#### “THE LIGHTNING THIEF: THE PERCY JACKSON MUSICAL”

When teenager Percy Jackson discovers he’s a demigod, he and his friends embark on an epic journey to find Zeus’ missing lightning bolt and prevent a war among the gods. Adapted from the best-selling book *The Lightning Thief* by Rick Riordan and featuring a thrilling rock score, *The Lightning Thief: The Percy Jackson Musical* is an action-packed mythical adventure worthy of the gods!

#### Film & Lecture

#### “Butterfly in the Sky”

*Butterfly in the Sky* tells the story of Reading Rainbow, the educational show promoting literacy that LeVar Burton hosted for 23 seasons. The new documentary chronicles the journeys of broadcasters, educators and filmmakers who believed television could inspire a lifelong love of reading.

#### Guest Artists

#### Twinspeak

Alan and Mark Ferber Group. Identical twin brothers, Alan & Mark Ferber are multiple Grammy nominated artists. They can be heard on over 200 recordings. Grammy winning Alan Ferber has been called “One of the Jazz World’s premier composers and arrangers”. This concert will be celebrating the release of their newest recording. It will undoubtedly be a special evening of music and improvisation.

#### Art Gallery

#### Christopher Troutman’s “Giant-Size Comics” Exhibit

The motivation for this exhibit is to use drawing and painting to show Troutman’s interests in “human figure, urban and domestic spaces, pictorial depth, passage of time, narrative, and dynamic composition,” all influenced by art history, contemporary art, and comics. Troutman juxtaposes imagery from the U.S. and Japan, the two places where he lives, to create content that compares “social and cultural differences and presents audiences with a global perspective, which has become more relevant in contemporary U.S. culture.”

#### Band Ensemble

#### Annual Pops Concert

East Central College and Saint Louis University team up for their annual “Pops at the Park” concert at the Washington Fairgrounds. Past performances include “A Night on Broadway” and “The Music of John Williams.” Join us for what is sure to be a memorable night of wonderful music!
