Who we are:

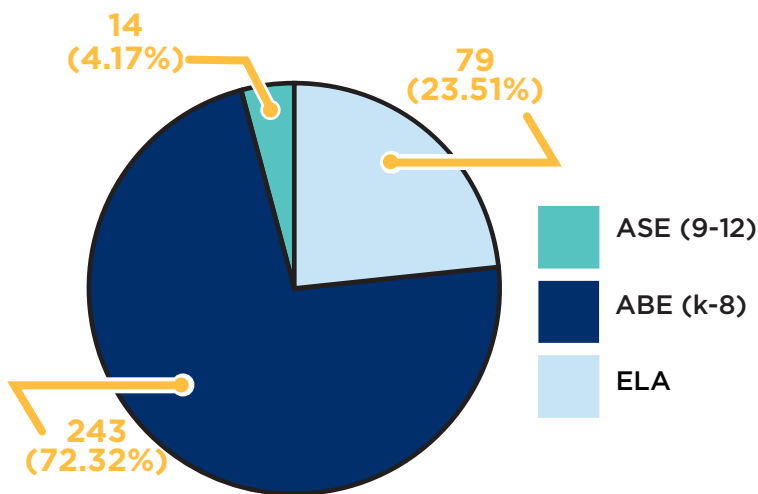

ECC's Adult Education and Literacy (AEL) program is free to everyone. We have several class locations to serve you with both morning and evening classes.

What we do:

High School Equivalency (HSE) • Many people without a high school diploma have skills equal to graduates. Most employers, colleges, and the military accept a HSE certificate as equivalent to a diploma.

English Language Acquisition (ELA) • The English Language Acquisition classes teach practical English for citizenship, work, education, and daily life. Small class sizes allow for personalized instruction and support from teachers and tutors.

Students Enrolled in Adult Education Services at ECC

- Total Adult Student Populations: 336
- Adult Basic Education {ABE}: Grade Levels 0-8.9
- Adult Secondary Education {ASE}: Grade Levels 9-12
- English Language Acquisition {ELA}: Students for whom English is not their native language.
