Leadership Pre-Apprenticeship

Sept 19 - Oct 3, 2022 • \$600

The Leadership Pre-Apprenticeship program will consist of an on-boarding session to introduce and discuss the program outcomes, goals, the LMS system used to track a participants progress and next steps & requirements to progress toward a registered apprenticeship program. The program will also include a DiSC Assessment that is reviewed with each pre-apprentice with an assigned coach. A DiSC assessment is a behavior-assessment tool that aims to help people understand their leadership styles and improve workplace teamwork. A post-DiSC assessment report shows your scores in various dimensions, provides insights into your personality, and suggests tactics for increased effectiveness.
