Arc Flash Electrical Safety Certification NFPA 70E

September 26, 2024 • 8:00 a.m. - 4:00 p.m. • BIC 131

This training program is designed to save lives, prevent disabling injuries and prevent damage to plants, building and equipment. It covers NFPA 70E in depth, the standard for meeting OSHA training obligations. Participants attending this course will gain an immense respect for the power of electricity as they learn the important new rules of electrical safety.
