is not required to wear a certain kind of harness that identifies it as a Service Animal, although all Service Animals must be on a leash or a harness at all times unless the nature of the accommodations provided by the Service Animal would be negatively impacted by a harness or leash. In that case, the handler must maintain control of the animal through voice, signal, or other effective controls.

The College may direct an individual with a disability to remove a Service Animal from College premises if the animal:

- is out of control and its handler does not take effective action to control it (including the animal posing a direct threat to others on campus and/or exhibiting behavior that interferes with the educational process);
- is not housebroken or is ill; or
- is not properly licensed and/or vaccinated in accordance with state and/or local laws applicable to non-service animals.

2.16.2 Non-Service Animals

Pets under the control of an adult (i.e., 18 years or older) are permitted on College property, but are not permitted within College owned or leased buildings. Only Service Animals or animals being used in College laboratories for research, classroom or observation purposes are permitted within College owned or leased buildings.

Animals must be leashed and under the control of an adult at all times. A loose animal trailing a leash, or one tied to a fixed object, is not under the control of an adult. Animals that are unleashed, or leashed and unattended, on College property may be subject to impoundment at the expense of the owner. Animals left unattended in motor vehicles on College property may also be impounded at the expense of the owner if they become a nuisance or if the welfare of the animal is threatened.

Any exception to this policy must be approved by the College President.

SECTION 3: STUDENT SERVICES POLICIES AND PROCEDURES

3.1 Admission Policies *(Adopted 2-6-1989; Revised 12-4-2000; Revised 6-23-2003; Reaffirmed 8-25-2014)*

The administration of the College will develop and implement admissions procedures in accordance with the Revised Statutes of Missouri, guidelines of the Coordinating Board for Higher Education and the Department of Higher Education, and best practices recommended by The Higher Learning Commission North Central Association of Colleges and Schools. Some programs and majors have specific admission requirements, such as educational prerequisites, cumulative grade point averages and/or test scores. Admission to the College does not insure a student admission to a specific program.

Procedures *(Revised 5-12-2008; Revised 8-25-2014):*

- A. All graduates of accredited high schools and Missouri residents who hold a General Educational Development (GED) or High School Equivalency (HSE) certificate are eligible to enroll at East Central College.
- B. Students without a high school diploma, GED or HSE certificate may be provisionally admitted and allowed to complete a maximum of 15 credit hours.
- C. Graduates of high schools not accredited by a regional accrediting agency or appropriate state agency must, before admission, present evidence to the Admissions Office of a composite ACT score of 21 or above or a High School Equivalency (HSE/GED) certificate. In the event of extenuating circumstances, the applicant should discuss their application with the Director of Admissions.
- D. Students who have graduated from home schooling are subject to the regulations found in Chapter 167 of the Revised Statutes of Missouri and as such are eligible to enroll at East Central College. Home school students must present a final high school transcript from a parent, guardian or external correspondence program with evidence of graduation or a GED/HSE certificate.

All home schooled students will be placed in appropriate levels of coursework based upon college placement measures in effect at the time of admission.

Home schooled students may be admitted at the start of the semester following certification of completion by a parent or guardian, or external correspondence program regardless of their age. Students under the age of seventeen must also follow the special admission process when they apply to the College.

- E. To be admitted, all full-time students and certain part-time students will be required to complete an assessment of basic reading, writing and mathematics for placement in appropriate course levels unless official transcripts from accredited colleges indicate successful completion of college level reading, English composition and mathematics courses.
- F. Registration of dual credit and dual enrollment students is covered in the Course Credit Options Policy.

3.2 Program Admission Policy *(Adopted 5-9-2005)*

The faculty, staff and Chief Academic Officer will devise, implement and monitor an objective, timely and nondiscriminatory method for selecting applicants for admission to specific College programs with admissions criteria. These programs are identified annually and information is publicized in each semester's schedule of classes. The selection process will reflect good practice, and criteria will be made available to interested parties in the departmental offices or academic advisement.

Procedures: *(Adopted 5-31-2007)*

3.2.1 Criminal Background Check/Drug Screening

In response to external agency requirements and as a condition of required participation in activities at these agencies, students in designated programs must consent to a criminal background check and/or drug screening and must be responsible for all costs involved.

Students who do not consent to or do not pass the drug screening cannot remain a student in the designated program. Any information derived from the criminal background check and/or drug screening will not result in disciplinary action by the College, nor will it be made part of the student's college record. The student may remain enrolled at the College and continue in another program that does not have a criminal background and/or drug screening examination requirement.

3.3 International Student and Non-U.S. Citizen Student Admission Policy *(Reaffirmed 12-2-1991; Revised 9-27-2007, 7-14-2014)*

3.4 Residency Status Policy *(Revised 10-7-1985; Revised 6-23-2003)*

Student residency status will be determined at the time of enrollment at East Central College. Student residency guidelines followed by the College will be those adopted by the Coordinating Board for Higher Education. In the case of international students or resident aliens, residency will be determined based upon both federal determination of status and state guidelines. A copy of such guidelines may be found in the Office of the Registrar.

Procedures: *(Revised 8-17-2007)*

If the student disagrees with the College's assessment of his or her resident/non-resident status, the following procedure should be followed to appeal the decision:

A. Informal Appeal *(Revised 3-20-2015)*

Meet informally with the Student Service Center Coordinator to discuss the residency status and reasons why the student should be considered an in-district student. The Coordinator will render an informal decision based upon the information provided in this discussion.

B. First Level of Formal Appeal

If the informal decision determines that the student is not an in-district resident and if the student wishes to appeal this decision further, then the next level of appeal may be implemented. The student is obligated to submit the appeal in writing to the Chief Student Affairs Officer, accompanied by written documentation of those criteria which the student meets for in-district residency as set forth in the Student Residency Requirements published by the Missouri Department of Higher Education. The Chief Student Affairs Officer will review and verify the information provided and render a decision within three working days of receipt of the written appeal.

C. Second Level of Formal Appeal

The final level of appeal requires the student to submit an appeal in writing to the Office of the President of the College. The Chief Student Affairs Officer will forward to the President the documentation previously provided by the student at the first level of formal appeal. The President will deliver a decision within five (5) working days of receipt of the written appeal.

3.5 Institutional Scholarships Policy *(Revised 5-12-2008; Revised 7-14-2014)*

The East Central College institutional scholarship program, funded through the general fund of the College, is intended to provide access to East Central

3.6 Grade Policy *(Adopted 8-28-2003; Revised 8-27-2007, 8-31-2009)*

The faculty at East Central College have sole responsibility for assignment of grades to students based upon student academic performance and other criteria as described in the official course syllabus provided to each student. These criteria have been developed by the faculty and are approved by the academic administration of the College.

Procedures:

3.6.1 Grade Descriptions and Records *(Revised 3-1-2012)*

Each faculty member's assignment of grades reflects the following standard college grading scale and corresponding grade points earned:

Grade	Explanation	Grade Quality Points Per Credit Hr.
A	Superior	4
B	Above Average	3
C	Average	2
D	Below Average, Passing	1
F	Failing	0
W	Withdrawal with Approval	0
WX	Administrative Withdrawal	0
I	Incomplete	0
H	Audit	0
P	Pass	0
NC	No Credit	0

At the end of each academic semester, faculty are required to submit final course grades to the Registrar and file a record of the grade plus the criteria used to arrive at the official grade with the appropriate instructional division. Grades are available to students via eCentral on the College website. All submitted grades become part of the student's official record (transcript) and are used in the computation of the semester grade point average and the student's cumulative grade point average.

3.6.2 Other Grade Options

A. Mid-Semester Progress Reports

In addition to final grades, faculty may report mid-semester student progress. At that time, in addition to the mid-semester grades of "D" and "F", the following may be reported:

U Unsatisfactory Progress

While not an official transcript grade, "U" is used at mid-semester to identify unsatisfactory progress within a course.

B. Incomplete (I)

A grade of Incomplete (I) may be recorded for a student who has completed 80% of the required coursework with a passing grade but, because of reasons acceptable to the instructor, has failed to complete all coursework. Each grade of "I" must be accompanied by a written contract with specific terms for satisfactory course completion and the signatures of the instructor and student. All coursework must be completed during the following semester. If

class attendance is required, coursework must be completed during the semester when the course is next offered. A final grade will be recorded as determined by the instructor. Students on financial aid should consult with the Financial Aid Office regarding the impact a grade of “I” may have on student financial aid status.

C. Audit (H)

A student may elect an audit grade option following the procedures outlined below. Audit (H) grades carry no credit hour value and will not count in credit hours attempted in certain financial aid programs.

1) A student is admitted to the College, meets all course admission requirements and registers for the course, paying the usual tuition and fees and enrolls as an audit student. Faculty may or may not require that the audit student take exam, but all attendance requirements are the same as other students in the class. A student completing the class and meeting the audit requirements as established by the faculty member will receive a grade of “H” for the class, but no credit hour completion will be associated with the grade. A student who fails to meet the attendance requirement may withdraw or be administratively withdrawn from the class and a grade of “W” will be recorded.

2) A student is admitted to the College, meets all course admission requirements, registers for the course paying the usual tuition and fees, and enrolls in a class. Within the College refund period (as defined in the course schedule and available in the Registrar’s Office), a student may change status to audit (H). All the procedures for an audit class will then apply.

D. Withdrawal (W or WX)

A student may initiate the withdrawal from a course with the approval of the instructor, advisor or other appropriate campus official and will receive a grade of “W.” The grade is not used in calculating the grade point average and by itself does not represent the quality of the student’s academic performance or conduct.

A student may be withdrawn from a class administratively by the instructor or campus official due to excessive absence or other reason and will receive a grade of “WX.”

In either situation, a grade of “W” or “WX” carries no credit hour value and will count in credit hours attempted in certain financial aid programs.

E. Pass (P)

In some courses and under certain circumstances, a grade of “P” is used to indicate that a student has attained a sufficient level of knowledge within a course or program for the student to receive

credit. Circumstances that warrant the use of “P” include, but are not limited to, articulated credit, advanced placement, and foreign language credit. Any specific course must receive approval from Academic Council to have a grade option of “P”. In each of these circumstances, credit is awarded but no grade point average points are computed. Students may not request a Pass grade option.

F. No Credit (NC)

An option only for students enrolled in dual technical credit courses, the “NC” grade demonstrates that the student has not achieved the minimum standard to receive credit.

3.6.3 Grade Point Average

Grade point average is determined using the following steps:

- Exclude for purposes of computation all grades of W, P, I and H
- For all other grades, multiply the credit hour value of the course by the point value of the grade; this value is the student’s **grade points**
- Total the number of semester hours attempted in all courses used to determine grade points; this value is the student’s **hours attempted**
- Divide the grade points by the hours attempted; this number (a value of at least 0.00 and not to exceed 4.00) is the grade point average.

Cumulative grade point average computations will include all courses taken at East Central College plus any courses transferred and accepted by East Central College.

3.7 Grade Appeal Process Policy *(Adopted 8-28-2003; Revised 8-27-2007)*

Students at East Central College have the right to appeal a final course grade. The right to appeal is limited to grades given for the semester most recently completed.

Procedures:

- 3.7.1.** Students must make appeal within eight (8) weeks of the official end date of the semester for which the grade is reported. Students must submit in writing to the Chief Academic Officer (CAO) a statement detailing the course, the faculty member, the grade received and the reason the appeal is sought.
- 3.7.2** The CAO will review the appeal and seek a resolution. Should no resolution be reached, the student will be notified and a formal hearing conducted.
- 3.7.3** A hearing committee will be appointed by the Chief Academic Officer, and a hearing conducted for the purpose of allowing all parties to state their positions. The committee will render a decision in writing to the student and faculty member within five (5) school days.

- 3.7.4** The student may appeal the decision of the committee to the President in writing within ten (10) days of the committee's decision. The President will conduct a review and render a decision within thirty (30) days. The decision of the President is final.

3.8 Grade Forgiveness Policy *(Adopted 8-28-2003; Revised 8-27-2007)*

Students at East Central College may petition for grade forgiveness; application is limited to grades of D or F earned in coursework in a single semester.

Procedures:

- 3.8.1** Certain conditions apply to be eligible. The original grade(s) remain on the transcript, and the forgiveness is noted. Transfer institutions may or may not, at their discretion, honor the grade forgiveness from East Central College. Students should consult with the transfer school regarding its policies.
- 3.8.2.** Students may obtain more information on Grade Forgiveness from their academic advisor. The grade forgiveness petition is available in the Registrar's office or on the College website.

3.9 Course Repeat Policy *(Adopted 1-1- 2013)*

A student enrolled at East Central College may repeat a course one time, if either the student received a grade of D, F, W or WX or the course content and/or credit hour value changed significantly since the original enrollment. If a student needs to repeat a course an additional time and conditions warrant such exception, the student must receive written permission from the chief academic officer (CAO) or the chief student affairs officer (CSAO). All attempts at the course will be recorded on the official college transcript and the highest grade will be factored into the student's GPA. Financial aid rules may prohibit students from receiving funding for repeating a course under any circumstances.

Procedures:

- 3.9.1** Once a course has been repeated, the student grade point average will be computed based on the highest grade awarded in the course. Any course repeat is noted on the official college transcript. Transfer institutions may or may not honor a repeat course grade.
- 3.9.2** Students seeking written permission to repeat a course as detailed in the policy can find more information from the registrar's office, the CAO or CSAO, or from an academic advisor.

3.10 Graduation and Academic Honors Policy *(Adopted 5-6-1974; Revised 6-23-2003)*

The following minimum cumulative grade point averages will be required for graduation honors:

Highest Honors	3.85
Honors	3.50

President's List - A semester grade point average of 3.85 to 4.00 will be required for placement on the President's Honors List.

Vice President's List - A semester grade point average of 3.50 to 3.84 will be required for placement on the Vice President's Honors List.

3.11 Academic Standards of Progress Policy *(Adopted 12-3-1968; Revised 8-27-2007)*

Upon enrollment at East Central College, students are expected to make progress toward graduation. The College defines minimal academic progress based on the following grade point averages:

Completion of at least 12 semester credit hours of coursework: 1.80

Completion of at least 24 semester credit hours of coursework: 2.00

3.12 Academic Probation and Suspension Policy *(Adopted 12-3-1968; Revised 8-27-2007)*

Any student with a grade point average that falls below minimal academic standards of progress will be placed on academic probation.

Students in academic probation status are notified by the Chief Student Affairs Officer and are required to participate in academic counseling. Students have a full semester to remedy academic probation.

If at the end of the academic probation semester the probation status is not remedied, the student is automatically suspended. Students have the right to appeal any academic suspension.

Procedures:

3.12.1 A student appeal of an academic suspension requires a written petition to the Chief Student Affairs Officer for reinstatement as an active student. The petition should include two components: a statement of the circumstances which led to the current academic status and a statement detailing a remedy of the current academic circumstances.

3.12.2 Upon completion of the semester of suspension, a student must apply for readmission to the College. Students must submit a written petition to the Chief Student Affairs Officer at least two weeks prior to the start of the semester of readmission. Any petition submitted must contain the elements listed above.

3.12.3 Specific academic programs and eligibility criteria established for various financial aid and benefit programs may include additional academic requirements for enrollment, program continuation or graduation.

3.13 Graduation Requirements *(Adopted 12-3-1968; Revised 6-1-1998)*

Specific graduation requirements will be set up by the College faculty in accordance with the requirements of the State of Missouri and appropriate accrediting agencies.

3.16 Communicable Diseases Policy *(Revised 5-12-2008; revised 8-25- 2014)*

East Central College endeavors to provide its students with a safe and healthy environment in which learning can occur. This policy is intended to prevent the transmission of communicable diseases from a student to other members of the College community. A student with a communicable disease may present a reasonably foreseeable risk of harm to others. Therefore, the College will take

action in accordance with this policy to minimize the risk of transmission and to maintain a safe campus and educational environment. Some College departments have additional restrictions and procedures that must be followed due to the nature of the educational environment.

Procedures:

3.16.1 Definitions *(Revised 8-25-2014)*

The term “communicable disease” shall mean an infectious disease that is readily capable of transmission to other individuals through close contact, exposure to routine secretions, and/or physical proximity on a college campus. A communicable disease may be acute (short-term) or chronic (long-term). For purposes of this Policy, this term is not intended to include diseases for which transmission is virtually eliminated as a result of the application of standard universal precautions or other effective measures.

The term “Assessment Team” shall mean a multi-disciplinary team convened to review and assess the student’s communicable disease and its effect on the College community.

The terms “others” or “others in the College community” shall mean employees, students, and visitors to the College or any of its satellite facilities or properties.

3.16.2 Disclosure *(Revised 8-25-2014)*

A student who becomes aware that he/she has or may have a communicable disease shall self-report this information to the Chief Student Affairs Officer. A College employee who has personal knowledge that a College student has or may have a communicable disease must also report this fact to the Chief Student Affairs Officer.

3.16.3 Assessment *(Revised 8-25-2014)*

Upon receipt of a report that a student has or may have a communicable disease, the Chief Student Affairs Officer is authorized to temporarily exclude the student from College property until a multi-disciplinary team (“Assessment Team” or “Team”) is convened to review and assess the student’s condition.

The Assessment Team will be composed of the following: (1) the Chief Student Affairs Officer or his/her designee; (2) a physician or other consultant, selected by the College, with knowledge of the particular disease; (3) the student’s health care provider; and (4) other College representatives, as appropriate. The student and/or his/her representative will be involved in the assessment process, but the

decision on how the situation will be handled will be determined by the College.

The Chief Student Affairs Officer must convene the Team within a reasonably prompt period of time after receiving a report that a student has or may have a communicable disease. The Team should be convened within five (5) business days of the report, if not sooner. Members of the Team are responsible for arranging their schedules to meet at the time and place designated by the Chief Student Affairs Officer. Because of the importance of addressing the communicable disease in a prompt manner, this meeting will not be rescheduled because of the unavailability of one or more members. However, members of the Team may participate by telephone upon giving advance notice to the Chief Student Affairs Officer.

The Team will assess, review, and consider the following: (1) the student's condition; (2) the present and future risk of transmission to others; (3) the existence and practicality of implementing precautions, methods and strategies to eliminate or reduce the risk of transmission to others; (4) the restrictions, if any, that will be required to prevent the student from creating the risk of transmission to others; (5) whether the student should be excluded (or continue to be excluded) from College premises, and, if so, whether alternative educational arrangements can be made; and (6) if warranted, the date upon which the Team will reconvene to reassess the matter.

The Team will make a determination regarding the student's exclusion (or continued exclusion) from the College and/or the conditions or restrictions on the student's return to the College (if any) within three (3) working days after it has convened. The Team's determination will be documented in writing and the Chief Student Affairs Officer shall provide written notice of the determination to the student and President of the College.

If the student's condition is chronic or persists for more than a short, definable period, the Team shall reassess its determination as often as the Team deems appropriate.

This assessment process is not intended to limit or otherwise inhibit the right of the College to contact the local health authority or other public health official for guidance or direction in handling a communicable disease situation. Directives or orders from public health officials shall supersede the assessment process in this policy.

3.16.4 Consent

To aid in its assessment, the Team may request that the student provide a HIPAA compliant authorization that permits the Team to communicate with the student's health care provider(s) regarding the status and effect

of the student's communicable disease. In addition, the Team may require, at the College's expense and in accordance with law, the student to undergo a physical examination and/or medical tests that are narrowly tailored to assist the Team in determining whether the student still has a communicable disease. A student who refuses to provide consent to enable the Team to communicate with the student's health care provider(s) or to undergo the required examination/tests may be subject to exclusion from College property, as permitted by law, until such time as consent is provided or the Team determines that the student may return in accordance with this Policy.

3.16.5 Return to the College *(Revised 8-25-2014)*

The Team is authorized to decide that the student may return to the College if it determines that one or more of the following is true:

1. The student never had or no longer has the communicable disease; or
2. The communicable disease is not in the infectious or contagious stage; or
3. The communicable disease poses little to no risk of transmission in the College environment upon the application of universal precautions or other effective measures.

3.16.6 Appeal *(Revised 8-25-2014)*

The student may appeal the Team's determination to the President of the College in writing within three (3) business days of the receipt of the Team's decision. The student shall set forth in writing the reasons why the Team's decision should be modified or reversed. As part of the appeal process, the President is entitled to review all documentation produced and considered by the Team. Upon conclusion of this review, the President will issue a written decision to the Team and the student. The President's decision shall be final. However, if the student believes that the actions under this policy were taken in violation of Section 504 of the Rehabilitation Act of 1974 ("Section 504") or the Americans with Disabilities Act ("ADA"), the student is permitted to submit an appeal by proceeding to the final level of the College's grievance policy on Section 504/ADA complaints. A copy of that policy may be obtained from the College's Compliance Coordinator for these laws, whose contact information is as follows:

Chief Student Affairs Officer
East Central College

Phone: 636-584-6565

A student who is unable to resolve a problem or grievance under Section 504 or the ADA has the right to file a complaint with the Office for Civil Rights for the United States Department of Education, Region VII, 8930 Ward Parkway, Suite 2037, Kansas City, MO 65114; phone 816-268-0550.

3.16.7 Confidentiality *(Revised 8-25-2014)*

Students with communicable diseases have a right to privacy and a need for confidentiality of their medical information. Therefore, to preserve this right, the following rules will apply:

- 1 The student's medical condition and related information may be disclosed only to those individuals who have a "need to know" the information in order to implement this Policy, to assure that proper care is provided, and/or to detect/monitor situations in which the potential for transmission of the communicable disease may increase, as well as to those individuals who are otherwise authorized to receive, or who must receive, this information under law.
- 2 The student's medical information shall be retained in a file separate from the student's other records. This separate file shall be maintained by the Chief Student Affairs Officer.
- 3 Willful, negligent, or unauthorized disclosure of information about a student's medical condition will be cause for remedial or disciplinary action, up to and including dismissal.

3.18 Student Discipline Policy (*Revised 5-1-1989; Reaffirmed 12-2-1991; Revised 8-28-2003; Reaffirmed 6-16-2014*)

All students are expected to meet the expectations of College administrators and faculty and the norms of a civil society and to avoid prohibited conduct (see Student Conduct Policy 3.17). If the need for student discipline arises, students can expect due process as defined by the following procedures.

Procedures:

In most cases, disciplinary actions are meant to be remedial rather than punitive. Ideally, disciplinary proceedings will be conducted informally between the student(s) and the Chief Student Affairs Officer. However, when this means of resolution is not possible, a student has the right to formal processes of discipline and appeal.

A. Definitions (*Revised 6-16-2014*)

1. Chief Student Affairs Officer (CSAO): the administrator responsible for student services such as counseling and advising.
2. Chief Academic Officer (CAO): the administrator responsible for the oversight and direction of academic programs and faculty.
3. Hearing Committee: A five-member committee called upon for hearings whose membership includes two (2) faculty, two (2) administrative/professional staff, and one (1) support staff member. The CSAO and the CAO are not voting members of the hearing committee, but they are nevertheless involved in the hearing. The CSAO will preside over, and the CAO will present the charges, at all hearings where the misconduct does not involve an academic issue. If the misconduct involves an academic issue, their roles will be reversed.
4. Sanctions: Any action taken during the institutional discipline process, not including those actions an instructor may take within the classroom in cases of academic dishonesty such as assigning a lowered or failing grade for the assignment or class.

B. Possible Sanctions (*Revised 8-2012, 6-16-2014*)

1. Warning: A verbal admonition by a College official regarding a violation of the Student Conduct Code.
2. Fines, community service, rehabilitation or other restitution: A monetary fee, assigned task or other means of reparation.

3. **Disciplinary Probation:** A status resulting from a finding of misconduct. The student remains enrolled but under stated conditions.
4. **Summary Suspension:** An involuntary and immediate separation of the student from the institution when, in the judgment of the CAO, CSAO and/or President, the student presents potential for behavior dangerous or destructive to him/herself, others or College property. Such suspension will be for a limited time until further disciplinary determination is made.
5. **Disciplinary Suspension:** An involuntary separation of the student from the institution for a specified period of time due to misconduct. Student may be re-admitted following a specified period of time.
6. **Expulsion:** Permanent loss of student status due to misconduct. Other stated conditions may be applied.

C. Formal Student Disciplinary Process *(Revised 12-23-2014)*

Students subject to sanctions will be accorded the opportunity for a hearing before a hearing committee. For a hearing to be held, the student is required to submit a written request for a hearing (electronic submission is acceptable) to the Chief Student Affairs Officer or designee within five business days. The following guidelines will be applicable:

1. Students will be informed in writing of the time, date, and location of the hearing by personal delivery, certified mail, or via electronic communication at least seven business days in advance of the hearing.
2. The entire case file will be available for inspection by the student in the office of the Chief Student Affairs Officer during normal business hours. The file, which should be available at least two (2) business days before the hearing, need not include the personal and confidential notes of any College official or participant in the hearing process.
3. The hearing will be conversational and non-adversarial. Formal rules of evidence will not apply. The Chief Student Affairs Officer or designee shall exercise active control over the proceedings to avoid needless consumption of time and to achieve the orderly completion of the hearing. Any person who disrupts the hearing may be excluded.
4. The student may choose to be assisted by a member of the faculty or staff of the institution. Furthermore, the student may be accompanied by legal counsel, although the role of legal counsel will be limited to providing legal advice to the student, and such legal counsel may not participate in any other way.
5. Those assisting the student, except for legal counsel, will be given reasonable time to ask relevant questions of any individual appearing at

the hearing, as well as to present relevant evidence. In some circumstances, including those involving sexual assault or other sensitive allegations, the Chief Student Affairs Officer or designee may determine that direct questioning of a witness by the student or the individual assisting the student is not appropriate. In those cases, the student or their representative will submit the questions to the Chief Student Affairs Officer or designee, who will then ask the questions.

6. Whenever possible, the student will be expected to respond to questions asked by the Chief Student Affairs Officer or designee.
7. If the student requests a hearing and fails to appear after proper notice, the hearing committee may either proceed with the hearing in the student's absence or may make a decision without holding a hearing.
8. The hearing will be recorded. The recording(s) shall be kept with the pertinent case file for a minimum of six (6) months.
9. A written decision will be rendered by the hearing committee within five (5) business days after the completion of the hearing. The written decision, which should be mailed or personally delivered to the student, should contain a brief statement of reasons for any determination leading to sanctions. The student should also be advised as to when a petition for reinstatement would be considered, along with any conditions for reinstatement. The decision of the hearing committee will be final unless a timely appeal is made to the College President.
10. A student who wishes to appeal a disciplinary decision must do so within 30 days of the notice of written decision of the hearing committee by filing a written appeal with the College President. The written notice to the President should state the basis for the appeal.
11. An appeal is limited to the following issues:
 - A. Prejudice or other irregularities that improperly influence the outcome of the disciplinary hearing.
 - B. Discovery of new or significant evidence that was not available at the time of the original hearing.
 - C. A sanction that is extraordinarily disproportionate to the violation.
12. The College President will meet with the student and render a decision within seven (7) days. The decision of the President will be final.
13. In all non-grade appeals, the student may withdraw from College or the class of his/her own volition at any time during the disciplinary process.

An imitation controlled substance is a substance that is not a controlled substance, which by appearance (including color, shape, size, and markings), or by representations made, would lead a reasonable person to believe that a substance is a controlled substance.

All faculty will distribute to students a current course syllabus that includes a statement detailing the specific course attendance policy, guidelines and actions. Such course attendance policy will be congruent with the institutional attendance guidelines, as stated here.

Faculty will take attendance at each class meeting and record attendance in a class record. For a student to be considered attending the following conditions must be met:

Should any of these conditions apply, the faculty member will follow the actions as stated in the course syllabus up to and including administrative withdrawal (WX) from the class for any student not considered attending but still officially enrolled in the class. Regardless of any action, the faculty member will report the last date of attendance as noted in the class record.

Behaviors that could constitute illegal harassment include, but are not limited to, the following acts if based on race, color, religion, gender, national origin, ancestry, disability, age, sexual orientation, genetic information, veteran status or any other characteristic protected by law: verbal, nonverbal, or physical aggression; stalking; graffiti; display of written material or pictures; name calling; slurs; jokes; gestures; stereotyping; threatening, intimidating or hostile acts; theft; or damage to property.

Sexual Harassment – A form of discrimination, as defined above, on the basis of sex. Sexual harassment, which includes sexual assault, includes a variety of unwelcome conduct of a sexual nature ranging from unwelcome sexual advances, requests for sexual favors, sexual exploitation, and other verbal, nonverbal, or physical conduct of a sexual nature, such as sexual assault, that is sufficiently severe to the point it interferes with or limits a student's ability to participate in or benefit from the College's programs. Sexual assault is a severe form of sexual harassment and one instance may be sufficient to create a hostile environment.

Complaint– A verbal or written report of discrimination or harassment made to the Compliance Officer.

3.25.2 Compliance Officers

The Board of Trustees designates the following individuals to act as the College's Compliance Officers:

<u>Title IX Administrator</u> <u>Section 504 Administrator</u>	<u>Title IX Deputy Administrator</u> <u>ADA Administrator</u>

3. Serve as the College's contact person for compliance with discrimination laws.
4. Investigate or assign persons to investigate complaints; monitor the status of complaints; and recommend consequences.

8. Coordinate and institute training programs for College staff and supervisors as necessary to meet the goals of this Policy, including instruction in recognizing behavior that constitutes discrimination and harassment.
9. Perform other duties as assigned by the College President.

3.25.3 Reporting a Complaint

Students who believe that they have been victims of illegal discrimination or harassment, may file a formal (verbal, written, or online) complaint with the Vice President of Student Development and it will be promptly investigated. There is no time limit on the filing of complaints.

As noted above, all employees, students and visitors must immediately report to the College for investigation any incident or behavior that could constitute illegal discrimination or harassment. Such reports should be made to the Vice President of Student

Development or the Director of Human Resources, as the College's Compliance Officers. All College employees will instruct persons seeking to make a complaint under this Policy to communicate directly with the College Compliance Officers. Even if the potential victim of discrimination, harassment, or retaliation does not file a complaint, College employees are required to report to the Compliance Officers any observations, rumors or other information regarding actions prohibited by this Policy.

After receiving a complaint, the Compliance Officer to whom the complaint is made will determine the appropriate College Policy for processing the complaint. Once the determination is reached, the Compliance Officer will notify the student making the complaint of which College Policy will govern the disposition of the student's complaint.

3.25.4 Interim Measures

When a report is made or the College otherwise learns of potential discrimination, harassment or retaliation, the College will, if appropriate, take immediate action to protect the alleged victim, including implementing interim measures. For example, the College may alter a student's class schedule, provide additional support for a student (such as counseling or academic support), suspend an employee pending an investigation, or, if applicable, alter transportation or working situations. The College will take immediate steps to prevent retaliation against the alleged victim, any person associated with the alleged victim, or any witnesses or participants in the investigation. These steps may include, but are not limited to, notifying students, employees and others that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment or retaliation have occurred. The College will provide these types of interim measures if requested by the victim and if such measures are reasonably available and appropriate in the circumstances. Individuals are encouraged to speak with the College's Compliance Officers about the availability of such measures. In the case of a confidential reporting, the Reporting Party should speak with the College counselor to whom they made the report about any requested interim measures.

3.25.5 Procedure for Investigation and Resolution of Complaints

In determining whether alleged conduct constitutes discrimination or harassment, the College will consider the surrounding circumstances, the nature of the behavior, the relationships between the parties involved, past incidents, the context in which the alleged incidents occurred and all other relevant information. Whether a particular action or incident

constitutes a violation of this Policy requires a determination based on all of the facts and surrounding circumstances. If, after investigation, College officials determine that it is more likely than not that discrimination, harassment or other prohibited behavior has occurred, the College will take immediate corrective action.

The following procedures will be used as a guideline for investigating complaints:

1. Interview the person making the complaint regarding the nature and specifics of the incident(s);
2. Interview the person accused; and
3. Interview other possible witnesses, if appropriate.

A. Complaints Against Employees of the College

If a complaint under this Policy is against an employee of the College, the complaint will be investigated by the Director of Human Resources or designee, and will be handled according to the procedures found in Policy 5.4. Employees who violate this Policy will be disciplined, up to and including employment termination.

B. Complaints Against College Students

If a complaint under this Policy is against another student, the complaint will be investigated by the Vice President of Student Development or designee.

Both the person making the complaint and the person accused will have equal opportunity to provide relevant information, including the identities of any witnesses they believe should be contacted as part of the investigation.

After reviewing all the relevant information, the Vice President of Student Development or designee will render a determination as to whether the Policy was violated and what additional actions may be necessary, including disciplinary action against the person accused and/or making available to the victim appropriate College resources.

Students who violate this policy will be disciplined, which may include suspension or expulsion. Other possible sanctions are found in the Student Discipline Code.

The Vice President of Student Development will notify both the complainant and the person accused of his or her determination, but, unless otherwise authorized by law, will only notify the complainant of any sanctions imposed against the accused student,

to the extent such sanctions impact the complainant, such as a determination that the accused may not come within a certain distance of the complainant.

B.1. Appeals

If either the person making the complaint or the person accused disagrees with the Vice President of Student Development or designee's determination, either student may request that the complaint be handled according to the procedures found in the Student Discipline Policy, Policy 3.18.

3.25.6 Confidentiality, Records and Counseling

To the extent practicable, the College will endeavor to keep confidential the identity of the person filing a complaint, witnesses or other parties interviewed, and any complaint or other document that is generated or received pertaining to complaints. Information may be disclosed if necessary to further the investigation, or resolution of a complaint, or if necessary to carry out disciplinary measures. The College will disclose information to the College's attorney, law enforcement, and others when necessary to enforce this Policy or when required by law.

In implementing this Policy, the College will comply with state and federal laws regarding the confidentiality of student and employee records.

Information regarding any resulting employee or student disciplinary action will be maintained and released in the same manner as any other disciplinary record.

Any student who believes he/she has been a victim of illegal discrimination or harassment has the option of speaking confidentially to a College counselor. Counseling services are available at no cost to the student and referrals to community resources are available. College counselors can also help the alleged victim identify other available College resources.

All other employees are mandated to report the information regarding illegal discrimination or harassment to the Compliance Officer.

3.26 Policy Regarding Student Protections Against Sexual Assault, Relationship Violence, and Stalking *(Adopted 6-16-2014)*

East Central College is committed to maintaining an educational environment that is free from illegal discrimination or harassment in admission or access to its programs, activities and facilities. This includes conduct on property owned or operated by the College, at College-sanctioned functions, and certain off-campus events. Sexual assault, as that term is defined in this Policy, is a form of

sexual harassment and is strictly prohibited. Relationship violence and stalking may also be forms of discrimination and harassment and are also strictly prohibited. For purposes of this Policy, “relationship violence” refers to both dating and domestic violence, as those terms as defined below. The College also prohibits:

1. Retaliatory actions based on making complaints of prohibited discrimination or harassment or based on participation in an investigation, formal proceeding or informal resolution concerning prohibited discrimination or harassment.
2. Aiding, abetting, inciting, compelling or coercing discrimination or harassment.
3. Discrimination or harassment against any person because of such person’s association with a person protected from discrimination or harassment as described in this Policy.

General Rule

The College is committed to ensuring that all students feel and are free to benefit fully from the College’s programs and activities. As part of this commitment, the College seeks to create an environment that encourages individuals to report incidents of sexual assault, relationship violence and stalking. Reporting allows the College to provide support to victims, and is the only procedure through which the College can address offenders and attempt to reduce the risk of future occurrences. This Policy provides information about how individuals may report allegations of sexual assault, relationship violence and stalking to the College, how the College responds to such reports, as well as information about resources available to victims of sexual assault relationship violence and stalking.

In investigating and responding to complaints of sexual assault, relationship violence or stalking, the College’s primary focus is to address the sexual assault, relationship violence or stalking, and, in most cases, the College will grant amnesty to a Reporting Party for other potential violations, such as alcohol violations. Such potential violations should not discourage a Reporting Party from notifying the College of incidents of sexual assault, relationship violence or stalking.

This Policy addresses behavior where the Accused Individual is a student. Behavior that does not rise to the level of sexual assault, relationship violence or stalking, as those terms are defined in this Policy, may still violate College Policy, and may be addressed by the College’s Policy regarding Student Protections Against Discrimination and Harassment (Policy 3.25) or the College’s Student Conduct Policy (Policy 3.17). In the event the Accused Individual is an employee, the reporting procedures and resources are the same as set forth in this Policy, but the investigation and response to allegations against employees is found in Policy 5.4.

3.26.1 Definitions – the following definitions apply to this Policy:

Accused Individual – Any person identified by the Reporting Party as the perpetrator of sexual assault, relationship violence or stalking.

Consent – An affirmative, unambiguous, and voluntary agreement to engage in a specific sexual activity during a sexual encounter. The person initiating sexual activity must obtain the other person's consent throughout the duration of the sexual activity. Consenting persons must act freely, voluntarily, and have knowledge of the act or transaction involved. Consent will not be implied by silence or mere passivity from a state of intoxication or unconsciousness; it may not be inferred in circumstances in which consent is not clear, including, but not limited to situations that involve the absence of "no" or "stop," or those that involve the existence of a prior or current relationship or sexual activity. Consent cannot be given if the Accused Individual has taken advantage of a position of influence which that person has over the Reporting Party. Consent cannot be given by an individual who is incapacitated through the effect of drugs or alcohol or for any other reason. Consent may be withdrawn at any time.

Dating Violence – Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship will be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purpose of this definition: (a) A social relationship of a romantic or intimate nature means a relationship which is characterized by the expectation of affection or sexual involvement between the parties. (b) Dating violence can be a single event or a pattern of behavior that includes, but is not limited to, sexual or physical abuse. (c) Dating violence does not include acts covered under the definition of domestic violence.

Domestic Violence – (1) A felony or misdemeanor crime of violence committed--(a) By a current or former spouse or intimate partner of the victim; (b) By a person with whom the victim shares a child in common; (c) By a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; (d) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or (e) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred. (2) Domestic violence can be a single event or a pattern of behavior that includes, but is not limited to, sexual, or physical abuse.

Discrimination – Conferring, refusing or denying benefits or providing differential treatment to a person or class of persons in violation of law based on race, color, religion, gender, national origin, ancestry, disability, age, sexual orientation, genetic information, veteran status, or any other characteristic protected by law.

Harassment – A form of discrimination, as defined above, that occurs when the school or work environment becomes permeated with intimidation, ridicule or insult that is sufficiently severe or pervasive enough that it unreasonably alters the employment or educational environment. Behaviors that could constitute illegal harassment include, but are not limited to, the following acts if based on race, color, religion, gender, national origin, ancestry, disability, age, sexual orientation, genetic information, veteran status or any other characteristic protected by law: verbal, nonverbal, or physical aggression; stalking; graffiti; display of written material or pictures; name calling; slurs; jokes; gestures; stereotyping; threatening, intimidating or hostile acts; theft; or damage to property.

Reporting Party – A member of the College community, who reports to the College that he or she has been the victim of alleged sexual assault, relationship violence, and/or stalking.

Sexual Assault – A form of sexual harassment, and is defined as physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. Sexual assault includes intentional touching, either of the victim or when the victim is forced to touch, directly or through clothing, another person's genitals, breasts, thighs, buttocks, or other intimate parts. Sexual assault also includes attempted or actual sexual penetration of any kind without a person's consent.

Sexual Harassment – A form of discrimination, as defined above, on the basis of sex. Sexual harassment, which includes sexual assault, includes a variety of unwelcome conduct of a sexual nature ranging from unwelcome sexual advances, requests for sexual favors, sexual exploitation, and other verbal, nonverbal, or physical conduct of a sexual nature, such as sexual assault, that is sufficiently severe to the point it interferes with or limits a student's ability to participate in or benefit from the College's programs. Sexual assault is a severe form of sexual harassment and one instance may be sufficient to create a hostile environment.

Stalking – Activity that may be a form of harassment, as defined above, that involves engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his/her safety or the safety of others, or to suffer substantial emotional distress. For purposes of this definition, a course of conduct means two or more acts,

including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person's property. Stalking may involve physical stalking and/or cyber stalking.

3.26.2 Compliance Officers

The Board of Trustees designates the following individuals to act as the College's compliance officers:

<u>Title IX Administrator</u> <u>Section 504 Administrator</u>	<u>Title IX Deputy Administrator</u> <u>ADA Administrator</u>
Vice President of Student Development East Central College 1964 Prairie Dell Road Union, MO 63084 636-584-6565	Director of Human Resources East Central College 1964 Prairie Dell Road Union, MO 63084 Phone: 636-584-6712

The compliance officer will:

1. Coordinate compliance with this Policy and the law.
2. Receive all complaints regarding discrimination and harassment at East Central College.
3. Serve as the College's contact person for compliance with discrimination laws.
4. Investigate or assign persons to investigate complaints; monitor the status of complaints; and recommend consequences.
5. Seek legal advice when necessary to enforce this Policy.
6. Report to the College President and the Board of Trustees aggregate information regarding the number and frequency of complaints and compliance with this Policy.
7. Make recommendations regarding changing this Policy or the implementation of this Policy.
8. Coordinate and institute training programs for College staff and supervisors as necessary to meet the goals of this Policy, including instruction in recognizing behavior that constitutes discrimination and harassment.
9. Perform other duties as assigned by the College President.

3.26.3 Reporting a Complaint

The College encourages the reporting of all incidents of sexual harassment, including, but not limited to, sexual assault, relationship violence, and stalking. The decision to report such incidents is a deeply personal and often difficult decision, but is often a way for the victim to begin healing. Such reporting may also help prevent future incidents of a similar nature from occurring. Victims are not required, however, to report such incidents, and will not be penalized if they choose not to report an incident to law enforcement or a Compliance Officer.

The first priority for any victim of sexual assault or relationship violence is to receive appropriate medical attention for any medical injuries and to preserve evidence in the event the Reporting Party chooses to pursue a complaint. The College will maintain and publish information containing resources and guidance for victims of sexual assault, relationship violence and stalking. Such information will be maintained in the College's Annual Security Report and the College's Student Handbook, and any other means identified by the College administration to make the information readily available to the campus. Copies will also be maintained by the College's Title IX Administrator, who will make such information available to any interested person.

The College provides several options for reporting incidents of sexual harassment, including, sexual assault, relationship violence, and/or stalking:

1. **Confidential Reporting** – Individuals may make a confidential report to a College counselor. Counseling services are available at no cost to students and referrals to community resources are available. College counselors can also help the alleged victim identify other available College resources.
2. **Formal Complaint** – Individuals may also file a formal (verbal, written, or online) complaint with the Vice President of Student Development and it will be promptly investigated. There is no time limit on the filing of complaints, though the College encourages prompt reporting, as delayed reporting may hinder the College's ability to pursue disciplinary action against an Accused Individual.
3. **Criminal Report** – Individuals may make a criminal report with local law enforcement, or appropriate jurisdiction. College personnel are available to assist individuals with contacting the appropriate jurisdiction for making such a report.

In addition to pursuing criminal or College disciplinary proceedings, individuals may wish to obtain an order of protection, no-contact order, or restraining order from the relevant jurisdiction. Such orders are

enforced by the local law enforcement agency in the relevant jurisdiction.

Upon receiving a complaint of sexual assault, relationship violence or stalking, the College will provide to the Reporting Party a written notice describing the reporting options listed above. Reporting Parties are not limited to one form of reporting and may pursue multiple methods of reporting options.

In addition, except as otherwise provided in this Policy, all employees, students and visitors must immediately report to the College for investigation any incident or behavior that could constitute illegal discrimination or harassment, which includes sexual assault and may include relationship violence and stalking. Such reports should be made to the Vice President of Student Development or the Director of Human Resources, as the College's Compliance Officers. All College employees will instruct persons seeking to make a complaint under this Policy to communicate directly with the College compliance officers. Even if the potential victim of discrimination, harassment, or retaliation does not file a complaint, College employees, except members of the College's counseling staff who are considered confidential reporters, are required to report to the Compliance Officers any observations, rumors or other information regarding actions prohibited by this Policy.

After receiving a complaint, the Compliance Officer will determine the appropriate College Policy for processing the complaint. In making this determination, the Compliance Officer will consider the specific facts alleged by the Reporting Party. Allegations related to acts of Sexual Assault, Relationship Violence or Stalking, as those terms as defined in this Policy, will be processed according to this Policy. Allegations that may constitute sexual or other forms of harassment prohibited by the College, but not rising to the level of Sexual Assault, Relationship Violence or Stalking, will be reviewed according to Policy 3.25 Student Protection Against Discrimination. Once the determination is reached, the Compliance Officer will notify the Reporting Party of which College Policy will govern the disposition of the Reporting Party's complaint, and will provide the Reporting Party with a copy of the applicable Policy. The College encourages the Reporting Party to seek clarification from the Compliance Officer if the Reporting Party believes the Compliance Officer has selected the wrong Policy to resolve the complaint.

3.26.4 Interim Measures

When a report is made or the College otherwise learns of potential discrimination, harassment or retaliation, the College will, if appropriate, take immediate action to protect the alleged victim, including implementing interim measures. For example, the College may alter a

student's class schedule, provide additional support for a student (such as counseling or academic support), suspend an employee pending an investigation, or, if applicable, alter transportation or working situations. The College will take immediate steps to prevent retaliation against the alleged victim, any person associated with the alleged victim, or any witnesses or participants in the investigation. These steps may include, but are not limited to, notifying students, employees and others that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment or retaliation have occurred. The College will provide these types of interim measures if requested by the victim and if such measures are reasonably available and appropriate in the circumstances. Individuals are encouraged to speak with the College's Compliance Officers about the availability of such measures. In the case of a confidential reporting, the Reporting Party should speak with the College counselor to whom they made the report about any requested interim measures.

3.26.5 Procedure for Investigation and Resolution of Complaints

In determining whether alleged conduct constitutes a violation of College Policy, the College will consider the surrounding circumstances, the nature of the behavior, the relationships between the parties involved, past incidents, the context in which the alleged incidents occurred and all other relevant information. Whether a particular action or incident constitutes a violation of this Policy requires a determination based on all of the facts and surrounding circumstances. If, after investigation, College officials determine that it is more likely than not that prohibited behavior has occurred, the College will take immediate corrective action.

The following procedures will be used as a guideline for investigating complaints:

1. Interview the Reporting Party regarding the nature and specifics of the incident(s);
2. Interview the Accused Individual; and
3. Interview other possible witnesses, if appropriate.

A. Complaints Against Employees of the College

If a complaint under this Policy is against an employee of the College, the complaint will be investigated by the Director of Human Resources or designee, and will be handled according to the procedures found in Policy 5.4. Employees who violate this Policy will be disciplined, up to and including employment termination.

B. Complaints Against College Students

If a complaint under this Policy is against another student, the complaint will be investigated by the Vice President of Student Development or designee. The procedures will follow those set forth in the Student Code of Conduct, except that to the extent there are any inconsistencies between the Student Code of Conduct and this Policy, the procedures set forth in this Policy will apply in cases of Sexual Assault, Relationship Violence, or Stalking:

1. The College will conduct a thorough, fair, and impartial investigation.
2. Proceedings under this Policy will be conducted without undue delay, and will be conducted by officials who receive annual training on the issues related to relationship violence, sexual assault, and stalking, and how to conduct a hearing process that protects victim safety and promotes accountability. In general, proceedings pursuant to this Policy, including adjudication through the Student Discipline Policy, should be completed within sixty (60) days of the Reporting Party's complaint to the Compliance Officer.
3. Mediation will not be used in cases alleging sexual assault, relationship violence, or stalking.
4. The Compliance Officer or designee may issue a "no contact" order to all parties identified in a sexual assault, relationship violence, or stalking complaint. The Compliance Officer will consider other interim measures that may be appropriate.
5. Both the Reporting Party and the Accused Individual will have equal opportunity to provide relevant information, including the identities of any witnesses they believe should be contacted as part of the investigation. Both the Reporting Party and the Accused Individual have the right to have an advisor of their choosing present during any meetings or proceedings related to the investigation. For purposes of this Policy only, there is no limitation on the choice of an advisor by either the Reporting Party or the Accused Individual. The limitations on the role of legal counsel in a disciplinary proceeding are defined by the Student Discipline Policy.
6. After reviewing all the relevant information, the Vice President of Student Development or designee will render a determination as to whether the Policy was violated and what additional actions may be necessary, including disciplinary action against the Accused Individual and/or making available to the Reporting Party appropriate College resources. In making this determination, the Vice President of Student Development or designee will utilize a

“preponderance of the evidence standard,” meaning that he or she will determine whether it is more likely than not that a Policy violation occurred.

7. Students who violate this Policy will be disciplined, which may include suspension or expulsion. Other possible sanctions are found in the Student Discipline Policy.
8. The Vice President of Student Development will notify both the Reporting Party and the Accused Individual, in writing, of his or her determination. The written notification will also notify both the Reporting Party and the Accused Individual of the availability of appeal, as described below.
9. If either the Reporting Party or the Accused Individual disagrees with the Vice President of Student Development or designee’s determination, either student may request that the complaint be handled according to the procedures found in the Student Discipline Policy, Policy 3.18. In those circumstances, both the Reporting Party and the Accused Individual will have equal opportunity to participate in the process, and the process will utilize a “preponderance of the evidence standard,” meaning that it will determine whether it is more likely than not that a Policy violation occurred.
10. At the conclusion of any portion of the disciplinary proceeding, including any appeal, both the Reporting Party and the Accused Individual will be notified in writing, and simultaneously, of the result of that portion of the disciplinary proceeding, when that result becomes final, and the availability of any appeal.

3.26.6 Confidentiality, Records and Counseling

To the extent feasible, the College will endeavor to keep confidential the identity of the person filing a complaint, witnesses or other parties interviewed, and any complaint or other document that is generated or received pertaining to complaints. Information may be disclosed if necessary to further the investigation, or resolution of a complaint, or if necessary to carry out disciplinary measures. The College will disclose information to the College’s attorney, law enforcement, and others when necessary to enforce this Policy or when required by law.

In implementing this Policy, the College will comply with state and federal laws regarding the confidentiality of student and employee records.

Any student who believes he/she has been a victim of illegal discrimination, harassment, sexual harassment, sexual assault, relationship violence or stalking has the option of speaking confidentially to a College counselor. Counseling services are available at no cost to the student and referrals to community resources are

available. College counselors can also help the alleged victim identify other available College resources.

All other employees are mandated to report the information regarding illegal discrimination, harassment, sexual harassment, sexual assault, relationship violence or stalking to the Compliance Officer.

3.26.7 Training and Awareness Programs

In addition to the information contained in this Policy, the College will, in accordance with the Campus Sexual Violence Act (“SaVE Act”), provide training and information to members of the campus community regarding the following topics:

1. Safe and positive steps an individual may take to intervene to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault or stalking against another person;
2. Information about how to recognize warning signs of abusive behavior in order to mitigate the likelihood of perpetration, victimization, or bystander inaction;
3. Awareness campaigns and prevention programs intended to stop domestic violence, dating violence, sexual assault, and stalking before they occur, and to increase campus awareness and share information and resources for the same purpose;
4. Written notification to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, and other services available for victims, both within the institution and in the community;

The College will distribute this information to members of the campus community through the College’s Annual Security Report and the College’s Student Handbook, and any other means identified by the College administration to make the information readily available to the campus. Copies will also be maintained by the College’s Title IX Administrator, who will make such information available to any interested person.

Policy 3.27 Financial Aid Code of Conduct *(Adopted 12/7/2015)*

The Board of Trustees believes opportunities for higher education should not depend upon a student’s financial circumstances and that when students choose to take advantage of available financial assistance programs, they should fully understand and be provided assistance to self-manage their financial information. Therefore, the board authorizes the president to establish regulations governing the administration of financial aid to students.

Procedures (Adopted 12/7/2015):

3.27.1 Conflict of Interest

No action will be taken by financial aid staff that is for their personal benefit or that could be perceived to be a conflict of interest.

- a. Employees within the financial aid office will not award aid to themselves or their immediate family members. Staff will reserve this task to an institutionally designated person to avoid any conflict of interest or the appearance of a conflict of interest.
- b. If a preferred lender list is provided, it will be compiled without prejudice and for the sole benefit of the students attending the institution. The information included about lenders and loan terms will be transparent, complete, and accurate. The complete process through which preferred lenders are selected will be fully and publically disclosed. Borrowers will not be auto-assigned to any particular lender.
- c. A borrower's choice of a lender will not be denied, impeded, or unnecessarily delayed by the institution, even if that lender is not included on the institution's preferred lender list.
- d. No amount of cash, gift, or benefit in excess of \$25 or combination of gifts from one source over the course of a one-year period which totals more than \$25 shall be accepted by a financial aid staff member from any financial aid applicant (or his/her family), or from any entity doing business with or seeking to do business with the institution (including service on advisory committees or boards beyond reimbursement for reasonable expenses directly associated with such service).

3.27.2 Information Provided

Information provided by the financial aid office shall be accurate, unbiased, and shall not reflect preference arising from actual or potential personal gain.

3.27.3 Award Notifications

Institutional award notifications and/or other institutionally provided materials shall include the following:

- a. A breakdown of individual components of the institution's Cost of Attendance, designating all potential billable charges.
- b. Clear identification of each award, indicating type of aid, i.e. gift aid (grant, scholarship), work, or loan.
- c. Standard terminology and definitions, using the National Association of Student Financial Aid Administrators' glossary of award letter terms.
- d. Renewal requirements for each award.

3.27.4 Consumer Information

All required consumer information shall be displayed in a prominent location on the institutional web site(s) and in any printed materials, easily identified and found, and labeled as "Consumer Information."

3.27.5 Disclosure

Financial aid professionals will disclose to the College any involvement, interest in, or potential conflict of interest with any entity with which the College has a business relationship.

SECTION 4: FINANCE AND ADMINISTRATION POLICIES AND PROCEDURES

4.1 **Accounting System Policy** (*Adopted 6-1-1987; Revised 8-25-2008*)

East Central College will maintain a financial reporting system which is in conformance with the laws of the State of Missouri and the Uniform Financial Reporting Manual of the Missouri Department of Higher Education and generally accepted accounting principles.

Procedures: (*Revised 8-25-2008*)

- 4.1.1 East Central College will use a fund accounting system which is consistent with the Uniform Financial Reporting Manual of the Missouri Department of Higher Education.
- 4.1.2 The following fund types are established in order to provide a uniform financial reporting process, and these fund types are defined as follows:

General Fund - The General Fund will be used to account for revenues and expenditures for the academic and service programs of the College. The source of the funds will be local taxes, state aid and student tuition/fees and other general miscellaneous revenue. Expenditures in the fund will include the costs associated with supporting the educational program of the College or maintaining the physical structure and operation of the College.

Bond and Interest Fund - The Bond and Interest Fund is established to account for the payment of principle, interest, and related charges on any outstanding bond issue. Revenue for the fund is received by tax levy which has been authorized by the voters. Expenditures for the fund are restricted to the payment of the items noted above. Debt service for each bond issue must be accounted for separately, using a group of self-balancing accounts within the fund. Expenditures in the fund are restricted.

Auxiliary Enterprises Fund - The Auxiliary Enterprises Fund is established for the purpose of accounting for College services where fees are charged to students, staff or the general public, be it either a sale fee for a good purchased or a user fee for a service rendered. Each enterprise service should be accounted for separately using a self-balancing account within the fund.

Restricted Purpose Fund - The Restricted Purpose Fund is established to account for state or federal monies that have restrictions regarding their use. Each specific account in the restricted purpose fund must be accounted for separately using a self-balancing account.

Accounts must be established to insure that the accounting and reporting requirements of the grantor are met. If the grantor provides a special accounting manual for audit purposes, it should be followed exactly.

Each account in the restricted purpose fund is self-balancing, and the account should balance to \$0 at the termination of the activity. If it does not, the amount that the account is overspent is a liability against the general fund. If the account is under spent, the balance must be returned to the grantor.

Trust and Agency Fund - The Trust and Agency Fund is established and used to receive and hold funds when the College serves as a custodian or fiscal agent for another body. The College has an agency rather than a beneficial interest in these monies; the College does not necessarily have control or direction over the use and expenditures of the monies, with the exception that the College uses its financial capability and accounting procedures to insure the integrity of the accounts. Each agency's money should be accounted for by a self-balancing account. These accounts will balance to \$0 at the termination of the activity. Monies generated by College clubs that are continuously inactive for three semesters or College athletic activities that are suspended by the Board of Trustees will be returned to the student government fund for use and/or disbursement.

Faculty Development Fund - The Faculty Development Fund is established to provide funding to each full-time faculty member for purposes of professional development expenses. The specific annual allocation to each account is established as part of the annual budget. Balances in each account may not exceed the equivalent of two years of funding at the current annual allocation.

College Restricted Fund - The College Restricted Fund is established to account for College funds that have restrictions imposed by the institution regarding their use. Each specific account in the College restricted fund must be accounted for separately using a self-balancing account, and the account should balance to \$0 at the termination of the activity. If it does not, the amount that the account is overspent is a liability against the general fund. If the account is under spent, the balance is returned to the general fund.

Building Construction Fund - This fund will be used to account for revenues and expenditures which are associated with building construction or the purchase of unmovable equipment. The source of monies for this fund will be the proceeds of bond sales, gifts, grants, or other funds restricted to such purposes by their origin or by statute. The expenditures in this fund will be for construction or purchase of

unmovable equipment. The accounts in this fund will be self-balancing, and the expenditures will be restricted.

4.2 Tax Rate *(Approved 8-25-2008)*

The Board will set the tax rate of the College in an amount deemed necessary within state statutes to satisfy the budgetary needs of the College. The tax rate will be set by the Board before September 1 of each year, unless otherwise provided by the laws of the state of Missouri.

4.3 Budget Policy *(Reaffirmed 12-2-1991; Revised 8-25-2008)*

East Central College will operate on an annual budget from July 1 to June 30. The budget will be prepared by administrative officials and submitted annually to the Board of Trustees for approval by June 15.

Procedures: *(Revised 8-25-2008)*

- 4.3.1 Budgeting procedures will be carried out in accordance with the laws of the state and instructions from the Missouri Department of Higher Education.
- 4.3.2 The Board of Trustees will review the status of the budget at each regular meeting. The Board will be presented a treasurer's report, a balance sheet, a schedule of investments, a summary of budgeted expenditures versus actual expenditures and a summary of budgeted revenues versus actual revenues.
- 4.3.3 Amendments to the budget will require approval by the Board of Trustees.
- 4.3.4 The following guidelines will govern budget development, expenditure control and cash flow:
 - a. Budgeted expenditures will not exceed budgeted revenues.
 - b. A restricted reserve shall be maintained in order to provide for timely payment of the College's financial obligations. The total of funds to be held in the reserve shall be established by the Board of Trustees and shall be consistent with prudent fiscal policy regarding cash flow requirements and the timing of revenue receipts. Transfers to or from the restricted reserve fund will require approval by the Board of Trustees.

4.4 Financial Reports Policy *(Revised 6-23-2003)*

The Chief Financial Officer, in cooperation with other appropriate employees, shall prepare and present financial reports to the Board of Trustees at all monthly meetings and at any time upon request, summarizing the status of the various funds contained in the annual budget and providing other appropriate

information. Other financial reports to regulatory agencies and associations shall be filed as required and in the best interests of the College.

4.5 Auditing Policy (*Adopted 12-3-1968; Revised 6-23-2003*)

The College financial records will be audited annually by a certified public accountant licensed to practice public accounting in the State of Missouri and with documented experience in federal and state funds auditing. A copy of this audit will be sent to the Department of Higher Education, the Department of Elementary and Secondary Education, the U.S. Department of Education, and other regulatory agencies as required. A copy of the audited Revenues and Expense Statement will be published in local newspapers.

4.6 Purchasing Policy (*Reaffirmed 12-2-1991; Revised 8-25-2008*)

The Board of Trustees authorizes the College President to administer the College Purchasing Policy in accordance with state and federal laws. This Policy covers purchases of supplies, equipment, library books and materials, insurance and contracted services.

Procedures: (*Revised 8-25-2008*)

- 4.6.1 All purchases shall be made with the objective of securing services, materials, supplies and equipment at the lowest possible cost consistent with satisfactory standards for quality and service.
- 4.6.2 Purchasing to make purchases necessary for the operation procedures shall be based upon the level of expenditure:
 - a. **Expenditures up to \$1,000**
Without competitive bidding, the Chief Financial Officer and designees are empowered to make purchases necessary for the operation of the district as long as the amount does not exceed \$1,000.
 - b. **Expenditures of more than \$1,000 up to \$5,000**
Without competitive bidding, the Chief Financial Officer and designees are empowered of the district as long as the expenditure is more than \$1,000 up to \$5,000 and as long as the purchase is not made until at least three (3) verbal price quotations are considered if obtainable.
 - c. **Expenditures of more than \$5,000 up to \$15,000**
Without competitive bidding, the Chief Financial Officer and designees shall obtain at least three (3) written price quotations, if obtainable, when purchases are necessary for the operation of the district of more than \$5,000 up to \$15,000. Further, when deemed necessary by the Chief Financial Officer, advertisement in a newspaper or newspapers of general circulation in the district for quotations shall be made.

d. **Expenditures exceeding \$15,000**

In the event a proposed expenditure exceeds \$15,000, the expenditure shall not be made until competitive bidding has been engaged. Bid specifications shall be prepared by the Chief Financial Officer in consultation with other appropriate staff as necessary. Bids shall then be advertised in a newspaper or newspapers of general circulation within the district. Bids shall be opened and publicly read aloud at a designated time and place. The College reserves the right to waive minor technical defects in a bid, or reject any or all bids or any part of any bid. Purchases exceeding \$15,000 must be approved by the Board of Trustees of the College.

4.6.3 **Exceptions**

Any cooperative contracts established by (1) the state of Missouri, (2) other public agency or entity governed by the laws of the state of Missouri, or (3) any higher education or public entity compact or consortium may be used by the College in lieu of competitive bidding for the purchase of item equipment, supplies, sundries, non-realty leases, maintenance and periodic service agreements. Purchases which are not adapted to competitive bidding, such as (1) sole source purchases, or (2) the procurement of professional services or skill wherein the professional credentials or ability are of primary importance are considered exceptions to the requirement for competitive bidding. The Chief Financial Officer may waive competitive bidding when the purchase will result in direct and immediate savings to the College. Sole source purchases will have supporting documentation from originator.

4.6.4 **Insurance**

All insurance will be purchased utilizing the normal bid procedures unless it is a part of a cooperative agreement. Insurance coverages will be reviewed annually.

4.6.5 **Preference to Missouri Products and Firms**

In making purchases, preference shall be given to all commodities manufactured, mined, produced, or grown within the state of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations, or individuals, when quality is equal or better and delivered price is the same or less.

4.6.6 **Preference to Local Products and Firms**

In making purchases, preference may be given to all commodities manufactured, mined, produced, or grown within the district and to all firms, corporations or individuals doing business within the district, when quality is equal or better and delivered price is the same or less.

- 4.6.7 The purchase of all merchandise, products and services for College purposes must be done through the Chief Financial Officer. The Chief Financial Officer will coordinate purchasing within the framework of the statutes of Missouri, policies and procedures of the Board of Trustees and regulations promulgated by the Chief Financial Officer.
- 4.6.8 All purchases must be authorized in advance by a requisition and/or purchase order signed by an appropriate College official.
- 4.6.9 These purchasing procedures cover the procurement of equipment and supplies and commitments of funds for rentals and service agreements. Such commitments must be covered by purchase orders.

4.7 Selection of Architectural/Engineering and/or Land Surveying Services

(Adopted 8-25-2008)

The Board of Trustees may select qualified firm(s) and negotiate contract(s) for architectural, engineering and land surveying services for the various building projects undertaken by the College.

Procedures:

In selecting such firm(s), the following criteria will be considered:

1. Training, specialized experience and technical competence, including that of partners and associates, demonstrated either with the College or elsewhere with respect to the type of services desired.
2. Planning ability, efficiency and promptness of the firm(s), including the capacity and capability of the firm(s) to perform the tasks requested, as well as any specialized services, within the time limitations established for the completion of the project.
3. Proposed price for the services requested (i.e., a fee schedule).
4. Past record of performance of the firm(s) with respect to control of costs, quality of work, design, appearance, utility and the ability to meet time schedules.
5. Proximity to and familiarity with the geographical area in which the project shall be located.

When considering the need for architectural, engineering and/or land surveying services, the Board or designee shall prepare a written description of the services desired by the College. Interested firms may be requested to submit information in accord with the above criteria.

College officials shall review the materials submitted and shall attempt to negotiate acceptable terms with any or all of the firms submitting materials. The Board of Trustees shall select the firm(s) considered best qualified for the project(s).

4.8 Construction Contracts Bidding and Awards *(Adopted 8-25-2008)*

All facilities construction projects that exceed an expenditure of \$15,000 shall be advertised and competitive bids solicited, according to state law. In order to protect the College, each bidder may be required to submit with his or her bid a bidder's bond in an amount determined by the estimated cost of the project.

Procedures:

The construction contract shall be awarded to the lowest responsible bidder whose bid is in accordance with the approved plans and specifications and who has provided the required security. However, the Board reserves the right to waive minor technical defects in a bid, or reject any or all bids, or any part of any bid. No bid for the construction, alteration or repair of any building shall be accepted if it does not conform to the plans and specifications for the project.

If the project is considered a public works project estimated to exceed \$25,000, the contractor will be required to furnish a performance bond in accordance with law. No contractor shall be required to submit a bond from a particular insurance or surety company. Lien waivers shall be provided by the contractor and his or her subcontractors and suppliers.

All pay requests by the contractor shall be approved by the architect prior to payment.

Bid specifications and/or contracts for all public works shall include the required provisions concerning prevailing wages pursuant to the rules of the Division of Labor Standards of the Missouri Department of Labor and Industrial Relations and will comply with state law.

4.9 Construction Manager Option *(Adopted 8-25-2008)*

In the event that the College chooses to use the services of a construction manager instead of a general contractor, the College shall select a construction manager and negotiate with that construction manager to obtain a contract that is fair and reasonable.

Procedures:

To select a construction manager, the College shall advertise and solicit proposals from qualified construction managers in the following manner:

1. If the total cost for the project exceeds five hundred thousand dollars (\$500,000), the solicitation shall be advertised for a period of ten (10) days in one (1) newspaper of general circulation in the county.
2. If the total cost of the project exceeds one million five hundred thousand dollars (\$1,500,000), the solicitation shall be advertised for ten (10) days in two (2) daily newspapers in Missouri which have not less than fifty

thousand (50,000) daily circulation in addition to the advertisement required by number 1 above.

3. If the total cost of the project is five hundred thousand dollars (\$500,000) or less, the solicitation need not be advertised.
4. Solicitations shall require the bidders to submit the following information:
 - a. Fees for overhead and profit.
 - b. Reimbursable costs for reimbursable items.
 - c. Qualifications.
5. Demonstration of ability to perform projects comparable in design, scope and complexity.
 - a. Demonstration of good faith efforts to achieve compliance with federal, state and local affirmative action requirements.
 - b. References from owners for whom construction management services have been performed.
 - c. Financial strength.
 - d. Qualifications of in-house personnel who will manage the project.
 - e. Demonstration of successful management systems which have been employed for the purposes of estimating, scheduling, and cost controls.

If the College selects a construction manager on the basis of the above factors, then contractual negotiations may be conducted with that construction manager and a contract may be executed between the Board of Trustees and that construction manager. If the College cannot reach an agreement upon the terms of a construction management services contract through negotiations with the selected construction manager, then the College will attempt to select another construction manager and negotiate a contract with that construction manager. The College will continue to follow the procedures outlined in this Policy until a contract has been executed between the Board of Trustees and a construction manager.

Furthermore, the Board of Trustees shall not award a contract to any construction manager (or a firm that controls, is controlled by or shares common ownership or control with the construction manager), if such construction manager:

- a. Guarantees, warrants or otherwise assumes financial responsibility for the work of others on the project.
- b. Provides the District with a guaranteed maximum price for the work of others on the project.
- c. Furnishes or guarantees a performance or payment bond for other contractors on the project.

Under this Policy, the term "project" shall mean the erection or construction of a building or structure or the improvement, alteration or repair of a building or

structure. The term "construction manager" includes consulting, advising, assisting and making recommendations on any and all aspects of preconstruction planning, design, bidding, and contract award and providing general observation, coordination and direction of the work and processing of payment requests and change orders during construction.

This Policy shall not apply should the College choose to contract with an individual or firm solely for the purpose of serving as a liaison with a general contractor.

4.10 Change Orders During Construction *(Adopted 8-25-2008)*

A change order is a written order to the contractor signed by the owner and the architect, issued after execution of the contract, authorizing a change in the work or an adjustment in the contract sum or the contract time. Although the general philosophy of the College is to discourage contract adjustments during a project, change orders may result from the following:

- Changes in the quality or scope of the project
- Changes resulting from unforeseen condition, and
- Changes due to errors or omissions by the architect or contractor.

Additional costs incurred for time or materials, when unit costs or rates for time or materials are included in the terms of the contract, are not considered change orders for purposes of this Policy.

Procedures:

Change orders may be signed by the President of the College only under the following circumstances:

1. The College President, after discussions with representatives of the project monitoring team, may sign any change order authorizing a change in the work, provided that the contract sum is not increased by more than \$15,000 and that contingency funds are available for said change.
2. A proposed change order shall be submitted to the Board of Trustees for approval when the proposed increase in the contract sum exceeds \$15,000, or when the contingency funds are insufficient to cover the proposed increase. If approved, the College President or designee is authorized to immediately sign the change order.
3. In an emergency, such as where there is a threat to life or property, the College President is authorized to immediately sign any change order. In such case, the College President should advise the Board of the circumstances necessitating the change order as soon as practicable.

In processing change order requests, the College President shall attempt to identify situations where a proposed change order may have been caused by an error or omission of the architect or contractor. In appropriate cases, the

College shall endeavor to recover the cost of the change from the responsible party.

4.11 Use of College Employees in Lieu of Contractors *(Approved 8-25-2008)*

The College may use its employees to alter, maintain and repair buildings, equipment or grounds without the letting of contracts.

4.12 College Liability Insurance *(Adopted 8-25-2008)*

The College will maintain coverage against liability of the College and its employees as allowed by law. Such coverage may be maintained through insurance or participation in the state public entity risk management fund. To the extent of the covered risks and coverage limits, the College will defend and indemnify employees against liability for acts and omissions within the course and scope of their duties. The College will not defend or indemnify employees against their criminal or intentional wrongful acts or any liability for any acts or omissions that occur outside the course and scope of their duties. The College reserves the right, in circumstances which the Board of Trustees deems appropriate, and following a majority vote of the whole thereof, to determine whether to defend and/or indemnify an employee in a proceeding brought against the employee alleging a loss not within the covered risks, resulting from an employee's act or omission that occurs within the course and scope of the employee's duties.

4.13 Financial Exigency Policy *(Adopted 6-4-1979; Implemented 2-9-1981; Revised 8-28-2003)*

The President will regularly review the financial status of the College to determine if conditions exist that are sufficient to warrant a declaration of financial exigency.

Procedures:

- 4.13.1** Financial exigency exists when an imminent financial crisis threatens the survival of the institution as a whole and cannot be alleviated by less than drastic means, such as the realignment of College expenditures, immediate reduction in hourly and contract employees, and/or emergency use of restricted reserves from the fund balance of the College.
- 4.13.2** Any sudden, severe, and unexpected change in financial conditions will be reported within five days of the discovery of such conditions by the President to the Board of Trustees, faculty, and staff.
- 4.13.3** Following the determination by the Board of Trustees that a financial exigency does exist, the President of the College, as Chief Executive Officer, will develop a retrenchment plan for approval and enactment by the Board of Trustees.

4.13.4 The plan for retrenchment will be developed in accordance with the following guidelines:

- (1) The total College operation, including all departments and offices, will be considered in making recommendations for retrenchment.
- (2) In all cases of termination of faculty on continuous contracts because of financial exigency, the positions of the faculty concerned will not be filled within a two-year period by replacement nor will temporary positions be created so as to effect replacement of those faculty positions unless the released faculty have been offered reinstatement and a reasonable time in which to accept or decline the offer.

4.14 Receipt and Disbursement of Funds Policy *(Revised 4-7-2003)*

The Chief Financial Officer, under the direction of the President of the College, shall be designated as the primary staff officer responsible for the receipt and disbursement of funds, said officer being bonded in an amount of not less than \$1,000,000. All College funds will be received through the College Business Office and will be properly recorded and accounted for. The Board treasurer shall be the official designated by the Board to certify monthly that the receipt and disbursement of funds have been duly and properly accounted for.

4.15 Investment of Funds Policy *(Adopted 2-1-1988; Revised 8-25-2008)*

Funds not needed for immediate expenses of the College will be invested in a manner which will provide maximum security and investment returns while meeting the daily cash flow demands of the College and conforming to all state statutes governing the investment of public funds.

Procedures: *(Revised 8-25-2008)*

In accordance with and subject to restrictions imposed by current statutes and the investment policy of the State of Missouri, the following list represents the entire range of investments that the College will consider and which shall be authorized for the investments of funds.

- e. U.S. Govt. Agency Floating Rate Securities. The coupon rate floats off one index. Restricted to coupons with no interim caps that reset at least quarterly.

4.15.3 Collateralization

The market value of collateral must total to an amount equal to 100 percent or greater of the amount of College time deposits plus demand deposits with the depositors, less the amount, if any, which is an insured deposit pursuant to the Federal Insurance Act of 1950 (64 Stat. 873) as heretofore or hereafter amended.

All securities pledged as collateral by the depository shall, at the option of the depository banking institution, either be delivered to the fiscal officer or be deposited with a disinterested banking institution or safe depository as trustee satisfactory to both parties to the depository agreement. No security pledged as collateral shall be released by the depository banking institution without the written permission of the Chief Financial Officer or designee.

The College shall have a depository contract and pledge agreement with each safekeeping bank that will comply with the Financial Institutions, Reform, Recovery, and Enforcement Act of 1989 (FIRREA). This will

ensure that the College's security interest in collateral pledged to secure deposits is enforceable against the receiver of a failed financial institution.

4.15.4 Demand Deposits

Demand deposits shall be maintained in a financial banking institution(s) designated by the Board of Trustees. The Board may seek bids and re-designate depositories at any time.

Demand deposits shall be collateralized, secured and deposited according to the same criteria applicable to College investments as described and noted herein above.

4.15.5 Investment Reports

The Board shall approve College investments in a monthly report supported by the appropriate Pledged Securities Schedule and submitted by the Chief Financial Officer or designee.

4.15.6 Authorized Financial Dealers and Institutions

A list will be maintained of financial institutions authorized to provide investment transactions. outlined and implemented by the State of Missouri in its current investment policy.

4.16 Inventory Control Policy *(Adopted 12-3-1968; Revised 4-7-2003)*

A perpetual inventory of fixed assets and related depreciation schedules shall be established and maintained at the direction of the Chief Financial Officer. Such inventory shall provide that assets valued at \$5,000 or more be listed in a fixed asset group of accounts. All such fixed assets, as well as all items with values less than \$5,000 but requiring inventory controls by federal and state agencies such as the Department of Elementary and Secondary Education, will be tagged with numbered identifying labels in order to provide security and maintenance of the assets.

4.17 Payment of Bills Policy *(Adopted 12-3-1968; Revised 4-7-2003)*

At the regular monthly meeting of the Board of Trustees or at special called meetings, the Board will approve the payment of bills as required for College operations and supported by appropriate documentation in the financial reports provided to the Board at the respective meeting. Salary checks are written as due and payable per faculty and staff contracts and in compliance with wage and hour statutes.

4.18 Expense Reimbursement Policy *(Reaffirmed 12-2-1991; Revised 11-3-2003)*

1. Mileage expense for traveling to and from the employee's residence to the employee's assigned place of employment, whether at the main campus or at an extension center, shall not be reimbursed.

2. When the employee's work day includes assignments at two or more College sites, mileage will be paid between such sites but not to or from the employee's residence.
3. When traveling from home to a site other than the employee's assigned place of employment, mileage will be calculated from the College or employee's home, whichever is less.
4. A reimbursable mileage guideline will be generated by the Office of Finance and Administration which delineates standard mileage from the College to sites commonly traveled to. Mileage to sites not on the guide will be based on mileage provided via Map Quest or other web mapping service and documented with a printout of the web page.

Employees who do not have access to College credit cards may obtain a cash advance for travel, up to a maximum of \$100 per day, by submitting a request for travel approval form. The employee will be eligible for reimbursement only once if the move falls within the first year of employment. The College President may approve an extension of up to one year based upon extenuating circumstances.

The College will reimburse according to the IRS guidelines for deductible expenses (non-taxable). Deductible expenses are items

which an employer can reimburse without having to tax the employee on payment. Reimbursements will be reported on the employee's W-2.

The President will approve the reimbursement of relocation expenses up to \$2000 for Vice Presidents. The Board of Trustees will approve the reimbursement of relocation expenses for the College President as negotiated in the contract. 4.39 Cellular Phone or Other Mobile Communication Devices *(Adopted 4-7-2003; Revised 8-25-2008; Revised 2-2-15)*

- a) The dollar amount of the allowance should approximate the employee's anticipated business-related expenses.
- b) The allowance is intended to reimburse the employee for the business use of the phone, not to pay the entire phone bill, under the assumption that most employees also use their cell phone for personal calls.
- c) The allowance amount will not exceed the employee's monthly phone bill.
- d) The allowance payment rate will be reviewed annually and is subject to change.
- e) The allowance is not an entitlement and the amount can be changed or withdrawn as deemed necessary.

The appropriate area vice president may request approval for an allowance for a cellular phone or other mobile communication device for staff who require a device for College business. The allowance will be charged to the department budget.

The College will use a tiered allowance structure based on the job function of the employee as outlined below.

A. Tier 1 - \$30 per month

The employee's job function requires him/her to be accessible on a limited basis outside of scheduled or normal working hours to perform work-related duties and/or the employee spends a large portion of his/her normal working hours outside his/her office; the expectation is light usage of the phone for business purposes.

B. Tier 2 - \$50 per month

The employee's job function requires him/her to be accessible a considerable amount of time outside of scheduled or normal working hours and it is important to the College that the employee be accessible during those times to perform business-related duties. Types of positions funded under this tier include, but are not limited to, Satellite Directors.

C. Tier 3 - \$75 per month

5.8 Attendance and Punctuality *(Adopted 6-1-1992; Revised 6-23-2003; Reaffirmed 7-14-2014)*
Employees are to report to work punctually and are to work all scheduled hours. Unauthorized or excessive absences or tardiness may result in disciplinary actions.

General Rule *(Adopted 7-14-2014)*

Timely and regular attendance is an expectation of performance for all employees. To ensure adequate staffing and positive employee morale, and to meet expected productivity standards throughout the College, employees will be held accountable for adhering to their work schedule. In the event an employee is unable to meet this expectation, he/she must obtain approval from his/her supervisor in advance of any requested schedule changes. This approval includes requests to use appropriate accruals, as well as late arrivals to or early departures from work. Departments have discretion to evaluate extraordinary circumstances of a tardy or absence.

Definitions *(Adopted 7-14-2014)*

Absence

An employee is deemed absent when he/she is unavailable to work the full assigned/scheduled work shift and such time off was not scheduled/approved in advance as required by department notification procedure.

Tardy

An employee is deemed to be tardy (typically 15 minutes) when he/she:

- Arrives to work past the assigned/scheduled work start time.
- Leaves work prior to the end of assigned/scheduled work end time without prior supervisory approval.
- Takes an extended meal or break period without approval.

Procedures:

5.8.1 Request for Planned Absences *(Adopted 7-14-2014)*

A planned absence must be approved by the supervisor in advance. Employees should submit a request for leave using department procedures and the approved College form as far in advance as possible for a planned absence from work. Requests should include date(s) and type of accrued leave to be used. Requests for leave of five (5) consecutive days or more should be submitted a minimum of two weeks prior to the planned absence.

The supervisor will inform the employee as soon as possible if the request has been approved or denied. Depending on department staffing needs, the supervisor may designate dates that leave cannot be requested.

5.8.2 Notification of Unplanned Absences or Tardiness *(Revised 7-14-2014)*

An unplanned absence is usually an unavoidable absence due to illness, injury, or emergency where advance notice was not possible. Employees should notify their supervisor as soon as possible in advance but generally no later than 30 minutes before their starting time if they are unable to report for work as scheduled. Such notification should include a reason for the absence or tardiness and an indication of when the employee can be expected to report for work. If the employee is unable to personally speak with the supervisor or administrator, he/she should leave a voice message, follow departmental procedures and/or contact the Office of Human Resources.

Failure to notify (no call/no show) the supervisor and/or follow department procedures for any unplanned absence or tardiness may be grounds for disciplinary action.

Employees must call in for themselves except in extenuating circumstances where the employee may have someone else contact the supervisor.

At the time of notification/call, the employee must notify their supervisor when an absence is due to a documented/approved leave of absence (e.g. Military Leave, FMLA) in order to ensure appropriate tracking of leave utilization and absenteeism.

Upon return to work, employees are to complete the College approved leave form for supervisor approval.

5.8.3 Absences of More Than Three Days Due to Illness *(Adopted 7-14-2014)*

If an employee is absent due to illness for more than three (3) consecutive days, or if there is a record of frequent absences, the supervisor may require that the employee submit a return to work note from the medical provider indicating the employee is fit to perform duties before returning to work.

If the employee fails to provide a return to work note as required, the employee will not be allowed to return to work, may be placed on unpaid leave and may be subject to disciplinary action.

For planned and unplanned absences of more than three (3) consecutive days, the supervisor and the employee are required to contact Human Resources to report the nature of the illness in order to determine if the illness is an FMLA qualifying event. Failure to contact Human Resources may result in disciplinary action.

5.8.4 Leaving Work Early *(Adopted 7-14-2014)*

Employees must obtain prior permission from the supervisor in order to leave work early. An employee leaving work early without permission will be subject to disciplinary action.

5.8.5 Use of Accrued Leave for Absences *(Adopted 7-14-2014)*

Employees may use accrued leave during absences in accordance with Policy 5.30 Paid Leave Benefits.

Employees placed on unpaid leave may not use accrued leave.

5.8.6 Excessive Absences/Tardiness *(Adopted 7-14-2014)*

The supervisor will utilize the College's disciplinary guidelines for addressing excessive absences/tardiness. Excessive absence/tardiness includes:

- a) Patterns of unplanned absences, failure to complete scheduled work days, and/or tardiness.
- b) Unplanned absences in excess of three times in a three-month period without corresponding documentation.
- c) Exhausting accrued leave resulting in an unpaid absence that was not approved in advance.

5.8.7 Voluntary Termination *(Revised 7-14-2014)*

Employees who are absent from work for three consecutive days without giving proper notice to the employee's supervisor or designated administrator will be considered as having voluntarily terminated their employment with the College.

5.9 Classification and Qualifications of Employees *(Approved 8-14-1989; Revised 11-3-2003, 12-2-2013)*

For the purposes of offering and continuing employment, organization, assignment of duties and responsibilities, and establishment of compensation, a system of employee classification will be maintained by the College administration.

The Board directs the College President or designee to develop procedures and practices consistent with this Policy.

Employees

The College shall conduct a criminal background check on all new full-time employees before they are employed, and on such other applicants for part-time employment as the College deems necessary. This requirement extends to applicants who were previously employed by the College. The College reserves the right to require any current employee to submit to criminal background checks or to rerun background checks for any employee at any time at the College's expense. Any offer of new employment or continued employment is contingent upon the satisfactory outcome of the criminal background check, when required. The College has the sole and absolute discretion to determine whether the outcome is satisfactory for employment.

For purposes of this Policy, a “criminal background check” includes, but may not be limited to, investigating criminal history for misdemeanors and felonies on the county, state and federal levels and reviewing sex offender registries nationwide.

Current employees, who have been hired prior to the implementation of this procedure, may be subject to a criminal background check based on the position and/or teaching requirements and location. Mandatory criminal background checks are required for the following categories of positions:

Confidentiality

Information received by the College pursuant to a criminal background check is confidential. The College will only use this information for the College's internal purposes in determining the suitability of an applicant or employee. The College will keep this information in a location that is only accessible to persons who need to know the information to carry out their responsibilities with the College. The College will comply with all applicable laws regarding criminal background checks.

Consequences

Any offer of new employment or continued employment is contingent upon the outcome of the criminal background check, when required. The College will provide applicants or employees whose criminal background checks contain information upon which the College might base an adverse employment action an opportunity to explain or dispute the relevant information. In all cases the College has the sole and absolute discretion to determine whether the outcome is satisfactory for employment.

The College President or designee is directed to exclude any person from employment who refuses to submit to a background check or to take disciplinary action for current employees refusing to submit to a background check.

Any College employees that are included within the coverage of the Missouri Public Sector Labor Law must petition for formal certification of their chosen representative with the State Board of Mediation, in accordance with Missouri law, *Section 105.500, et seq.*, RSMo (2000).

5.13.2 Choosing a Representative – Employees not Covered by Public Sector Labor Law

Any College employees that are excluded from the coverage of the Missouri Public Sector Labor Law may Petition for formal election of their chosen representative with the College Board of Trustees, in accordance with this Board Policy.

5.13.3 Board Requires Secret Ballot Election Process

The College will recognize a labor union or other organization as the official bargaining representative for a group of College employees only after a secret ballot election, similar to those conducted under the Missouri Public Sector Labor Law and as set forth in this Policy, unless otherwise required by law.

5.13.4 Establishment of Additional Procedures

College employees may use the process established in this Policy and its related procedures to select a labor union or other organization of their choice as their representative for purposes of collective bargaining. The President is authorized to make additional rules and procedures to govern the election process as may be necessary to implement this Policy.

5.13.5 Petition for Election of Representative with Required Information

To initiate a secret ballot election process to select a representative, an employee must submit to the President or his or her designee a formal Petition for Election of Representative, including the following requirements:

- a. The name of the labor union or organization seeking such recognition, along with the name, address, e-mail and telephone number of the designated contact person.
- b. A description of the proposed bargaining unit for which representation is sought. The description should include the classifications of employees to be included and excluded, and the approximate total number of employees included in the proposed bargaining unit.
- c. The Petition must be supported by the valid dated signatures of at least 30 percent of the total number of employees in the proposed bargaining unit, on cards or a petition format.
- d. No signature in support can be older than six (6) months from the date the Petition for Election is submitted to the President or his or her designee. The signatures in support should be submitted in a separate sealed envelope, labeled “*Signatures in Support of Petition.*”

Once the President or his or her designee receives such a Petition, he or she will post notice of receipt of the Petition in the same location that notices for Board meetings are posted. The notice will set a future date, no earlier than five (5) business days after the first date of posting, in which any College employees interested in representation by a different labor union or organization may submit a request for a different representative, as described below in 5.13.8, “Other Interested Organizations.”

5.13.6 Initial Support by 30% of Employees in Proposed Bargaining Unit

The President or his or her designee will identify and designate an appropriate neutral third person or entity to review the Petition and confirm that it is supported by at least 30 percent of the employees in the proposed bargaining unit. The President or his or her designee will provide the designated person or entity with a list of names and signatures of all College employees within the definition of the proposed bargaining unit for verification.

The President or his or her designee, and the third person or entity designated to review the support for the Petition, will have up to 30 business days to verify that the required information is present, and to examine the description of the proposed bargaining unit and the validity of the signatures in support. The President or his or her designee will notify the contact person of the union or other organization seeking recognition of any missing information, to allow an opportunity for any problem to be promptly corrected.

The envelope labeled “*Signatures in Support of Petition*” containing the signatures in support will remain sealed, until the designated third person opens it to verify the existence of valid timely (*i.e.*, within six (6) months) signatures from at least 30 percent of the employees in the proposed bargaining unit.

The designated third person or entity will notify the President or his or her designee, and the contact person of the labor union or other organization, as to whether or not valid timely signatures of 30 percent of the employees were presented in support of the Petition, but will not provide additional information, and will not disclose the signed petition or cards, nor which employees supported the Petition, nor the total number of employees who supported the Petition, to the College or to any person unless required by law.

5.13.7 Determination of Appropriate Bargaining Unit

If the information in the Petition is complete, and the necessary level of 30 percent support is demonstrated, the President or his or her designee will consider and determine whether the scope and definition of the proposed bargaining unit is appropriate. The President or his or her designee will submit to the Board of Trustees a written recommendation as to the appropriateness of the proposed bargaining unit description, and a list of the College positions and employees who would belong to the unit, if formed. If the President or his or her designee determines that the scope and description of the proposed unit is appropriate, the Board of Trustees will set a date for the election.

If the President or his or her designee determines the scope and description of the proposed bargaining unit is not appropriate, the Board of Trustees will set the matter on its agenda and decide the issue at an upcoming Board of Trustees meeting, unless the President or his or her designee and the labor union or other organization seeking recognition agree that a meeting is not necessary to resolve the disagreement.

If the matter is set for a Board meeting, the contact person for the labor union or other organization seeking recognition will receive notice of the date, time, and location of the meeting. The Board of Trustees will make a determination as to the appropriateness of the proposed bargaining unit within ten (10) business days of the meeting. The Board's decision is final. If the proposed bargaining unit is approved, the Board of Trustees will set a date for the election. If the description of the proposed bargaining unit is not approved, the contact person for the labor union or organization seeking recognition may submit a revised unit description (see paragraph below).

If a revised unit description is submitted, The President or his or her designee will provide the designated third person or entity a list of names and signatures of College employees meeting the definition of the revised proposed bargaining unit, so that the designated third person can determine if signatures from at least 30 percent of the employees in the revised unit were obtained, as described in 5.13.6, "Initial Support by 30 Percent of Employees in Proposed Bargaining Unit" above. If so, the President or his or her designee will submit to the Board a recommendation regarding the appropriateness of the proposed revised bargaining unit as described in this section. If the designated third person or entity determines that the required number of signatures were not obtained, the

employee must re-submit a new petition for election for representation with the 30% showing described in 5.13.6, “Initial Support by 30 Percent of Employees in Proposed Bargaining Unit ” above.

5.13.8 Other Interested Organizations

As set forth above, once the President or his or her designee receives a complete Petition, he or she will post notice of receipt of the Petition in the same location(s) that notices for Board meetings are posted. Once the President has posted notice that a Petition for Election of Representative has been filed to select a labor union or other organization as the representative for collective bargaining, any College employee in the proposed bargaining unit that is interested in being represented by a different such organization may submit a second Petition to the President or his or her designee.

To do so, the employee must submit a Petition with the same information set forth in 5.13.5, “Petition for Election of Representative” above (including name of labor union or organization seeking recognition, contact information for designated contact person), except that such second Petition need only be supported by signatures of ten percent (10%) of the employees in the proposed bargaining unit.

All information must be submitted to the President or his or her designee no later than the date set in the posted notice. The Board of Trustees will delay setting a date for an election until the new information is reviewed by the President or his or her designee, and the person designated to review the Petition, in accordance with the provisions of 5.13.5, 5.13.6, and 5.13.7 of these procedures as described above. If the request was submitted before the deadline and is supported by the timely (*i.e.*, within six (6) months) signatures of at least ten (10) percent of the employees in the proposed bargaining unit, the additional labor union or organization will also be listed on the ballot, and the Board will set a date for the election.

5.13.9 Ballot, Notice of Election, and Election Procedures

The Board of Trustees may receive recommendations from the President or his or her designee, and from the contact person for the labor union(s) and organization(s) that will appear on the ballot, regarding appropriate wording and order of choices to appear on the ballot. The Board of Trustees will determine the language to appear on the ballot in time for the Notice of Election (see paragraph below). All approved ballots must include an option under which an employee may vote “No” or for “No Representation” *i.e.*, a vote not to be represented by any labor union or organization for collective bargaining.

The President or his or her designee will provide notice of the election in writing, electronically or otherwise, to all College employees in the proposed bargaining unit. In addition, the President or his or her designee will post notice of the election in the same location that notices for Board meetings are posted, and in other conspicuous places easily accessible to the College employees in the

proposed bargaining unit, no less than five (5) business days prior to the election. The Notice of Election shall contain:

- a. The date, hours and place of the election.
- b. A description of the proposed bargaining unit.
- c. A sample ballot with “Sample” clearly marked on its face.
- d. Information regarding applicable Board policies and procedures.

The election will be held in one (1) or more polling places reasonably convenient to the eligible voters, and at times when the employees in the proposed bargaining unit may vote without leaving their assigned duties. The election will be conducted by secret ballot. The Board, the College President or his or her designee may appoint one (1) or more College employees or other persons who do not belong to the proposed bargaining unit, nor to any labor union or organization listed on the ballot, to distribute and collect the ballots, and to check the names of voters off of a list of College employees in the proposed bargaining unit. The College may also select an outside third person or entity to perform these election functions.

The President or his or her designee and the union(s) or organization(s) seeking recognition appearing on the ballot may each have a representative (“designated observer”) present at each polling place during the election. The designated observers may challenge an individual’s eligibility to vote. Challenged ballots shall be folded and placed in a separate sealed envelope with the name of the voter plainly written on the outside. Challenged ballots will not be considered, unless the number of such votes could affect the results of the election. If the challenged ballots might affect the results of the election, the challenged ballots will be presented to the Board of Trustees at a later formal Board meeting as set forth below, for a final determination of the challenge.

5.13.10 Tally of Ballots and Election Results

Ballots will not be tallied until after the posted time for closing the polls, unless all of the eligible voters have already cast their ballots. The ballots will be tallied by the Board- or President-appointed College employee(s) who does not belong to the proposed bargaining unit, nor to any labor union or organization listed on the ballot, or the outside third person or entity mentioned in 5.13.9, “Ballot, Notice of Election, and Election Procedures”, and will be done in the presence of the designated observers selected by the President or his or her designee and each of the organization(s) listed on the ballot. Tallied ballots will be placed in a sealed envelope and saved until all challenges and objections are resolved as described in 5.13.11, and the Board votes to certify the election results. The tentative results will be recorded in writing and signed by the observers present when the ballots were tallied. The results will remain tentative until the Board votes to certify the results. The Board’s decision will be final.

If a union or organization seeking representation and appearing on the ballot receives a majority of the votes cast, the outcome is a majority election, and that union will become the elected bargaining representative for the bargaining unit, after all election objections (and any ballot challenges) are resolved, and the Board of Trustees votes to certify the election result.

If the only labor union seeking representation does not receive a majority of votes cast, or if the ballot choice of “No” or “No Representation” receives a majority of the votes cast, the outcome is also a majority election, and no union or organization will become the elected bargaining representative for the bargaining unit, after all election objections (and any ballot challenges) are resolved, and the Board of Trustees votes to certify the election result.

An “inconclusive election” is an election in which the ballot includes at least three (3) choices, i.e., at least two (2) labor unions or organizations seeking representation and an option for “No Representation,” and where no choice receives a majority of the ballots cast. When the results of an election are inconclusive, the Board will set a date for a Runoff Election as described in 5.13.12, “Runoff Election” of these policies and procedures. Unless otherwise directed by the Board, there will only be one Runoff Election.

A “null election” is an election where all choices receive an equal number of votes, or where two (2) choices receive an equal number of votes and a third choice receives a higher, but still a less-than-majority vote. When this happens, the Board of Trustees may declare the election a nullity and set a date to run a new election (a “rerun election”). The new election will follow the notice and election process detailed in 5.13.9, “Ballot, Notice of Election, and Election Procedures” of these procedures. If the rerun election results in another nullity, the Board of Trustees will dismiss the Petition and a bargaining unit will not be formed. If the second election results are “inconclusive,” a Runoff Election will be held.

A “final election” is an election in which two (2) or more choices receive an equal number of votes, another receives no votes, and all eligible voters have voted. In such case, neither a runoff election nor a rerun election will be conducted. Because all eligible employees have voted and there is no majority result, no representative is selected, and no labor union or organization will become the designated bargaining representative for the proposed bargaining unit, once all election objections (and any ballot challenges) are resolved and the Board of Trustees votes to certify the election result. The Board’s decision will be final.

5.13.11 Challenged Ballots and Objections to Election Results

Within ten (10) business days after the votes are tallied, any employee in the proposed unit may file with College an objection to the conduct of the election or conduct affecting the results of the election, which shall contain a short plain written statement of the reasons for the objection. A copy of the written objection

must be provided to all members of the Board, to the President or his or her designee, and the contact person for any organization(s) seeking to represent the proposed bargaining unit and which appeared on the ballot. The same process shall apply to challenged ballots which may affect the outcome of the election.

The President or his or her designee will investigate all such challenges and objections to the conduct of the election or affecting its results. Unless the President and the persons or challenging the ballots or objecting to the election agree otherwise, the Board of Trustees will hold a meeting to consider the objection. If a Board meeting is held, the President or his or her designee; the person(s) challenging the ballots or filing the objection; and the contact person for each of the organization(s) seeking recognition on the ballot, will receive notice of the meeting. The Board will make a decision within ten (10) business days on the challenge or objection. The Board's decision will be final.

After the time for filing objections has expired and/or the Board has made a final decision on all objections and, if necessary, challenged ballots, the final results of the election will be presented to the Board of Trustees for Certification of Election results (and, if needed, for a runoff election; see paragraph 5.13.12, below).

5.13.12 Runoff Election

If a runoff election is necessary, the ballot in any runoff shall provide for a selection among the two (2) or more choices receiving the largest number of votes in the last election, the sum of whose votes aggregate at least one (1) more than half of the total votes cast. After voting to certify the first election, the Board will set a date for the runoff election. The election will follow the notice and election process detailed in 5.13.9, "Ballot, Notice of Election, and Election Procedures." All College employees in the proposed bargaining unit may vote in the runoff election, regardless of whether or not that employee voted in the original inconclusive election.

5.13.13 Election Bar

Once a final election result is certified regarding a bargaining unit, no Petition requesting another election in any part of the same bargaining unit will be accepted by the Board for a period of one (1) calendar year after the date the Board voted to certify the results of the prior election.

5.13.14 Petition for Decertification or Change of Representation

Any employee in the bargaining unit may Petition for Change of Representation of his or her bargaining unit, or to no longer be represented by any union or organization for collective bargaining. As noted above in 5.13.13, "Election Bar", the Board will not accept such a petition for a period of one (1) year after the Board votes to certify the results of the prior election. At any other time, an

employee must submit to the President or his or her designee a Petition containing the following information:

- a. The bargaining unit in which a Change of Representation is sought, and whether the Petition seeks a different labor union as the representative, or seeks “No Representative.”
- b. If the Petition seeks a change to a new labor union as the representative, the name of the labor organization seeking recognition as the new employee representative, along with the name, address, e-mail and telephone numbers of its designated contact person.
- c. The Petition must be supported by the valid dated signatures of at least 30 percent of the employees in the bargaining unit, on either cards or a petition format. No signature in support of the Petition can be older than six (6) months from the date the Petition for Change is submitted to the President or his or her designee. The signatures in support should be submitted in a separate sealed envelope, labeled “*Signatures in Support of Petition.*”

Once the President or his or her designee receives such a Petition, he or she will post Notice of Receipt of the Petition in the same location that notices for Board meetings are posted. The process will follow, as closely as possible, the procedures set out above.

The notice will set a date, no earlier than five (5) business days from the first date of posting, by which College employees in the bargaining unit who are interested in a change in representation (i.e., to an alternate labor organization) may submit such a second request, as in 5.13.8, “Other Interested Organizations.” The process will follow, as closely as possible, the procedures set out above.

The President will identify and designate an appropriate third person or entity to review the Petition and confirm the existence of support by at least 30 percent of the employees in the bargaining unit. The President or his or her designee will provide the designated third person or entity a list of names and signatures of all College employees within the current bargaining unit for verification.

The President or his or her designee, and the third person or entity designated to review the support for the Petition, will have up to 30 business days to verify that the required information is present, and to examine the bargaining unit information and the validity of the signatures in support. The President or his or her designee will notify the contact person of the union or other organization seeking a change in representation (if any) of any missing information, to allow an opportunity for any problem to be timely corrected.

The envelope labeled “Signatures in Support of Petition” containing the signatures in support of the Petition for Change will remain sealed, until the

designated third person opens it to verify the existence of valid timely signatures from at least 30 percent of the employees in the current bargaining unit.

The designated person will promptly notify both the President or his or her designee and the contact person for the potential new labor union or organization (if any) as to whether signatures of 30 percent of the employees were presented in support, but will not provide additional information, and will not disclose the signed petition or cards, nor which employees supported the Petition, nor the total number of employees who supported the Petition, to any person unless required by law.

If the information is complete, the Board will set a date for the election. The ballot on any Petition for Change of Representation must include the following choices: 1) the current labor union organization or other designated representative; 2) the new labor union(s) or organization(s) seeking the change in representation (if any); and 3) an option for employees to vote for “None” or “No Representative” *i.e.*, to vote for no representation for purposes of collective bargaining. The election will be conducted in accordance with the process detailed in this policy and these procedures.

If employment is contingent upon continued receipt of grant funds, the faculty member will receive a limited term contract stating this contingency; throughout the grant funded position, only limited term contracts will be awarded. In the event the grant should terminate at any time for whatever reason, then this contract shall terminate and each party's rights and obligations shall be excused and discharged.

5.15.6 Full-time Faculty Contract Classifications

Full-time faculty contracts shall be divided into three classifications. Contract classifications allow the College to fully evaluate instructional effectiveness and program sustainability.

- A. Limited Term Contract** - A limited term contract shall be made for a semester, academic year or fiscal year and automatically terminates at the end of the contract. This classification is to be used for grant funded positions, temporary replacement for a full-time faculty member, during the startup phase of a new program, when a program is in the process of being discontinued, or as deemed necessary by the President of the College.
- B. Annual Contract** - An annual contract is considered probationary and may be given annually for regular faculty positions. Each annual contract shall show a date when employment ends; reappointment is dependent upon satisfactory evaluations and appropriate recommendations. Faculty may receive up to five consecutive annual contracts prior to being considered for a continuous contract.
- C. Continuous Contract** - A continuous contract shall be recommended only after the employee has been employed full-time as faculty in the same discipline for a period of 5 consecutive years upon satisfactory evaluations and satisfactory completion of the fifth year. All previous time worked consecutively as full-time faculty, including Limited Term Contracts and Annual Contracts, will be applied to the five-year period. Faculty who

change disciplines at the request of the College may be granted credit for the prior discipline if it is in the best interest of the College.

5.15.7 Full-time Faculty Reappointment

Full-time faculty reappointment will be made on recommendation of the Chief Academic Officer and the President of the College for Board action. The Board of Trustees shall normally approve all reappointments prior to April 15 but in no event after the start of the new contract year.

- A. **Limited Term Contract** - Reappointment shall be made upon the recommendation of the Chief Academic Officer and approval of the President and Board. The decision to reappoint shall be based upon satisfactory evaluation of the faculty member, program continuation, grant funding, and staff recommendation.
- B. **Annual Contract** - Reappointment shall be made upon the recommendation of the Chief Academic Officer and approval of the President and Board. The decision to reappoint shall be based upon satisfactory evaluation of the faculty member, program continuation and staffing recommendation.
- C. **Continuous Contract** - At or upon the fifth year of employment, an overall evaluation of the faculty member's instructional effectiveness will be made by the division chair and the Chief Academic Officer. If the evaluation is satisfactory and the program is to continue, the faculty member will be recommended for a continuous contract in the sixth year by the Chief Academic Officer upon approval of the President and Board.

5.15.8 Full-time Faculty Non-Reappointment

The decision to not reappoint a full-time faculty member employed under a Limited Term Contract or an Annual Contract shall be made by the College President after consultation with the Chief Academic Officer. The decision to not reappoint a full-time faculty member employed under a Continuous Contract shall be made by the Board of Trustees upon the recommendation of the Chief Academic Officer and the President of the College. These decisions will normally be made prior to April 15 but in no event after the start of the new contract year.

- A. **Limited Term Contract** - Unless otherwise stated or terminated for cause by the Board of Trustees in accordance with due process procedures (BP5.2.4), the contract automatically terminates at its end date.

B. Annual Contract - Unless otherwise stated or terminated for cause by the Board of Trustees in accordance with due process procedures (BP5.2.4), the contract automatically terminates at its end date. The decision for non-reappointment shall be based upon overall evaluation of the faculty member, lack of program continuation, and/or reduction in force based on budgetary or staffing requirements.

- (1) If instruction-related areas of concern exist, the faculty member should be notified as soon as they are evident and as part of the evaluation process. Corrections of the deficiencies shall be made immediately in accordance with a plan developed by the instructor, division chair, and the Chief Academic Officer. If the instruction-related deficiencies continue, action shall be taken for non-reappointment. If the faculty member's performance deficiencies are not instruction-related, no prior notice or improvement plan is needed prior to non-reappointment.
- (2) Non-reappointment for an annual contract shall be made upon the recommendation of the division chair, the Chief Academic Officer, and the President of the College.
- (3) Affected faculty may submit a written appeal to the Board of Trustees. The Board of Trustees may review the documents relating to the appeal and decide the matter, or it may hold a hearing. The decision of the Board will be final.

C. Continuous Contract.

A continuous contract shall continue in effect for an indefinite period, subject only to:

- (1) Retirement of the faculty member;
- (2) Modification by a succeeding Continuous Contract (compensation, terms of employment or date modifications);
- (3) Death of the faculty member;
- (4) Resignation of the faculty member;
- (5) Termination for cause by the Board of Trustees in accordance with due process procedures (BP5.2.4);
- (6) Revocation of appropriate/required certification or required licensures;
- (7) Conviction of a felony or behavior that is violent or harmful to others
- (8) Non-reappointment due to program suspension or change in program status;
 - a.) Non-reappointment for a continuous contract based on changes in program status shall be made by the Board of Trustees upon the recommendation of the President of the College with input from the division chair and Chief Academic Officer.

- b.) If a reduction in force is necessary involving faculty on continuous contracts in an area with multiple faculty assignments, faculty members shall be selected for non-reappointment based on instructional effectiveness and College service as evidenced by the faculty evaluation process.
 - c.) If program recommendations or other conditions exist that indicate the faculty member shall not be retained, said faculty member shall be notified as soon as possible. If circumstances warrant, the faculty member shall be offered a limited term contract of one year.
- (9) Non-Reappointment Due to Deficiencies in Performance;
- If instruction-related areas of concern exist, the faculty member should be notified as soon as they are evident. Corrections of the deficiencies shall be made immediately in accordance with a plan developed by the instructor, the division chair, and the Chief Academic Officer. If deficiencies continue within one semester after notification, action shall be taken for non-reappointment. If circumstances warrant, the faculty member shall be offered a limited term contract of one year.
- (10) Non-Reappointment Due to Financial Exigency;
- If contract non-renewal is the result of financial exigency, the faculty positions discontinued due to financial exigency will not be filled within a two-year period by replacement(s) nor will temporary full-time positions be created.
- (11) Faculty whose Continuous Contracts are not renewed pursuant to subsection (8), (9), or (10) may submit a written appeal to the Board of Trustees. The Board of Trustees may review the documents relating to the appeal and decide the matter, or it may hold a hearing. The decision of the Board will be final.

5.15.9 Employment Contract Resignations

Resignations effective at the end of the contracted term will be submitted to the Chief Academic Officer and the Director of Human Resources; such resignations do not require Board approval. Resignations with an effective date that occurs during the contracted term will be submitted to the President of the College for action. It is expected that thirty working days' notice be provided to the College. Acceptance of contract release shall be made by the Board of Trustees upon the recommendation of the President of the College with input from the Chief Academic Officer. The College funded medical and life insurance benefits will be terminated effective the end of the month of the

contracted term or the end of the month in which employment is severed if within the contracted term.

Release on less than thirty days' notice may be granted due to extenuating circumstances but will require approval by the College President and Board of Trustees.

- 1) The employee shall retain all accumulated vacation leave, personal leave and sick leave, as well as years of service status. Eligibility to accumulate leave and years of service credit ceases on the date educational leave without pay begins.
- 2) Accumulated vacation leave may be exhausted before going on educational leave without pay or the employee may choose to retain part or all of the accumulated leave until return to service.
- 3) While on unpaid educational leave, the employee may continue some College employee benefits, as defined in Policy 5.34, at the employee's expense. The College will not make any contributions towards employee benefits during a period of unpaid educational leave.
- 4) Unpaid educational leave will not count toward years of service with the College.
- 5) Unpaid educational leave will not count as service credit in the PSRS/PEERS system.
- 6) The employee and/or family are not eligible for educational assistance.
- 7) Following the completion of unpaid educational leave, the employee is not eligible for unpaid educational leave for another six years.

5.26.3 General Principles

- A. The College reserves the right to suspend or limit funding for educational leaves if the College determines that budget conditions do not support educational leaves. The notification of such suspension or limitation will occur by January 1 of each year.
- B. Duties of the employee will be covered during the educational leave period in a manner that is acceptable to the administration.

- C. Upon return from educational leave, the employee may return to his/her previous position or one which is comparable.
- D. At the conclusion of paid educational leave, the employee must serve two full academic/fiscal years in service with the College or repay in full the cash value of salary and benefits for the educational leave. Should the employee serve at least one year but less than two years, one-half of the cash value of salary and benefits received shall be repaid. The employee will be required to sign a promissory note before commencement of paid educational leave. The President of the College has the right to waive any or all of these requirements.
- E. Following the completion of paid educational leave, the employee is not eligible for paid educational leave for another six years.

5.26.4 Application Process

Applications for educational leave shall be filed with Human Resources no later than November 1 of the fiscal/academic year preceding the proposed start date of the educational leave. The employee will need a recommendation letter from the immediate supervisor and division Vice President supporting the employee's request for educational leave. Proposals submitted after the deadline will not be considered.

5.26.5 Selection Guidelines

The broad based activities considered part of educational leave include academic activities, scholarly endeavors and professional development.

Criteria to be used in determining eligibility of qualified applicants for sabbatical leave are:

1. Employees who need additional coursework to complete a degree, provided the degree is directly related to the employee's assignment.
2. Employees requesting courses which will be beneficial to the College's instructional programs.
3. Employees requesting academic travel, an immersion experience or an exchange program related to the faculty's field or program.

Criteria to be used in determining eligibility of qualified applicants for professional leave are:

1. Employees requesting leave for advanced training applicable to their College assignment.
2. Employees requesting to accept and fulfill a leadership role in an organization outside of the College in order to enhance knowledge and skills.
3. Employees requesting other professional leave that would be beneficial to the College.

In the event that applications for educational leave in any given year exceed the number that can be released without jeopardizing the ongoing programs of the

College, preference will be given to employees who have not previously utilized educational leave.

5.26.6 Review Committee

All applications for educational leave will be reviewed by a committee which shall consist of three faculty and two professional staff employees as selected by the respective employee association. The College President will appoint an administrator/Cabinet member to serve as a non-voting member on the committee.

The committee will review the educational leave proposals and make a recommendation to approve or not approve the requests based on the criteria and funding. Proposals selected by the committee will be presented to the College President for approval. The College President will make a recommendation to the Board of Trustees for approval. The Board of Trustees will typically review the recommendation at its March meeting, but no later than the start of the next fiscal year.

5.26.7 Appeal

If a request for educational leave is denied, the employee may submit a written request to the College President within seven days of such notification outlining the rationale for the additional review. A response to the employee's appeal request will be provided in writing within fifteen business days of receipt of the appeal. The decision of the President is final.

5.26.8 Reporting

At the conclusion of the educational leave, the employee returning from educational leave will present a written report to the appropriate Vice President and the employee's supervisor. The report will summarize the educational leave activities, provide information on achieving the goals of the educational leave and outline the connection of the educational leave to the professional development goals of the individual.

5.27 Tuition Waiver and Tuition Reimbursement *(Adopted 6-1-1992; Revised 6-4-2001; Reaffirmed 4-15-2014)*
Educational assistance benefits may be provided to employees and retirees.

Procedures: *(Revised 4-6-2006)*

5.27.1 Employee Tuition Waiver *(Revised 4-15-2014, 7-23-2014; 2-18-2015)*

East Central College encourages its employees to further their education. Enrollment in classes at East Central College encourages professional and personal growth of employees and provides a tangible fringe benefit.

The employee must complete the Tuition Waiver Request Form and receive the approval of the immediate supervisor, area Vice President and Human Resources prior to the first day of class. Failure to complete the form in advance will result in denial of waiver benefits. Enrollment in the course(s) should be outside the employee's normal working hours and should not interfere with the employee's work responsibilities. Coursework may not be completed during normal working hours.

The employee tuition waiver covers tuition and general fees but does not apply toward any special fees, book/supply costs, courses offered only on a non-credit basis or program costs assessed through educational partners for tuition, seat charges or other fees.

Employees receiving a tuition waiver for themselves or a dependent(s) who separate from the College prior to mid-term in the semester in which the tuition waiver is granted will be required to pay the tuition for that semester. If employment terminates after mid-term, no tuition will be due the College.

5.27.2 Tuition Waiver Eligibility *(Revised 4-15-2014)*

Tuition waiver eligibility for full-time and part-time employees begins the semester following the employee's hire date. The following employees are eligible for tuition waiver benefits for ECC credit classes:

- Full-time employees – Eligible for up to six credit hours per semester.
- Part-time employees – Eligible for up to six credit hours per semester.
- Adjunct instructors - Eligible for six credit hours during the semester immediately following completion of their assignment as an adjunct instructor, unless otherwise approved by Human Resources.
- Retirees – Eligible for up to six credit hours per semester. Retirees are defined as individuals who have completed five years of service to East Central College and are eligible for retirement benefits through PSRS/PEERS.
- Spouses – Eligible for up to eighteen credit hours per semester.
- Unemancipated children of full-time employees – Eligible for up to eighteen credit hours per semester which includes dual-tech, dual enrollment, and dual credit tuition for unemancipated children who are under the age of 24, unmarried and live in the employee's residence. Unemancipated children may be: natural children, adopted children, stepchildren that live with employee, or other children for whom the employee is the legal guardian. If the student is using multiple tuition-based funding programs, the other funding will be applied to the student's account before the employee waiver. Should the student drop a course(s) during the semester, the student will be responsible for repaying any charges beyond tuition and general fees. Exceptions to this procedure must be approved by the Director of Financial Aid.

Eligible individuals using a tuition waiver who withdraw or wish to repeat a course are subject to the applicable academic policies and may receive a waiver for only one repeat per course. Repeatedly withdrawing from courses covered by tuition waiver may result in a suspension of the tuition waiver benefit.

5.27.3 Approval of Tuition Waiver *(Revised 4-15-2014)*

Requests for tuition waivers for employees must be approved by the employee's immediate supervisor, area Vice President and the Office of Human Resources. These requests must be submitted on the Tuition Waiver Request Form prior to the start of each semester. The course itself, as well as the day and time of the course, are subject to these approvals.

Requests for tuition waivers for retirees, spouses, and/or unemancipated children must be initiated by the employee and must be approved by the Office of Human Resources. These requests must be submitted on the Tuition Waiver Request Form prior to the start of each semester.

Exceptions must be approved by the area Vice President, Human Resources and the College President.
- I. Employees who, prior to completing the approved course, voluntarily leave the College or are terminated will not be reimbursed. Records of all education programs completed by each employee will be maintained by the Office of Human Resources.

5.28.2 Employee's Eligibility for Holiday Pay

Regular full-time employees are eligible for holiday pay. Temporary and part-time employees, and employees on unpaid leave are not eligible for holiday pay.

In order to qualify for holiday pay, an employee must work all scheduled work hours on the last scheduled workday prior to the holiday and on the first scheduled workday immediately following the holiday or, in lieu of working all such hours, be approved for vacation, personal leave, sick leave, jury duty, bereavement or paid military leave. Employees who do not meet these requirements will not be eligible for holiday pay and will be required to use vacation or personal leave for the holiday if absent immediately prior to or following the holiday without approval. A doctor's certification may be required if sick leave is utilized.

5.28.3 Holidays Not Observed by College

The College recognizes that some employees may wish to observe periods of worship or to commemorate certain days that are not included in the College's holiday schedule. Requests for time off for religious observances will be considered on a case-by-case basis. In order to provide this accommodation, requests for time off to observe a religious holiday should be submitted in the same manner as a request for vacation. If accrued vacation or personal leave is available, the employee will use such paid time off for the observance of such holidays; otherwise, such time off is without pay. This Policy applies only to religious holidays. It does not apply to regular weekly days of worship. If an employee's regular work schedule falls on his/her worship days, generally he/she will be required to work as scheduled.

5.28.4 Holiday Scheduled Work

In most cases, employees will not be scheduled to work on College holidays. The College reserves the right to schedule employees to work on a College-designated holiday.

A non-exempt employee who is required to work on a holiday shall be paid holiday pay plus additional compensation at the employee's regular rate of pay for any hours actually worked on the holiday.

An exempt employee who is required to work on a College-designated holiday may be granted, with the supervisor's approval, another specified work day off with pay in lieu of the College-designated holiday.

An employee absent from work due to an on-the-job injury or illness will receive the appropriate worker compensation payment in effect, if any, in lieu of holiday pay.

5.28.5 Holiday Falling on Weekend

When a College-designated holiday falls on a Saturday, the holiday will be observed on the preceding Friday; when a College-designated holiday falls on a Sunday, the holiday will be observed on the following Monday or as determined appropriate by the College President.

5.29 Hours of Work *(Adopted 6-1-1992; Revised 6-23-2003; Reaffirmed 12-2-2013)*

The time and duration of working hours for exempt and non-exempt employees will be established as required by workload and the efficient management of personnel resources.

Procedures:

5.29.1 Employee Work Hours

Each department's hours of operation will be determined by the supervisor and administrator. The schedule of work hours for employees will be determined by the department supervisor. Employees will be informed of their scheduled hours and of any changes to the schedule as far in advance as possible.

The normal workday for full-time exempt and non-exempt employees will consist of 8 consecutive hours of work with an unpaid meal period.

5.29.2 Attendance at Lectures, Meetings, and Training Programs

Attendance at lectures, meetings, and training programs will be considered time worked if pre-approved by the appropriate administrator.

Attendance is not considered time worked if:

- (1) The employee's attendance is voluntary, i.e. not required by the College;
or
- (2) The course, lecture or meeting is not a requirement of the employee's job

5.29.3 Overtime *(Revised 12-2-2013)*

Non-exempt employees may be required to work overtime whenever it is deemed necessary by their administrator. Employees are not permitted to work overtime without the prior approval of their supervisor, their appropriate administrator, and the Chief Financial Officer.

Full-time Administrative/Professional Staff and Support Staff employees will accumulate Sick Leave monthly, at the rate of 16 days per year, or 10.67 hours per month. Employees will be eligible to accrue Sick Leave effective the first of the month following the date of hire. Sick Leave does not accrue while an employee is on unpaid leave. Sick Leave may be utilized in one-half hour increments.

Full-time faculty on a nine, ten or eleven month contract will accumulate Sick Leave monthly on a pro-rated basis. Full-time faculty on a twelve month contract accumulate sick leave monthly, at the rate of 16 days per year or 10.67 hours per month. Sick leave may be utilized in four or eight hour increments.

Sick Leave accrues monthly on the last working day of each month and may accumulate up to 60 working days (480 hours). Sick Leave accrual is to help bridge the leave for long-term disability. Pay advices do not necessarily reflect leave used within the current pay period.

5.30.2 Use of Sick Leave

Sick Leave may be used for reasons of personal illness, injury, or medical appointment of an employee and/or to care for an illness or injury or to attend to a medical appointment of an immediate family member. Immediate family members include the employee's spouse, children, step-children, foster children, children for which the employee is a legal guardian, parents, step-parents and foster parents.

A statement from a physician verifying the necessity for absence(s) may be required for more than three consecutive days of absence.

Employees should notify their supervisor as soon as the need for Sick Leave is known and must complete and submit a leave of absence approval form.

In the event of an injury or illness that is covered by workers' compensation insurance, state laws governing such injuries take precedent over this Policy.

At the time of termination of employment, any accrued sick leave will be forfeited.

5.30.3 Personal Leave

Full-time Faculty, Administrative/Professional Staff and Support Staff employees will receive five days, or 40 hours, of Personal Leave per year on July 1 of each fiscal year.

October – December:	75% or 3.75 days/30 hours
January – March:	50% or 2.5 days/20 hours
April –May:	25% or 1.25 days/10 hours

5.30.4 Use of Personal Leave *(Revised 4-22-2014)*

Personal Leave is to be used at the discretion of the employee, subject to supervisory approval. Examples of activities for which an employee may want to utilize Personal Leave include personal business which cannot be conducted outside of normal working hours, religious observances, and parent-teacher conferences.

Personal Leave may be utilized in one-half hour increments. Employees must complete and submit a leave of absence approval form.

Personal Leave that is unused as of June 30th of each fiscal year will be transferred to the employees Earned Sick Leave account if the employee has not already met the maximum sick leave accrual.

Pay stubs do not necessarily reflect leave used within the current pay period.

An employee resigning from the College may use no more than 16 total hours of personal or vacation leave during the last two weeks of employment. At the time of termination of employment, any unused personal leave will be forfeited.

5.30.5 Vacation Leave

Vacation Leave is to be used at the discretion of the employee, subject to supervisory approval. Employees will be eligible to accrue Vacation Leave effective the first of the month following the date of hire. Leave accrues monthly on the last working day of each month. Vacation Leave does not accrue while an employee is on unpaid leave.

The President will have vacation leave as negotiated.

Full-time administrative, professional, and support staff employees, and division chairs will accrue three weeks (15 days or 120 hours, at the rate of 10 hours per month) paid vacation annually. After five years of full-time employment with the College, the annual vacation time will be four weeks (20 days or 160 hours, at the rate of 13.33 hours per month). Maximum vacation accrual is nine weeks (45 days or 360 hours).

5.30.6 Use of Vacation Leave *(Revised 4-22-2014)*

Vacation Leave cannot interfere with department's operation. Requests for 40 consecutive hours or more of Vacation Leave should be approved by the supervisor two weeks in advance of such leave. The supervisor must approve specific vacation dates. Only accrued vacation leave may be taken; leave cannot be used prior to being accrued.

Vacation leave may be reported in one-half hour increments. Employees must complete and submit a leave of absence approval form.

Pay advices do not necessarily reflect leave used within the current pay period.

An employee who is resigning from the College may use no more than sixteen total hours of vacation or personal leave during the last two weeks of employment.

At the time of termination of employment, any accrued vacation leave will be paid through direct deposit following the last regular payment.

5.30.7 Voting Leave

East Central College employees may take up to three hours leave from work to vote in local, state, and national elections. Employees will be expected to notify the supervisor at least one week in advance and will be required to use personal or vacation leave time for the absence.

5.30.8 Jury Duty/Court Appearance Leave

Leaves of absences for jury duty or for court appearances related to College business shall be granted with pay.

5.30.9 Bereavement Leave

Up to three consecutive working days of leave with pay will be granted to regular, full-time employees upon the death of a family member. For purposes of this policy, family members are: spouse, child(ren), parents or parents-in-law, grandparents or grandparents-in-law, grandchildren, brother or brother-in-law, sister or sister-in-law, step-parent or step-child, foster child, foster parent, or any member of the immediate household of the employee.

Requests for extended leaves of absence for out of state travel should be approved by the supervisor. Accrued personal or vacation leave may be used.

5.30.10 Inclement Weather

The President of the College may declare any workday an excused day, when, in the President's estimation, inclement weather and hazardous road conditions are severe enough to justify this action. Such declaration may be made before or during the workday.

No loss of pay will occur for faculty and staff when the College President has activated an inclement weather closing. Likewise, employees scheduled for paid time off on a day of inclement weather may revise their leave of absence form to reflect the actual number of hours the College was open. This procedure does not apply to employees on unpaid leaves of absences.

Employees who are required to work during an inclement weather closing will receive pay for the scheduled hours they would have worked had the College not been closed. In addition, they will be paid for any hours actually worked during the time period the College is closed. Any work on all or part of an excused day must be approved by the supervisor.

When, in the estimation of the President of the College or designee, inclement weather and hazardous road conditions are not severe enough to declare an excused day, an absence due to weather and road conditions will be charged to the employee's personal or vacation leave. Employees with no available vacation or personal leave time will not be paid for hours absent from work.

In the case of an emergency closing after the work day has begun, all employees will be released from work except for designated facilities employees who must be on duty for snow removal. Any work after an emergency closing has been declared must be approved by the supervisor.

(a) College Closed

If the weather warrants, the College will close and cancel day and/or evening classes. This means all employees are released from work from the time of the closure announcement until the College reopens.

(b) Snow Schedule (*revised 9-16-2014*)

In the event that snow prevents the College from opening on time in the morning, but roads are expected to be passable later in the morning, the College may elect to use a snow schedule. As snow schedule means the College will start later than usual, 10 a.m. for non-teaching staff (except maintenance), 10:30 a.m. for faculty and students. Snow schedule guidelines designating start times for classes will be published annually.

5.31 Compensation (*Adopted 6-1-1992; Revised 11-4-2002; Reaffirmed 12-2-2013*)

Paychecks will be issued to employees on a regular basis and in a manner so that the amount, method, and timing of such payments comply with any applicable laws or regulations and will include standard deductions.

- (b) The full debt owed to the College shall be deducted from the employee's final pay. The employee shall be held responsible for any amount owed in excess of the final pay and will be invoiced according to College procedures.

A. Charitable Contributions

The College has authorized East Central College Foundation scholarships and United Way contributions as approved charitable payroll deductions. These contributions will cease at termination of employment.

Rest breaks and a meal break during the course of each workday will be provided for non-exempt personnel. The scheduled time for rest and meal breaks varies among departments, depending on the needs of the department.

General Guidelines: *(Adopted 6-16-2014)*

Rest and/or meal breaks may not be taken at the beginning or end of the workday except for special circumstances with supervisory approval.

Employees must have prior approval to extend rest and/or meal breaks beyond their assigned period.

Supervisors are responsible for balancing workloads and scheduling rest and meal breaks. A supervisor has the discretion to change the time of breaks based on departmental needs.

Non-exempt employees must not perform any work related duties during the rest breaks and/or during the 30 minute unpaid meal break. Should an employee be required to work at his/her desk during a meal break, the employee's work schedule will be adjusted accordingly unless prior approval for overtime has been given by the supervisor.

Full-time employees who are members of the U.S. Armed Forces and its reserve components will be eligible for re-employment in the same or similar position after completing military service, provided that the employee shows his/her orders to his/her supervisor as soon as s/he receives them; satisfactorily completes active duty service; enters the military service directly from employment with East Central College; and applies for and is available for re-employment within 90 days after discharge from active duty. If the employee is returning 31-180 days of active duty for training, he/she must apply within 14 days after discharge. If active duty lasts 30 days or less, the employee must report to work at their next scheduled work shift.

Employees with one year or more of service will be protected against loss of income as a result of participation in annual encampment or training duty in the U.S. Military Reserves or the National Guard. In these circumstances, the College will pay the difference between what an employee earns from the government for military service and what the employee would have earned as normal straight-time earnings through his/her employment with the College. This difference will be paid for up to two weeks in a calendar year. An employee who qualifies for such pay and who is on military leave during one of the College's paid holidays, will receive full holiday pay from the College for that day, irrespective of any military pay earned that day.

Employees may also be eligible for leave in certain circumstances, described below, if their spouse, son, daughter, parent or next of kin is a member or veteran of the U.S. Armed Forces.

An eligible employee may take FMLA leave for a “qualifying exigency” arising out of the fact that his/her spouse, son, daughter or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a “covered servicemember” may take up to 26 weeks of unpaid leave during a 12-month period to care for the servicemember, if the servicemember is undergoing medical treatment, recuperation, or therapy, is in outpatient status, or is on the temporary disability retired list, for a serious injury or illness that occurred in the line of duty (or existed before but was aggravated by service in the line of duty) and that resulted in the servicemember being unable to perform the duties of his/her office, grade, rank or rating.

5.35.3 Public Service Leave of Absence

Employees who desire to accept temporary employment in federal, state, or local government or with an organization devoted to higher education betterment may be granted a public service unpaid leave of absence with no paid benefits up to one year.

5.35.4 Requests for Unpaid Leave

When possible, requests for a leave of absence or any extension of a leave should be submitted to the employee's supervisor(s) sixty days prior to commencement of the leave period, or as soon as is practicable. The approval or denial process is Supervisor, Administrator, Director of Human Resources, President, and Board of Trustees.

5.35.5 Employee Failure to Return to Work *(Revised 12-2-2013)*

If an employee fails to return to work for his/her next scheduled work shift after the conclusion of an approved leave of absence, the employee may be terminated from employment.

5.35.6 Reduced Work Schedule for Full-time Employees *(Adopted 7-30-2001; Revised 12-2-2013)*

Full-time employees may request a reduced work schedule on a temporary basis. Reduced work schedule will be defined as completion of less than 40 hours per week. Full-time employees who request reduced leave must work a minimum of 20 hours per week.

A. Eligibility

To be eligible to request the reduced schedule, employees must be 12-month, full-time employees for a consecutive period of at least two years, based upon their date of hire. The employee must demonstrate satisfactory work performance, as reported by the supervisor, for the most recent two-year period.

Upon return from Reduced Work Schedule employees must complete a minimum of two years of continued 12-month, full-time employment with satisfactory performance before they are eligible to request Reduced Leave

again. An employee may request a Reduced Work Schedule no more than twice.

B. Approval Process

In all cases, the supervisor, vice president(s), Human Resources and President of the College must approve the reduced schedule. The approval process will include an assessment of the hardship to the department and to the College. The expected workload effect and departmental conditions will also be considered, and may influence the parameters of the Reduced Work Schedule. Every request will be evaluated on a case-by-case basis. The supervisor, vice president(s), Human Resources and President of the College will decide if temporary employees will be hired to assist with the workload.

C. Duration

The duration of the Reduced Work Schedule is subject to the approval of the supervisor, vice president(s), Human Resources and the President of the College, but will not exceed one fiscal year.

D. Continuation of Salary and Benefits

During the period of Reduced Work Schedule, the employee will be paid only for time worked. Non-exempt employees will be paid for hours worked; exempt employees will be paid a percentage of their annual salary, based upon the percentage of schedule worked. Insurance and retirement benefits will be continued on a pro-rated basis. These benefits will include medical, dental, vision, life and disability insurances. Educational Assistance may be used by qualified dependents, but may not be used by the employee who is on the Reduced Work Schedule. During the period of Reduced Work Schedule, the employee may utilize accrued leave, but additional leave will not accrue while the reduced work schedule is in effect. Accrued sick leave may only be used if the reduced work schedule is due to a qualifying FMLA leave. The employee will not be eligible for supplemental employment with the College. If reduced work schedule is in conjunction with FMLA, benefits will be continued at no cost to the employee.

General Principles

The College will maintain a Shared Sick Leave program for employees who are unable to work due to the employee's own serious illness, injury or impairment which requires continuing treatment/supervision by a health care provider and which is likely to cause the employee to take a prolonged leave without pay or likely to result in a substantial permanent disability leading to termination of employment or retirement with the College. Shared Sick Leave may not be used for absences resulting from providing care for a family member. Following the use of Shared Sick Leave, an employee must complete a minimum of one (1) year of continuous full-time employment with the College before he/she is eligible to receive Shared Sick Leave again.

- b. The employee must have been absent from work for at least fifteen (15) continuous working days due to the employee's own serious illness, injury or impairment.

- c. The employee must have exhausted all accrued leave or must provide certification from a licensed medical provider that future absences related to the employee's serious illness, injury or impairment will extend beyond the employee's current accrued leave balances for personal, vacation and medical leave.
- d. The employee must submit a certification from a licensed medical provider that the employee's inability to work is due to a serious illness, injury or impairment.
- e. If the employee has previously received Shared Sick Leave, the employee must have completed a minimum of one (1) year of continuous full-time employment with the College since the conclusion of the most recent use of Shared Sick Leave.

5.37.2 Approval Process

- e. The College President will approve or disapprove the request within ten (10) working days from receipt of the recommendation from Human Resources. The decision of the President is final.
- f. The College may approve up to 160 hours of Shared Sick Leave for full-time employees. The approval will include the number of allotted Shared Sick Leave hours, dates for use of the hours and whether recertification will be required.
- g. All requests for Shared Sick Leave will be considered confidential.
- h. Shared Sick Leave may be retroactive to the start of the unpaid leave if circumstances warrant or if the individual was unable to complete the request form and provide the required certification prior to the use of all accrued leave.
- i. Exceptions to this Policy must be approved by the President.

5.37.3 Reconsideration of Shared Sick Leave Request

Requests that are denied may be eligible for reconsideration upon receipt of additional information or change in circumstances that would make the employee eligible for Shared Sick Leave. A written request for review of the eligibility for Shared Sick Leave should be submitted to the Director of Human Resources and the President of the College within ten (10) working days from the date of disapproval notification. The Human Resources Director will make a

recommendation to the College President who will make a final determination within ten (10) working days of receipt of the written request.

5.37.4 Benefits While on Shared Sick leave

- a. An eligible full-time employee may be granted up to 160 hours of Shared Sick Leave over a two (2) month period.
- b. The College will continue paid medical, dental, life, and disability insurance for the duration of the use of Shared Sick Leave.
- c. The employee can accrue sick leave and will earn personal days according to College guidelines. The employee will not be eligible to accrue vacation leave until the first of the month following return to work full-time.
- d. Educational Assistance may be used by qualified dependents, but may not be used by the employee who is on full-time or intermittent Shared Sick Leave.
- e. The employee will not be eligible for supplemental employment within the College and will not be approved for supplemental employment outside of the College during the period he/she is receiving Shared Sick Leave.
- f. Utilization from the Shared Sick Leave bank ceases when: 1) the employee is released to return to work, 2) the employee has been absent 90 continuous working days and is eligible to apply for Long-Term Disability benefits, 3) the employee begins receiving retirement benefits, or 4) the approved number of hours has been used.
- g. An employee who uses Shared Sick Leave days from the Shared Sick Leave bank is not required to pay back the hours.
- h. Leave covered by this Policy shall not constitute a break in service and an individual shall have all rights and privileges as defined in the Policies of the Board of Trustees unless otherwise specified.

5.37.5 Return to Work

Prior to returning to work, an employee who has been absent due to his/her own serious injury, illness or impairment must provide to Human Resources a return to work release from a licensed medical provider. If the return to work release contains any restrictions, Human Resources will work with the employee and the supervisor to determine if the College can accommodate the state restrictions. The College will consider any employee who fails to return to work after receiving the release from the licensed medical provider to be absent from his/her job without authorization. The College considers three (3) days of unauthorized absences to be a voluntary resignation.

5.37.6 Donations to Shared Sick Leave Bank

An employee may donate up to 40 hours from his/her accrued sick leave in a fiscal year to the Shared Sick Leave bank as long as his/her accrued sick leave does not fall below 240 hours. Once a donation has been made to the Shared Sick Leave bank, it cannot be restored to the individual. Donations may be made during the months of September and May of each year. The Shared Sick Leave bank cannot exceed a maximum of 2,000 days, and donations will be accepted only when the days accumulated in the bank drop below 2,000 days.

5.37.7 Option for Employees Ineligible for Shared Sick Leave

Employees who do not qualify for Shared Sick Leave, who have exhausted their accumulated paid leave, and/or who have exhausted Family and Medical Leave may consult Human Resources to determine eligibility to apply for an unpaid leave, reduced work schedule, retirement and/or long-term disability.

5.37.8 Exhaustion of the Shared Sick Leave Bank

Days in the Shared Sick Leave bank will be distributed until exhausted or as determined by the College President. The program may be amended as required to maintain the integrity and purpose of the Shared Sick Leave bank.

Procedures:

5.38.1 Employee-Selected Professional Association

5.38.2 College-Recommended Professional Association

Employees so designated will represent the College in the organization and will be expected to participate actively and promote its interests.

5.38.3 Coordinating Representation

Administrators are responsible for coordinating sponsorships of employees in professional associations. Administrators will normally consider the following

factors in selecting associations in which to sponsor representation and in designating employees to be sponsored for membership.

1. The nature and purpose of the association;
2. The benefit to be derived by the College's support and from employee participation;
3. The cost to the College;

5.41 Disability and Workplace Accommodation *(Adopted 5-12-2014)*

East Central College is committed to the fair and equal employment of individuals with disabilities. It is the College's policy to reasonably accommodate qualified individuals with disabilities unless the accommodation would impose an undue hardship on the organization. It is the policy of the College to comply with all Federal and state laws concerning the employment of persons with disabilities.

Procedures:

5.41.1 Disability

"Disability" refers to a physical or mental impairment that substantially limits one or more of the major life activities of an individual. An individual who has such impairment, has a record of such impairment or is regarded as having such impairment is a "disabled individual." A "qualified person with a disability" means an individual with a disability who, with or without reasonable accommodation, can perform the essential functions of the job.

5.41.2 Reasonable Accommodation

The College will seek to provide reasonable accommodation for a known disability or at the request of an individual with a disability. A “reasonable accommodation” is any change or adjustment to the job application process, work environment, or work processes that would make it possible for the individual with a disability to perform the essential functions of the job.

There are three types of reasonable accommodations that may be considered:

1. Changes to the job application process so that a qualified applicant with a disability will receive equal consideration for the job opportunity;
2. Modifications to the work environment so that the qualified individual with a disability can perform the essential functions of the job; or
3. Adjustments that will allow a qualified individual with a disability to enjoy the same benefits and privileges of employment as other similarly situated employees without disabilities.

5.41.3 Essential Job Functions

“Essential job functions” refers to activities that are core to performing a job and cannot be modified. For each position, the job description will identify essential job functions. Job descriptions will be reviewed on a periodic basis to evaluate job functions designated as essential.

5.41.4 Requesting a Reasonable Accommodation

An employee with a disability is responsible for requesting an accommodation from the Human Resources Department or his or her supervisor, and providing medical documentation regarding the disability when requested. Once medical documentation is received, the Human Resources Department will work with the supervisor, employee and medical provider, where applicable, to identify possible reasonable accommodations and to assess the effectiveness of each in allowing the employee to perform the essential functions of the job. Based on this interactive process, a reasonable accommodation will be selected that is most appropriate for both East Central College and the individual employee. While an individual’s preference will be considered, the College is free to choose between equally effective accommodations with consideration toward expense and impact on the rest of the organization.

5.41.5 Undue Hardship

A request for reasonable accommodation may be denied if it would create an undue hardship for the College. Factors to be considered when determining whether an undue hardship exists may include, but are not limited to, 1) the nature and cost of the accommodation, 2) the College’s overall financial resources, 3) the effect on expenses and resources or other impact, and 4) the number of employees at the location and the total number of employees of the College.

5.41.6 Safety

All employees are expected to comply with all safety procedures. East Central College will not place qualified individuals with disabilities in positions in which they will pose a direct threat to the health or safety of others or themselves. The determination that an individual with a disability poses a direct threat will be made by the Human Resources Department and will be based on factual, objective evidence. A written copy of the determination will be given to the employee so that he/she may submit additional information and/or challenge the determination that he/she poses a direct threat.

5.41.7 Confidentiality

All information obtained concerning the medical condition or history of an applicant or employee will be treated as confidential information, maintained in separate medical files, and disclosed to ECC personnel as deemed necessary and as permitted by law.

5.41.8 Complaint Procedure

It is the policy of East Central College to prohibit any harassment or discriminatory treatment of employees on the basis of a disability or because an employee has requested a reasonable accommodation. If an employee feels he/she has been subject to such treatment or has witnessed such treatment, the situation should be reported to Human Resources. Any employee found to have engaged in retaliation against another employee for making a request for reasonable accommodation under this Policy, registering a complaint under this procedure or assisting in the investigation of any registered complaint will be subject to immediate disciplinary action up to and including termination.

5.42 Drugs and Alcohol Free Workplace *(Reaffirmed 12-2-1991; Revised 7-30-20012, 11-4-2013)*

It is the objective and goal of East Central College to provide a drug and alcohol-free environment.

Procedures:

5.42.1 Federal Law Compliance

It is the College's intent and obligation to meet compliance with the Drug-Free Work Place Act of 1988, Public Law 100-690, and update to the Drug-Free School Community Act of 1989, Public Law 101-226 to provide a drug-free, healthy, and safe work environment.

5.42.2 Explanation and Consequences of Prohibitive Behavior

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, narcotics or alcoholic beverages on the College premises or off-campus sites (including College vehicles and any private vehicles parked

on College premises or off-campus sites) or College-sponsored functions is absolutely prohibited. This includes reporting to work under the influence of alcohol or illegal drugs and/or having a detectable level of alcohol or an illegal drug present in one's system while on the job, operating College vehicles or on any College premises. Violations will result in disciplinary action, up to employment termination, and may have legal consequences. All employees and applicants are required to comply with the Drugs and Alcohol Policy as a condition of employment.

Instance of violations could result in the involvement of civil law enforcement authorities. Violations include, but are not limited to, possessing illegal or non-prescribed drugs and narcotics or alcoholic beverages at work; being under the influence or using those substances while working; or dispensing, distributing, or illegally manufacturing or selling them on College premises.

Employees subject to the Drug-Free Workplace Act who are convicted of any criminal drug violation occurring in the workplace must report the conviction in writing to the Human Resources Office within five days, and the Human Resources Office will take appropriate action as required by law.

5.42.3 Drug and Alcohol Testing

Employees may be asked to take a test if there is reasonable suspicion to believe that an employee is under the influence of an illegal drug and/or alcohol. The following circumstances could cause reasonable suspicion:

1. Observed drug or alcohol use.
2. Apparent physical state of impairment.
3. Incoherent mental state.
4. Marked change in personal behavior that is otherwise unexplainable.
5. Deteriorating work performance that is not attributable to other factors.
6. An accident where there is reasonable suspicion that drugs or alcohol may be a factor.
7. Any circumstances which cause a reasonable suspicion that an employee is under the influence of illegal drugs and/or alcohol.

The test will determine the presence of drugs, narcotics, or alcohol, unless such tests are prohibited by law. Employees who agree to take the test must sign a consent form authorizing the test and the College's use of the test results for purposes of administering its discipline policy. It is a violation of this Policy to refuse consent for these purposes or to test positive for alcohol or illegal drugs. Policy violations will result in discipline and may result in termination. Tests that are paid for by the College are the property of the College, and the

examination records will be treated as confidential and held in separate medical files.

5.42.4 Employer and Employee Responsibilities *(Revised 11-4-2013)*

- A. Supervisors should report immediately to the division Vice President and Human Resources Office any action by an employee that might pose a danger to himself/herself or others. The Director of Human Resources, the division Vice President, and the College President or his/her designee will determine whether the employee should be examined by a physician or clinic and/or tested for drugs and alcohol. Employees believed to be under the influence of drugs, narcotics, or alcohol will be required to leave the premises and, to the extent allowed by law, may be suspended without pay. Alternate transportation must be arranged by the employee. If the employee is unable to secure transportation, alternate transportation will be provided at the employee's expense (i.e. taxi). At no time will a current employee be allowed to transport the employee who is under the influence.

Employees are to report to the division Vice President or Director of Human Resources any suspicious behavior of a co-worker, employee, student or campus visitor that may be alcohol or drug related without fear of retaliation. To the extent possible, the report will be handled in a confidential manner.

- B. Employees who are experiencing work-related or personal problems resulting from drug, narcotic, or alcohol abuse or dependency may request, or be required to seek help through the Employee Assistance Program. Authorization to return to work will be required. Employees who participate in a treatment program will be expected to meet existing job performance standards and established work rules.
- C. Nothing in this statement is to be interpreted as constituting a waiver of management's responsibility to maintain discipline or the right to take disciplinary measures in the case of poor performance or misconduct.
- D. It must be understood that this Policy has no bearing whatsoever on what employees do on their own time unless it reflects on their job performance.

5.42.5 Alcohol and Drug-Free Awareness Program *(Revised 11-4-2013)*

The College will inform employees as deemed necessary about:

- A. The dangers of alcohol and drug abuse in the workplace.
- B. The College's policy and procedures for maintaining an alcohol and drug-free workplace.

- C. Any available drug counseling, rehabilitation and employee assistance programs.
- D. The penalties that may be imposed upon employees for alcohol and drug abuse violations occurring in the workplace.

5.42.6 Treatment *(Revised 11-4-2013)*

Employees who suspect that they may have an alcohol or drug dependency problem are encouraged to seek diagnosis and follow through with the treatment that is prescribed by qualified professionals in order to arrest the problem. Employees having these problems will receive treatment that is extended under the College's health benefit plans and are encouraged to seek additional and/or alternate treatment that may be available at the employee's own expense.

5.43 Communicable Diseases *(Approved 3-7-1988; Revised 11-3-2003, 11-4-2013)*

This Policy is intended to prevent the transmission of communicable diseases from an employee (as defined below) to other members of the College community. An employee with a communicable disease presents a reasonably foreseeable risk of harm to others. Therefore, the College will take action in accordance with this Policy to minimize the risk of transmission and to maintain a safe campus working and educational environment. Some College departments have additional restrictions and procedures that must be followed due to the nature of the educational environment.

Procedures: *(Revised 11-4-2013)*

5.43.1 Definitions *(Revised 6-30-2014)*

The term "communicable disease" shall mean an infectious disease that is readily capable of transmission to other individuals through close contact, exposure to routine secretions, and/or physical proximity on a College campus. A communicable disease may be acute (short-term) or chronic (long-term). For purposes of this Policy, the term is not intended to include diseases for which transmission is virtually eliminated as a result of the application of standard universal precautions (e.g., HIV/AIDS).

For purposes of Policy 5.43, the term "employee" shall include all College employees, students hired as employees, outside or independent contractors, individuals retained or hired by contractors, sub-contractors, sole-proprietors, service providers, and volunteers performing a service for the College.

The term "Assessment Team" shall mean a multi-disciplinary team convened to review and assess the employee's communicable disease and its effect on the College community.

The terms "others" or "others in the College community" shall mean employees, students, and visitors to the College or any of its satellite facilities or properties.

5.43.2 Disclosure

If an employee becomes aware that he/she has a communicable disease, that employee shall self-report to the Director of Human Resources. A College supervisor who has personal knowledge that a College employee has a communicable disease must also report this fact to the Director of Human Resources.

5.43.3 Assessment

Upon receipt of a report that an employee has a communicable disease, the Director of Human Resources is authorized to exclude any employee from College property until a multi-disciplinary team ("Assessment Team") is convened to review and assess the employee's condition. The employee shall be placed on administrative leave with pay until the Team makes a determination regarding the employee's status as set forth below.

The Director of Human Resources must convene the Team within a reasonably prompt period of time after receiving a report that the employee has a communicable disease. The Team should be convened within five (5) business days, if not sooner. The Assessment Team will be comprised of the following persons: (1) the employee; (2) the Director of Human Resources or designee; (3) a College-selected physician or other consultant with knowledge of the particular disease; (4) the employee's health care provider; and (5) other advisers for the parties, upon request, at their respective expense. All individuals are responsible for arranging their schedules to meet at the time and place designated by the Director of Human Resources. Because of the importance of addressing the communicable disease in a prompt manner, this meeting will not be rescheduled because of the unavailability of one or more members. However, Team Members may participate remotely upon giving advance notice to the Director of Human Resources.

The Team will assess, review, and consider the following: (1) the employee's condition; (2) the present and future risk of transmission to others; (3) the existence and practicality of implementing precautions, methods and strategies to eliminate or reduce the risk of transmission to others; (4) the restrictions, if any, that will be required to prevent the employee from creating the risk of transmission to others; (5) whether the employee should be excluded from working on College property, and, if so, whether alternative work arrangements can be made; and (6) if warranted, the date upon which the Team will reconvene to reassess the matter.

The Team will make its determination within three (3) working days after it has convened. The Team's determination will be communicated in writing to the Director of Human Resources, who shall provide written notice of the determination to the employee and President of the College. If the excluded employee works for or is a subcontractor of an outside entity, then the outside entity shall be notified in writing of the determination.

If the condition is chronic or persists for more than a short, definable period, the Team shall reassess its determination as often as the Team deems appropriate.

This assessment process is not intended to limit or otherwise inhibit the right of the College to contact the local health authority or other public health official for guidance in handling a communicable disease situation or for direction. Directives or orders from public health officials shall supersede the assessment process in this Policy.

5.43.4 Consent

To aid in its assessment, the Team may request that the employee provide a HIPAA-compliant authorization that permits the Team to communicate with the employee's health care provider(s) regarding the status and effect of the employee's communicable disease. In addition, the Team may require, at College expense and in accordance with law, the employee to undergo a physical examination and/or medical tests that are narrowly tailored to assist the Team in determining whether the employee still has a communicable disease. An employee who refuses to provide consent to enable the Team to communicate with the employee's health care provider(s) or to undergo the required examination/tests may be subject to exclusion from employment and/or from College property, as permitted by law, until such time as consent is provided or the Team determines that the employee may be returned to work in accordance with this Policy.

5.43.5 Compensation During Period of Exclusion

As noted above, the employee shall be placed on administrative leave with pay until the Team makes a determination regarding the employee's status.

If the Team excludes the employee from being physically present to work on College property, the Director of Human Resources will notify the employee whether that exclusion is with or without pay. Non-contractual, at-will employees will not be paid during the exclusion period, but they shall be entitled to use their available paid leave during the period of exclusion. If the Team is able to make alternative work arrangements for the employee, such that the employee is able to perform his/her regular job duties away from campus, the employee will be paid for hours actually worked. Employees under contract shall not be paid during the period of exclusion only where the law allows such denial of pay. A contracted employee who is able to perform his/her regular job duties away from campus will be expected to do so.

Excluded employees shall, if eligible, be afforded the protection of the Federal Family and Medical Leave Act.

5.43.6 Return to Work

The Team is authorized to decide that the employee may return to work if it determines that one or more of the following is true:

- (1) The employee no longer has the communicable disease; or
- (2) The communicable disease is not in the infectious or contagious stage, or
- (3) The communicable disease poses little to no risk of transmission in the College environment upon the application of universal precautions.

5.43.7 Appeal

The employee may appeal the Team's determination to the President of the College by written notice within three (3) business days of the receipt of the Team's decision. The employee shall set forth in writing all reasons as to why the Team's decision should be modified or reversed. As part of the appeal process, the President is entitled to review all documentation produced and considered by the Team. Upon conclusion of this review, the President will issue a written decision to the Team and the employee. The President's decision shall be final. However, if the employee believes that the actions under this Policy were taken in violation of Section 504 of the Rehabilitation Act of 1974 ("Section 504") or the Americans with Disabilities Act ("ADA"), the employee is permitted to submit an appeal by proceeding to the final level of the College's Grievance Policy on Section 504/ADA complaints. A copy of that Policy may be obtained from the College's Compliance Coordinator for these laws, whose contact information is as follows:

Director of Human Resources
East Central College
1964 Prairie Dell Road
Union, MO 63084
Phone: 636-584-6712

An employee who is unable to resolve a problem or grievance under Section 504 or the ADA has the right to file a complaint with the Office for Civil Rights for the United States Department of Education, Region VII, 8930 Ward Parkway, Suite 2037, Kansas City, MO 65114; phone 816-268-0550.

5.43.8 Confidentiality

Employees with communicable diseases have a right to privacy and a need for confidentiality of their medical information. Therefore, to preserve this right, the following rules will apply:

- (1) The employee's medical condition and related information may be disclosed to those individuals who have a "need to know" the information in order to implement this Policy, to assure that proper care is provided, and/or to detect/monitor situations in which the potential for transmission of the communicable disease may increase, as well as to those individuals

who are otherwise authorized to receive, or who must receive, this information under law.

- (2) The employee's medical information shall be retained in a file separate from the employee's personnel file. This separate file shall be maintained by the Director of Human Resources.
- (3) Willful, negligent or unauthorized disclosure of information about an employee's medical condition will be cause for remedial or disciplinary action, up to and including dismissal.

5.43.9 Exposure to Blood and Bodily Fluids

Many College employees work in programs that may regularly or commonly expose them to blood or other bodily fluids. These employees shall follow the Centers for Disease Control Guidelines.

All College employees shall take routine and universal precautions when there is a possibility of exposure to blood or other bodily fluids. Direct skin contact with blood or other bodily fluids should be avoided whenever possible. Employees who may repeatedly come into contact with potential sources of communicable diseases will receive specific training.

5.44 Family and Medical Leave Act *(Adopted 11-4-2013)*

The College complies with the provisions of the Family and Medical Leave Act (FMLA). The College reserves all rights available to employers under the Family and Medical Leave Act.

Definitions

Son or Daughter – For purposes of FMLA leave taken for birth or adoption, or to care for a family member with a serious health condition: a biological, adopted, foster child, stepchild, legal ward or a child for a person standing in loco parentis who is (a) under 18 years of age; or (b) 18 years of age or older and incapable of self-care because of a mental or physical disability.

For purposes of FMLA leave taken related to Armed Forces active duty or call to duty, or covered servicemember care: a biological, adopted, foster child, stepchild, legal ward or a child for a person standing in loco parentis who is of any age.

Parent – A parent is defined as the employee's biological, adoptive, step or foster parent, or the individual who stood in loco parentis to an employee when the employee was a child.

Serious Health Condition – Generally, a serious health condition is defined as a physical or mental illness, injury, impairment, or condition involving 1) inpatient care in a hospital, nursing home, or hospice; or 2) continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes three or more consecutive calendar

days of incapacity relating to the same condition that also involves treatment two or more times directed by a health care provider or treatment one or more times with a resulting regimen of continuing treatment. Included also in the definition is any condition or medical situation not specifically listed here but contained within the FMLA regulations.

Next of Kin - The nearest blood relative of the covered servicemember.

Procedures:

5.44.1 Eligibility

Employees are eligible for Family Medical Leave if they have worked at least 1,250 hours during the prior 12 months and have been employed with the College at least one year. Employees are entitled to take up to 12 weeks of leave without pay and/or utilize accrued leave during a 12-month period due to one or more of the following:

- (a) For incapacity due to pregnancy, prenatal medical care or child birth;
- (b) To care for the employee's child after birth, or placement for adoption or foster care;
- (c) To care for the employee's spouse, son or daughter, or parent, who has a serious health condition;
- (d) For a serious health condition that makes the employee unable to perform the employee's job;
- (e) A qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces.

In addition, employees who are the spouses, sons or daughters, parents or next of kin of a covered servicemember are entitled to take up to 26 weeks of unpaid leave during a single 12-month period to care for the servicemember who incurs an injury during military service when that injury results in the servicemember being unable to perform his or her duties.

The employee is required to first use accumulated sick, personal, and/or vacation days; the balance of the leave will be unpaid up to the 12-week maximum. If the employee is using Family Medical Leave for his/her own medical needs, the College will continue to provide paid insurance benefits during the leave. As described in this Policy, medical certification from an applicable health care provider will be required. The duration of each leave of absence and the compensation received by the employee, if any, during the leave of absence shall be determined by the College in conjunction with applicable federal and state law.

5.44.2 Counting of Leave Taken Under FMLA

The College will determine the amount of leave available under this Policy for an eligible employee by using a "rolling" 12 month period. A "rolling" 12

month period measures backward from the date an employee's leave commences to the 12 months preceding this date.

5.44.3 Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Employees must report that the leave is FMLA related when informing the supervisor. Leave due to qualifying exigencies may also be taken on an intermittent basis.

5.44.4 Notice Requirements of Employees

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and must comply with an employer's normal call-in procedures. The employee's supervisor must consult Human Resources as soon as there is knowledge an employee needs to be off work.

5.44.5 Medical Certification

Medical certification by an applicable health care provider is required for all leaves with the exception of leave for childbirth.

The employee must provide certification as soon as reasonably possible and no later than 15 days after the College notifies the employee that the leave may qualify as FMLA. If the employee fails to provide such timely certification, the leave request may be denied until a reasonable period after the required certification is provided, or the leave request may be denied entirely. Human Resources will inform the employee if the request is approved/denied.

5.44.6 Active Duty/Call to Duty Certification

For leave of absence due to Armed Forces active duty or call to duty, the employee must provide the available Armed Forces documentation as soon as possible.

5.44.7 Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave

entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

5.44.8 Substitution of Paid Leave for Unpaid Leave

The employee is required to first use accumulated sick, personal, and/or vacation days; the balance of the leave will be unpaid up to the 12 week maximum.

5.44.9 Continuation of Benefits while on Family or Medical Leave

For any employee granted leave under this Policy:

- (a) The College will continue to pay the employer portion of the group medical, dental, vision and life insurance premiums.
- (a) The employee must continue to pay the employee's portion of insurance premiums.
- (b) If the employee does not return to work when FMLA leave is exhausted, the opportunity to purchase continuing coverage under COBRA regulation will apply.

5.44.10 Impact on Future Retirement Benefits

For information on potential impact of Family and Medical Leave on retirement benefits, the employee should refer to the PSRS-PEERS website at <http://www.psrs-peers.org>. Subject to PSRS-PEERS requirements, employees on unpaid leave may be able to contribute based on current salary into the applicable retirement system in order to earn service credit.

5.44.11 Fitness-for-Duty Requirements

Employees who take leave under this Policy due to their own serious health condition must provide to the Human Resources office, in advance of returning to work, a "return to work" slip from their health care provider stating that they are able to resume the essential functions of their jobs with or without a reasonable accommodation. Employees may not return to work without the required documentation from their health care providers.

5.44.12 Return from Family and Medical Leave

Employees are expected to return to work the first workday following the last day of the family or medical leave. In cases where the employee is unable to return sooner or the employee needs an extension of leave time, employees are asked to provide two days' notice of such whenever possible. Upon return from a family or medical leave, an employee will be restored to the same or an equivalent position. An employee's failure to return from leave on the designated date will be handled in accordance with College Policy.

5.44.13 Option for Employees Ineligible for FMLA Leave

Employees who do not qualify for leave under FMLA or who have exhausted family and medical leave may consult Human Resources to determine their eligibility to apply for an unpaid leave.

5.45 Nursing Mother Accommodations *(Adopted 4-15-2014)*

East Central College will comply with the requirements of the Patient Protection and Affordable Care Act (PPACA), which amended Section 7 of the Fair Labor Standards Act (FLSA) to provide a reasonable amount of break time to express milk as frequently as needed by the nursing mother.

Procedures:

5.45.1 Providing Accommodation

The College will accommodate employees who are nursing mothers and who need to express milk during the work day for up to one (1) year after the child's birth. Employees covered by this provision will work with their supervisor to determine how best to accommodate the needs of the mother while still meeting job expectations.

5.45.2 Time for Lactation Accommodation

Supervisors will be required to provide a reasonable amount of break time to express milk as frequently as needed by nursing mothers. Nursing mothers covered by Policy 5.32 will be allowed to extend the two paid fifteen minute breaks provided in that Policy by up to an additional 15 minutes of paid time to express milk if needed. If a longer break time is necessary, the employee will be required to make up the missed time or use vacation/personal leave. If an employee takes more than the two paid breaks and the unpaid 30 minute lunch break during the work day to express milk, the employee will need to make up the time missed or use vacation/personal leave. Non-exempt employees will be required to record break times on the timecard. Accrued sick leave cannot be used for milk express breaks as this does not qualify for sick leave.

5.45.3 Environment for Lactation Accommodation

The nursing mother may use her office, an office in the immediate work area or one of the private locations designated by the College for expressing milk. Milk may be stored in College refrigerators located in the break areas throughout the campus.

5.46 Workers' Compensation (Adopted 5-12-2014)

The College provides Workers' Compensation benefits for all College employees pursuant to the mandates of the Missouri Workers Compensation Law.

Employees who suffer an injury or who are exposed to or contract any occupational disease arising out of and in the course of their employment with the College ("a work-

related injury”) will receive benefits from the College in accordance with this Policy and the Missouri Workers’ Compensation Law (“the Law”).

Procedures:

5.46.1 Reporting of Injury

Employees must notify their supervisor or College designated representative immediately of any work-related injury prior to seeking treatment or if refusing treatment. The supervisor or College designated representative should inform Human Resources of the work-related injury. College designated representatives include the Facilities/Grounds Director, the Satellite Site Director for the site at which the work-related injury occurred, an ECC first responder and Campus Security personnel. Human Resources will maintain on the web page a list of the College designated representatives and any forms referenced in this Policy.

An injured employee must visit an authorized provider or facility in order to be covered through Workers’ Compensation. The employee is to inform the medical providers and facilities that the injury was work-related.

- 1) Day Hours – If a work-related injury happens during the hours of 6 a.m. to 4:30 p.m., the employee must inform the immediate supervisor or Division Vice President. A written report of injury must be completed that day.
- 2) Evening Hours – If a work-related injury happens Monday – Thursday after 4:30 p.m., the employee must inform the immediate supervisor, ECC first responder or Campus Security. The work-related injury should be reported to the supervisor and a written report of injury must be completed the next business day.
- 3) Weekend/Holiday - If a work-related injury happens on the weekend, the employee should contact the immediate supervisor or Campus Security. The work-related injury should be reported to the supervisor and a written report of injury must be completed the next business day.

5.46.2 Designated Workers’ Compensation Facilities

The College will identify healthcare facilities in close proximity to each of its locations which will be designated Workers’ Compensation facilities to be utilized in case of a work-related injury. Employees are required to utilize the designated facilities according to the designated hours.

An injured employee must visit an authorized provider or facility in order to be covered through Workers’ Compensation. A list of these facilities will be maintained in the Human Resources Office and posted on the Human Resources web page. Employees will be responsible for payment for medical treatment if they receive treatment from any medical provider or facility other than the College authorized medical provider or facility.

For purposes of physical therapy, an employee may use the College authorized medical provider or facility that is closest to the employee's home.

5.46.3 Emergency Situations

Employees and/or ECC first responders must notify the supervisor immediately of any work-related injury. If a work-related injury is an emergency, 911 should be called immediately. The medical providers will determine the appropriate care and whether or not the employee needs to be treated at the hospital. The College designated representative will contact the hospital and authorize treatment. If the nature of the work-related injury is such that the employee cannot immediately submit the completed report of injury form, the employee's supervisor will assist the employee in completing the form as soon as possible.

5.46.4 Non-Emergency Situations

If the work-related injury is a non-emergency but requires medical treatment, the employee will pick up a Treatment Authorization Form from Human Resources, Facilities and Grounds, or the Satellite Site office and go to a designated medical facility closest to his/her campus per the hours of operation. If the employee is not capable of driving, alternate transportation arrangements will be made by the employee or College. Employees should not transport another employee unless approved by a College Administrator, Human Resources or the applicable Satellite Site Director. The College designated representative will contact the treatment facility to authorize treatment of the employee.

5.46.5 Injury Report

An injury report should be completed by the employee and the supervisor and submitted to the Human Resources Office no later than the next business day after the work-related injury. Any witness(es) should complete the injury report form and submit it to the supervisor. If the nature of the work-related injury is such that the employee cannot immediately submit the completed report of injury form, the employee's supervisor will assist the employee in completing the form as soon as possible. Any delay in reporting the work-related injury may delay Workers' Compensation benefits. Injury report forms are available in the Human Resources office and on the Human Resources web page.

5.46.6 Follow-up Medical Treatment

Follow-up visits and/or therapy should be scheduled during normal working hours. An employee does not receive compensation when treatment is after hours or on a holiday.

An employee can receive mileage reimbursement for medical treatment according to College Policy for travel from the work location to the designated facility. An employee can receive mileage reimbursement for medical treatment according to Workers' Compensation for travel from the work location to the designated medical facility if twenty-five miles or more one way.

5.46.7 Return to Work

Employees must provide a release from their treating physician to return to work after being absent due to a work-related injury. The employee will work with the supervisor and Human Resources if any restrictions are required. All releases from treating physicians must be forwarded to the Human Resources office.

An employee who fails to return to work after receiving the release from their treating physician to do so would be considered absent from their job without authorization. The College considers three days of unauthorized absences without notice to be a voluntary resignation.

5.46.8 Compensation Benefits

The College will pay for time lost because of a work-related injury during the remainder of the normal workday in which the work-related injury occurs.

5.46.9 Temporary Total Disability Benefits

Employees will receive Temporary Total Disability (TTD) Benefits in accordance with the Law. TTD Benefits are wage replacement benefits paid to an employee in lieu of wages during the period of time in which the employee is unable to return to any employment because of a work-related injury.

Employees whose average weekly wage as defined by the Law ("average weekly wage") exceeds the actual wage necessary to obtain the maximum total disability rate as defined by the Law ("maximum wage") may use accrued vacation, sick leave or personal leave to cover the difference between the employee's average weekly wage and the maximum wage during the time period such employee is entitled to TTD Benefits under the Law.

By Law, TTD Benefits are not provided for the first three (3) full days of absence due to a work-related injury unless the employee is off work for at least 14 calendar days due to a work-related injury. The employee may request use of accrued vacation, sick leave or personal leave for the first three (3) days' absence from work. If the employee is off work more than 14 calendar days, TTD Benefits will be made from the first day of lost time. The College will reduce the next month's accrued vacation, sick leave or personal leave based on the difference between the amount of TTD Benefits paid and the amount of accrued leave used for the first three (3) days of absence.

An employee who is receiving unemployment benefits may not receive concurrent TTD benefits.

An employee who is terminated from employment with the College for post-injury misconduct will not be entitled to continue to receive TTD benefits.

An employee receiving TTD Benefits will continue to accrue vacation and sick leave.

Employees should refer to PSRS/PEERS for information on the potential impact of TTD Benefits on retirement benefits.

An employee who has returned to work after a work-related injury, but is still receiving medical treatment, will not receive TTD benefits for time missed from work for physical therapy, employer-requested medical evaluations, or to attend medical treatment and/or evaluations. The employee will be allowed to seek follow up treatment during the normally assigned work shift.

5.46.10 Continuation of Employee Benefits While Off Work Due to Work-Related Injury

If an employee is not able to work due to a work-related injury and as long as the injured person remains an employee of the College, all regular employee benefits may continue. However, since the employee will be receiving TTD Benefit checks directly from the College's insurer and not through the College's regular payroll system, the employee's portion of the cost for dependent benefits cannot automatically be deducted from the employee's payroll check. Therefore, the employee is responsible for making separate payment arrangements with the College.

Workers' Compensation leave for more than three days will be designated as FMLA leave for qualifying employees.

5.46.11 Compliance

Under the law, Workers' Compensation benefits can be denied if an employee is found to be using alcohol and/or non-prescribed controlled drugs in the work place and the use is the proximate cause of the injury. If the employee is found to be using alcohol/drugs and the use is not the proximate cause of injury, a 50% penalty can be leveraged against otherwise payable benefits.

An employee with a work-related injury must strictly follow any and all instructions of the treating physician. This compliance includes, but is not limited to: prescription use, therapy, rest, following activity restrictions, and returning for follow-up visits. Compliance with medical instructions is mandatory on and off the job.

If an employee violates a rule of the College or fails to use a required safety device, that employee's Workers' Compensation benefits may be reduced by 25-50%.

Employees are expected to comply with these policies as a condition of their employment. This includes, but is not limited to, the expectation that an employee shall:

1. Comply with physician's orders,
2. Immediately notify their supervisor or the College designated representative of a work-related injury,
3. Refrain from the use of drugs and/or alcohol in violation of the College's policies,
4. Comply with safety standards,
5. Return to work upon release of physician, and
6. Be absolutely truthful and accurate in all claims and reports.

Failure to comply with this Policy may result in College discipline up to and including termination.
