

Eric Kunsman,
“Thou Art..., Will Give...”

October 3 - 31

In “Thou Art..., Will Give”, Eric Kunsman hopes to offer some of the atmosphere experienced by prisoners of the Eastern State Penitentiary in Pennsylvania. This exhibition attempts to capture some of the story, energy, and the sorrows of this remarkable space. Actual photographs of entries from the Warden’s 1800s logbooks have been blended with photographs of the Penitentiary, to give a historical sense of both the prisoners and their treatment at the Penitentiary.
