HIM 2263 HIM Capstone (3 hrs.)	Elective
CS 2003 Database Structure (3 hrs.)	Elective

Outline for Completion of a Bachelor of Science in Health Information Administration Degree from Stephens College

The Health Information Administration (HIA) Program is designed to assist women and men in their quest to become Registered Health Information Administrators (RHIA). Satisfactory completion of the HIA Program establishes a student's eligibility to sit for the national registration examination (RHIA). The HIA Program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). This degree is available only online.

Remaining Stephens College Requirements for the B.S. Major in Health Information Administration (55 hrs.)

Remaining Required HIM Courses (33 hrs.):

- BUS 305: Human Resource Management (3 hrs.)
- HIA 347: Management of Clinical Classification & Reimbursement Systems (3 hrs.)
- HIA 351: Health Information Systems (3 hrs.)
