MY TIME AT ECC

I started working at ECC in August 2024. I am learning a lot about being a falcon, and I can't wait to see you soar to great heights!

WHAT DO I DO?

I assist students interested in Arts & Humanities, Social Sciences, Health Professions and more with their academic planning and career preparation.

FAMILY FUN NEAR CAMPUS!

You'll find me floating down the lazy river with my kids at Six Flags Hurricane Harbor, or spending an afternoon roller skating at Piccadilly Palace for some family fun time!

FAST FACTS

- I have traveled to all 50 of the United States.
- Instruments I can play: flute, piano, & recorder.
- Baking specialty cheesecakes is my jam.
