

2025-2026 Verification Worksheet

V1

Your financial aid application was selected for review in a process called "Verification" by the Department of Education. In this process, we will be comparing information from your FAFSA with copies of you and your parent(s)/contributor(s) (dependent students) or you and your spouse/contributor (independent students, if married) 2023 Federal tax return(s), W-2 forms, and other financial documents. Federal regulations (34 CFR, Part 668) require us to collect this information before disbursing federal aid. If there are differences between your FAFSA and the verification documents, we will make corrections and send the required changes electronically to the Federal Student Aid processor to have your information reprocessed. Please complete and return all pages, including any necessary tax documents.
