### The following rules and regulations apply to students receiving A+ benefit at ECC.

- I must have an **official** high school transcript with the A+ seal sent to the ECC Registrar.
- I must provide ECC an official college transcript from all other colleges I have attended. The completed hours at a previous A+ institution, along with the number of hours accepted as transfer credit from a non A+ institution, will determine my 105% maximum of A+ eligibility.
- I must be enrolled full-time to use A+ funding (12 or more hours in the fall and spring and 6 or more in the summer) unless I have a waiver due to a documented disability.
- Renewal students must maintain a cumulative 2.5 GPA at the end of each semester to continue receiving benefits.
- I am eligible for A+ funding a maximum of 48 months from the date of high school graduation or until 105% of the hours required for my current degree is reached (cannot exceed 48 months) or until I have earned an associate's degree or certificate (cannot exceed 48 months).
- A+ will pay for tuition, activity fee, support service fee, technology fee, facilities fee and the foundation seminar class fee for courses that are required for my declared degree.
- Respiratory Care and Occupational Therapy Assistant degrees are funded a maximum of \$159.75 per credit hour.
- I will be responsible for books, special fees, music fees, drop fees, online course fees, supplies or lab fees.
- I must complete the FAFSA and any other required forms each academic year.
- All federal and state grants with the exception of Bright Flight will be applied to tuition and fees before A+. Depending on the amount of these combined grant funds, it is possible that I will not receive any A+ funds.
- If I lose A+ eligibility, I may earn it back if I meet the 2.5 CGPA requirement. If my CGPA drops below 2.5, I will be responsible for payment of tuition and fees.
- A+ will not pay for repeat courses that A+ has paid for in prior semesters.
- If I drop a course after the 100% refund date or receive an incomplete grade, I will be responsible for payment of the class and drop fees.
- The A+ award amount is subject to legislative appropriation and if funding is insufficient for payment of tuition and fees; MDHE will limit the number of hours to be reimbursed or take other measures informed by public comment and approved by the CBHE. If this happens I will be responsible for any tuition and fees that A+ did not cover.
