WI-FI PRINTING

Students can now Wi-Fi print to printers in the Learning Center and Library. Once logged in to print.eastcentral.edu from your device you can go to the print selection at the top and install the web printer software.

Then drag and drop the file or choose the file from the appropriate location and upload it. Select the file and hit next.

You will then select the appropriate printer you want to print to from the dropdown box.

Click the "NEXT" button in the lower right of the screen to send the file to the selected printer.
