

# CAMPUS CONNECTIONS BETWEEN

MISSOURI  
**S&T**

AND

  
EAST CENTRAL COLLEGE

Missouri S&T and East Central College are excited to offer a concurrent enrollment program to reduce college costs and help students earn a degree in less time.

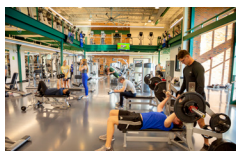

This program, called Campus Connections, allows admitted students the flexibility to take courses at both S&T and ECC in addition to providing resources and access at both institutions.

Visit [eastcentral.edu/admissions/campus-connections](http://eastcentral.edu/admissions/campus-connections) for more information.

## CAMPUS CONNECTIONS BENEFITS

Students can:

- Complete their academic degree in less time
- Participate in both S&T and ECC student clubs and organizations
- Benefit from the S&T Career Fair and co-op and internship opportunities
- Utilize all S&T and ECC campus resources including the Student Success Center, S&T Advising Center, LEAD (Learning Enhancement Across Disciplines), Student Diversity Initiatives, S&T Fitness Center and Rec Center, Curtis Laws Wilson Library, Counseling Services, IT Help Desk, Student Health Center, and Student Veterans Resource Center
- Live in on-campus residence housing at S&T

**250+**

## ADMISSIONS

[transfer.mst.edu](https://transfer.mst.edu)

### APPLICATION

Go to **[apply.mst.edu](https://apply.mst.edu)** to submit online application and upload unofficial transcripts. There is no application fee or essay required.

### ADMISSIONS REQUIREMENTS

Student must meet published undergraduate admissions criteria for both institutions.

### NEXT STEPS

Campus Connections students will have advisors at both S&T and ECC who will help them complete advising, registration, and orientation at each institution. Transfer course guides help with course selection and can be found at **[transfer.mst.edu](https://transfer.mst.edu)** for all majors.

## RESIDENTIAL LIFE

[reslife.mst.edu](https://reslife.mst.edu)

### LIVING ON CAMPUS

All Campus Connections students are welcome to live on-campus at Missouri S&T.

### HOUSING REQUIREMENTS

Students who are taking 9 or more hours of S&T credit and do not meet current residency requirements are required to live on S&T's campus. Questions about housing? Contact Res Life at **[reslife@mst.edu](mailto:reslife@mst.edu)** or **573-341-4218**.

Significant financial aid is available to students who participate in the Campus Connections program at S&T and ECC through scholarships, grants and loans. Financial advisors at both institutions will assist students with a financial plan to maximize the value of the Campus Connections program experience.

Missouri University of Science and Technology  
[mst.edu](https://mst.edu) | 573-341-6731

## FINANCIAL AID

[sfa.mst.edu](https://sfa.mst.edu)

### A+ SCHOLARSHIP

Qualifying students are eligible to use their A+ scholarship program funding for ECC tuition and fees costs while enrolled in Campus Connections.

### FINANCIAL AID INSTITUTION

ECC is the home institution for financial aid for Campus Connections students meaning that all scholarships, grants and loans will be processed through ECC. A financial aid consortium agreement should be submitted at ECC. When Campus Connections students transfer to S&T for full-time enrollment, S&T will become the home institution for financial aid.

### SCHOLARSHIPS

When a student transitions to full-time at S&T, they are eligible for consideration of transfer and other S&T scholarships.
