

# APPRENTICESHIPS

East Central College's Apprenticeship Coordinator works directly with companies to walk them through the registration process and to develop a customized apprenticeship program for their specific workforce needs, typically lasting between one to four years.

Programs are comprised of 3 key components:

**Scalable  
Wage**

**Supervised  
On-The-Job Training**

**Job-Related  
Education**

Upon completion of a Registered Apprenticeship Program, apprentices will earn a Department of Labor Registered Apprenticeship Certificate classifying them as a journeyman.
