Licensure Pass Rate by Program

Sources: Missouri Firefighter I & II Certification (Fire Technology); National Registry of Emergency Medical Technician's Exam (Paramedic Technology/EMT); National Council of State Boards of Nursing (Nursing); National Board for Certification in Occupational Therapy

Notes and definitions:

*Data have been suppressed due to fewer than 5 exam takers.

note: Fire Technology is no longer an active ECC program.

Licensure Pass Rate: based on the number of exam takers who pass their licensure exam. Only programs that have licensure exam requirements are included.
