# Plan Your Giving With the ECC Foundation

Food for Falcons

Many students have to choose between paying tuition or paying for groceries. Help feed food-insecure students at East Central College by donating to the Food for Falcons program. This program allows students one free meal per day, Monday through Thursday.

The meals in this program are made in-house by our cafeteria staff, so the money donated stays inside ECC. This program helps with retention too as it keeps students on campus. Students know if they come to ECC, they can have at least one full meal a day. Any student is eligible, so there is no singling out low-income students.

In 31 days, ECC provided 4,392 free meals for a total of $26,221. This amounts to about $97,000 annually. After this first year, we will run data on success rates.

30% of community college students didn't have enough to eat the last 30 days**

Over 11% of Franklin County suffers from food insecurity*
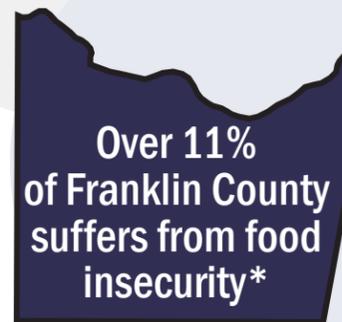

Friends of the Foundation 2023

The support we receive provides hundreds of scholarships, creates an innovative learning environment in which students prosper, and has allowed ECC to continue its tradition of affordability and excellence.

Your annual gift will help open doors of opportunity and continue to support student success at ECC.

Donating to a scholarship or pathway fund is different than donating to Friends of the Foundation.

Donating to Friends of the Foundation is giving general support towards tuition, books, etc., rather than to a specific scholarship. This is an essential need the college has each year.

Our goal is to raise $50,000 each year!

Planned Giving

Become a partner in ECC's future

Your Gift Matters
Generosity comes in many forms, and it's often the best way for you to support important causes that matter the most in your life. When you give to the East Central College Foundation, you help us make a lasting impact in student lives.

Scholarships & Pathway Funds

The Foundation offers numerous scholarships and pathway funds to qualified students with a cumulative 2.5 GPA or higher. These scholarships are made possible through the generosity of businesses, community organizations, and individuals.

A scholarship or pathway fund can be billable, a lump sum, or an endowed fund.

- Billable scholarships are invoiced every year.
- Lump sum scholarships or pathway funds are set up by the Foundation receiving a lump sum and giving out a designated amount until the funds are depleted.
  - Can become billable after lump sum is depleted.
- The minimum gift to establish an endowed scholarship or fund is $10,000. These scholarships or funds can build up to $10K+ over time or be established with a lump sum payment.
  - We endeavor to pay out 5% on our endowed scholarships each year.
  - $10,000 endowed creates a $500 per year scholarship

Donors have an opportunity to meet the students they assist at the annual Scholarship Luncheon on the first Friday of October.

Summer Learning Academy 2023

The Summer Learning Academy offers a variety of classes to children ages 5-17. These classes provide an enrichment opportunity for children and teens in the ECC service region. Classes are traditionally taught in July and early August. Last summer there were almost 800 registrants. To offer these classes free again this summer, we need to raise $25,000!
