

ADJUNCT REFERRAL PROGRAM

**ECC is introducing a new referral program
to help find adjuncts!**

All full-time, part-time, adjunct and dual-credit employees who recruit and refer individuals for employment as adjuncts for ECC can receive a \$100 incentive if the person is hired. The new adjunct would also get \$100.

The goal of the Adjunct Referral Program is to recruit adjunct instructors for the Union Campus, Rolla sites and online instruction.

To see full details, visit:

www.eastcentral.edu/hr

In addition, employees who are eligible for the program will be entered into a monthly drawing for \$25 if a referral applied for a position, met the minimum job qualifications but was not hired. Applicants must list the employee's name as the referring person.
